The Actor's Picture/resume Book Jill Charles, Tom Bloom, 1998

Actors Resumes Richard Devin, 1994-01-01 Over 400 industry professionals (Casting Directors, Agents, Producers and Directors) were questioned for this in-depth study. A four-page questionnaire detailing every aspect of the actor's resume - from paper color to typesetting - was used to define the industry's standard. The book's focus is on the proper marketing of the actor through his/her resume, thus improving the chances of landing the audition and the job. Completely illustrated with sample resumes and glossary; those just entering the industry and professionals alike will find this book an invaluable guide. The Talent Buyers agree: Jim Evering, Producer/Director for Television (Major Dad, Mamma's Family), Great idea! Very Needed. Myrl Schreibman, Producer/Director for Films (Colonus Horror, It Takes a Thief), Dead on and to the point - very informative. Gregg Barrett, Classic Talent West (Talent Manager), Buy this book! You need it! For ordering information and discounts call (818) 513-5169 or write Entertainment Marketing Company of California, P.O. Box 8559, Universal City, CA 91607-0559.

The Professor Is In Karen Kelsky,2015-08-04 The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application - Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap - Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

Acting as a Business Brian O'Neil,2014-04-08 An essential handbook for actors—a modern classic—in a newly updated edition. Since its original publication, *Acting as a Business* has earned a reputation as an indispensable tool for working and aspiring actors. Avoiding the usual advice about persistence and luck, Brian O'Neil provides clear-cut guidelines that will give actors a solid knowledge of the business behind their art. It's packed with practical information—on everything from what to say in a cover letter to where to stand when performing in agent's office—including: •How to craft a winning theatrical résumé •The most effective ways to join the performer's unions •Tactics for getting an agent •Strategies for finding work in

the theater, on daytime television, and in independent films • Navigating the different customs and cultures of New York and Los Angeles O'Neil has updated *Acting as a Business* to keep up with the latest show-business trends, including how best to use the Internet, making this new edition no actor should be without.

Constitution for a Free People, for City, County, Provincial, State and National Governments Douglas Robinson Buck, 2017-01-31 *Constitution for a Free People* presents all the principles and tools needed to create a charter for freedom for any government: city, county, state, nation, or colony on the Moon or Mars. It is based on the inspired original Constitution for the United States, with worthy safeguards to secure liberty for the people and curb the growth of power by any person or special group. It assumes that men and women are born free and that most, when they arrive at the years of majority, are able to come together, deliberate on their common needs, and solve problems. It hails the U.S. Constitution as a charter of liberty and shows how the ideas behind its creation can become the basis for any government. Many statements from the Founders of the United States are given in support. This is not a history book, although some history is included. It is not a political science tome, although may be used as a handbook for students and statesmen. It is not a political tract, although conservative by nature. And it is not a novel or fiction. It is a plan for a government of the people, by the people and for the people, a plan to keep most political decision making close to home, a plan to secure for all people their best hope for liberty, prosperity and happiness.

Confessions of a Casting Director Jen Rudin, 2013-12-17 A must-have for any aspiring actor or stage parent--the definitive guide to breaking into film, television, theater, and even YouTube from a top casting director Packed with information that aspiring actors clamor for, this up-to-the-minute advice from a true expert is essential reading for anyone pursuing an acting career. Longtime casting director Jen Rudin demystifies the intimidating and constantly changing audition process, sharing insider tips on how to prepare for every type of audition, from musical theater, television (including reality TV), and film to voice-overs, animated movies, and even Web series. In this comprehensive guide, Rudin covers everything that today's actor needs to succeed on subjects like: finding an agent or manager, using technology to your advantage, understanding the world of child acting, living in New York versus L.A., turning a callback into an offer for the role, and many more. Every actor should walk into an audition room feeling confident and prepared, and this book is full of the dos and don'ts and surefire tricks to help turn rejection into that first big break. Complete with checklists, easy-to-follow game plans, and advice from successful actors, agents, and industry professionals, *Confessions of a Casting Director* is like having a private audition coach in your back pocket.
