My Ideal Bookshelf Thessaly La Force,2012-11-13 The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In *My Ideal Bookshelf*, dozens of leading cultural figures share the books that matter to them most; books that define their dreams and ambitions and in many cases helped them find their way in the world. Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.

Dust If You Must Rose Milligan,2023-03-02 A classic poem with a timeless message, presented in a small and beautiful gift book. Rose Milligan never intended to publicly share her poem 'Dust If You Must', but a series of events led her to publish it in *The Lady* magazine in 1998. Her charming message about what we value in life resonated with audiences, and it has since been read on BBC radio, posted on Instagram, printed on tea towels, read at funerals and put to music. Now appearing as a book for the first time, beautifully illustrated throughout by illustrator Hayley Wells, *Dust If You Must* is a timeless reminder to focus on the things we can enjoy in the world, rather than the things we think we need to do.

Liquid Intelligence: The Art and Science of the Perfect Cocktail Dave Arnold,2014-11-10 Winner of the 2015 James Beard Award for Best Beverage Book and the 2015 IACP Jane Grigson Award. A revolutionary approach to making better-looking, better-tasting drinks. In Dave Arnold's world, the shape of an ice cube, the sugars and acids in an apple, and the bubbles in a bottle of champagne are all ingredients to be measured, tested, and tweaked. With *Liquid Intelligence*, the creative force at

work in Booker & Dax, New York City's high-tech bar, brings readers behind the counter and into the lab. There, Arnold and his collaborators investigate temperature, carbonation, sugar concentration, and acidity in search of ways to enhance classic cocktails and invent new ones that revolutionize your expectations about what a drink can look and taste like. Years of rigorous experimentation and study—botched attempts and inspired solutions—have yielded the recipes and techniques found in these pages. Featuring more than 120 recipes and nearly 450 color photographs, *Liquid Intelligence* begins with the simple—how ice forms and how to make crystal-clear cubes in your own freezer—and then progresses into advanced techniques like clarifying cloudy lime juice with enzymes, nitro-muddling fresh basil to prevent browning, and infusing vodka with coffee, orange, or peppercorns. Practical tips for preparing drinks by the pitcher, making homemade sodas, and building a specialized bar in your own home are exactly what drink enthusiasts need to know. For devotees seeking the cutting edge, chapters on liquid nitrogen, chitosan/gellan washing, and the applications of a centrifuge expand the boundaries of traditional cocktail craft. Arnold's book is the beginning of a new method of making drinks, a problem-solving approach grounded in attentive observation and creative techniques. Readers will learn how to extract the sweet flavor of peppers without the spice, why bottling certain drinks beforehand beats shaking them at the bar, and why quinine powder and succinic acid lead to the perfect gin and tonic. *Liquid Intelligence* is about satisfying your curiosity and refining your technique, from red-hot pokers to the elegance of an old-fashioned. Whether you're in search of astounding drinks or a one-of-a-kind journey into the next generation of cocktail making, *Liquid Intelligence* is the ultimate standard—one that no bartender or drink enthusiast should be without.

Little Women Gift Pack - Lined Notebook & Novel Louisa May Alcott,Chiltern Publishing,2021-02-23 This gift pack contains both the hardcover classic novel and a matching ruled hardcover notebook in a one quarter slipcase. Bringing one of the world's most beautiful editions of the classic novel, Little Women by Louisa May Alcott, and a lined writing journal with a matching cover, in one beautifully presented gift package. Little Women was, and remains, Alcott's best-known and most widely read work. It was her first novel and was so popular that her audience demanded sequels, a request that Alcott fulfilled, although most readers believe that Little Women is the most compelling of Alcott's novels about the March family. Little Women is a well-told story that features suspense, humour, and engaging characters, as well as lessons about the importance of honesty, hard work, true love, and family unity. Brilliant in its portrayal of nineteenth-century American family life, the novel depicts a secure, placid world in which the home serves as the centre for children's religious and moral education. The novel opens, with the four girls--the oldest, Meg (sixteen), tomboyish Jo (fifteen), sweet Beth (thirteen), and

the youngest, Amy (twelve)--are sitting around the hearth contemplating a Christmas without presents, for their father is away serving as chaplain for a unit of men fighting in the Civil War, and the family has very limited funds. From this opening dialogue, a reader gets insights into the basic personality types of the various characters. Meg feels most strongly the family's limited resources. It is she who struggles hardest with envy of the wealthier girls in town. Jo is the most spirited of the lot, physically the most active and psychologically the most independent; she nevertheless is most comfortable when she is safely ensconced within the family circle of Marmee (the girls' nickname for their mother) and the four girls. Beth is the sweetest and most generous of the girls, the one who complains least and tries hardest to ease the difficulties of the others. She is the character whom some readers think is really too good to be true. As might be expected, she dies an early death, as if she is too good for this world. The youngest, Amy, has rather grand visions of herself but these are tempered as she tests her artistic skills abroad and eventually marries the boy next door. In Alcott's novel, the family--as the most important of social units--gives its members strength to overcome life's obstacles and teaches them the value of selflessness. Mrs. March, in particular, exemplifies the courage and perseverance necessary to hold the family together through war and death. Although the novel ends happily, it in many ways marks a departure from simplistic, romantic nineteenth century fiction for young adults. Alcott's characters change in response to serious life-events; their positive but realistic attitudes inspire readers to identify their own strengths in the face of pain and adversity. Chiltern creates the most beautiful editions of the World's finest literature. Your favourite classic titles in a way you have never seen them before: the tactile layers, fine details and beautiful colors of these remarkable covers make these books feel extra special and look striking on any shelf.

Redeeming Childbirth Angie Tolpin,2015-06-19 Childbirth is more than an event that makes a woman a mother. This journey was designed to be a spiritual milestone that draws every woman's heart back to the only Deliverer. Angie Tolpin has honored all of us by giving the world a book that guides, inspires, explores and reconsiders that there is a Grand Design in childbirth. Redeeming Childbirth honors God's Word and speaks truth that families can and should remember His presence in the birth room. ~Barbara Harper, RN, CLD, CCE, Founder of Waterbirth International and author of Gentle Birth Choices Angie casts a beautiful vision for making Christ the center of your pregnancy and childbirth. Shedding light on areas of

frequent idolatry in our own birth plans, Angie calls out the disunity amongst Christian sisters over birth methods. Through her own birth stories and those of others, Angie shows how God can be glorified in hospital rooms and birthing centers as well as home-births. ~Gretchen Louise, editor at Young Ladies Christian Fellowship Redeeming Childbirth is a much-needed blessing for families and churches. I long for the day when I can buy a stack of this book, ready to bless each new expectant mother with what she really needs: encouragement from a sweet friend, spiritual wisdom, and guidance to trust in God. ~Ann Dunagan, Co-founder of Harvest Ministry, Director of Daring Daughters, Author of The Mission Minded Family and The Mission Minded Child
