Women Living Well Courtney Joseph Fallick, 2013-10-08 Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. *Women Living Well* is a clear and personal guide to making the most of these precious responsibilities.

Permanent Record Mary H. K. Choi, 2020-09-29 A New York Times bestseller! "Smart and funny...warm and rewarding."

—Booklist (starred review) “A compelling and quirky tale of love and negotiating early adulthood in New York City.” —School Library Journal From the New York Times bestselling author of *Emergency Contact*, which Rainbow Rowell called “smart and funny,” comes a “captivating” (The New York Times) romance about how social media influences relationships every day. On paper, college dropout Pablo Rind doesn’t have a whole lot going for him. His graveyard shift at a twenty-four-hour deli in Brooklyn is a struggle. Plus, he’s up to his eyeballs in credit card debt. Never mind the state of his student loans. Pop juggernaut Leanna Smart has enough social media followers to populate whole continents. The brand is unstoppable. She graduated from child stardom to become an international icon, and her adult life is a queasy blur of private planes, step-and-repeats, aspirational hotel rooms, and strangers screaming for her just to notice them. When Leanna and Pablo meet at 5:00 a.m. at the bodega in the dead of winter it’s absurd to think they’d be *A Thing*. But as they discover who they are, who they want to be, and how to defy the deafening expectations of everyone else, Lee and Pab turn to each other. Which, of course, is when things get properly complicated.
