Skill in Action Michelle Cassandra Johnson,2021-11-02 Transform your yoga practice into a force for creating social change with this concise, eloquent manual of social justice tools and skills. *Skill in Action* asks you to explore the deeply transformational practice of yoga as a way to become an agent of social change and work toward a just world. Through yoga practices and philosophy, this book explores liberation for ourselves and others, while asking us to engage in our own agency—whether that manifests as activism, volunteer work, or changing our relationships with others and ourselves. To provide a strong foundation to begin this work, Michelle Cassandra Johnson clearly defines power and privilege, oppression, liberation, and suffering, and invites you to make changes in your life that promote equality and freedom for all. This revised and expanded edition offers journaling practices and prompts in each chapter; includes more material on how power and privilege inform the yoga industry; explains how to integrate justice into teaching the eight limbs of yoga; and offers ways to support people as they move through their resistance and discomfort in the face of injustice. This edition also offers a fuller look at how the yamas and niyamas—the ethical precepts of yoga—can be studied in order to create a more just world, and it offers more support for yoga teachers seeking to radicalize their yoga.

Product Roadmaps Relaunch C. Todd Lombardo,Bruce McCarthy,Evan Ryan,Michael Connors,2017-10-25 A good product roadmap is one of the most important and influential documents an organization can develop, publish, and continuously update. In fact, this one document can steer an entire organization when it comes to delivering on company strategy. This practical guide teaches you how to create an effective product roadmap, and demonstrates how to use the roadmap to align stakeholders and prioritize ideas and requests. With it, you'll learn to communicate how your products will make your customers and organization successful. Whether you're a product manager, product owner, business analyst, program manager, project manager, scrum master, lead developer, designer, development manager, entrepreneur, or business owner, this book will show you how to: Articulate an inspiring vision and goals for your product Prioritize ruthlessly and scientifically Protect against pursuing seemingly good ideas without evaluation and prioritization Ensure alignment with stakeholders Inspire loyalty and over-delivery from your team Get your sales team working with you instead of against you

Bring a user and buyer-centric approach to planning and decision-making Anticipate opportunities and stay ahead of the game Publish a comprehensive roadmap without overcommitting

The Design Thinking Playbook Michael Lewrick, Patrick Link, Larry Leifer, 2018-04-24 A radical shift in perspective to transform your organization to become more innovative The Design Thinking Playbook is an actionable guide to the future of business. By stepping back and questioning the current mindset, the faults of the status quo stand out in stark relief—and this guide gives you the tools and frameworks you need to kick off a digital transformation. Design Thinking is about approaching things differently with a strong user orientation and fast iterations with multidisciplinary teams to solve wicked problems. It is equally applicable to (re-)design products, services, processes, business models, and ecosystems. It inspires radical innovation as a matter of course, and ignites capabilities beyond mere potential. Unmatched as a source of competitive advantage, Design Thinking is the driving force behind those who will lead industries through transformations and evolutions. This book describes how Design Thinking is applied across a variety of industries, enriched with other proven approaches as well as the necessary tools, and the knowledge to use them effectively. Packed with solutions for common challenges including digital transformation, this practical, highly visual discussion shows you how Design Thinking fits into agile methods within management, innovation, and startups. Explore the digitized future using new design criteria to create real value for the user Foster radical innovation through an inspiring framework for action Gather the right people to build highly-motivated teams Apply Design Thinking, Systems Thinking, Big Data Analytics, and Lean Start-up using new tools and a fresh new perspective Create Minimum Viable Ecosystems (MVEs) for digital processes and services which becomes for example essential in building Blockchain applications Practical frameworks, real-world solutions, and radical innovation wrapped in a whole new outlook give you the power to mindfully lead to new heights. From systems and operations to people, projects, culture, digitalization, and beyond, this invaluable mind shift paves the way for organizations—and individuals—to do great things. When you're ready to give your organization a big step forward, The Design Thinking Playbook is your practical guide to a more innovative future.

Silent Partner Jennifer Peel, 2021-06-09 Gripping and beautiful. Truly a masterpiece of the heart. - Becky Monson, USA Today Bestselling Author □□□□□ He thinks his silence will protect her. She needs to hear what's in his heart. When it comes to love and life, Kinsley Kramer knows one thing-she's always second best. Tired of feeling like she's never enough, she decides to give up on men and adopt a cat. What Kinsley doesn't know is that Brant Holland wants nothing more than to tell the world how much he loves her, but he has kept his distance to protect Kinsley from the secrets he keeps and from his ex-fiancée's family. But when Kinsley is about to lose her restaurant, Brant can't help but act. He steps in and becomes her silent partner. Unable to deny the passion that sizzles between them, they must open painful doors to the past, and the secrets Brant has been keeping must be unleashed. Secrets that threaten to destroy everything and everyone he holds dear. Kinsley must now

decide if she can bear the pain of Brant's past choices and an uncertain future as everything in the Hollands' world hangs in the balance. See how it all unfolds in this heart-tugging final chapter of the Pine Falls series.

Clinical Trial Tammy Plunkett,2020-09-28 Dr. Georgia Laurence's patient is going to die without an immediate heart transplant, and a rare blood type makes a donor nearly impossible. There's a sliver of hope when she learns about a clinical trial right at her hospital. The only problem is, the stem cell researcher is Dr. Matt Mancini, a man from her past who has absolutely no reason to help her. Matt could soon be sharing the cure for heart disease with the world and can't risk using such a sick patient as his first human candidate. While his attraction to Georgia tempts him to reconsider, the stem cells are stolen and his career is jeopardized. Georgia and Matt must work together to save his study before her patient dies. As they get closer to the truth, they find the thief will stop at nothing, not even murder, and they'll have to decide what matters most: her patient, his study... or their lives. If you like Grey's Anatomy and on-the-edge suspense, this is your next read. Lucy Farago, author of the Search and Recover series.

Holistic Tarot Benebell Wen,2015-01-20 The best-selling guide to reading tarot from celebrated occultist and scholar Benebell Wen—history, practice, and 500+ illustrations and spreads Designed for beginning as well as experienced tarot readers, Holistic Tarot offers a fresh and easy-to-follow approach to the use of the tarot deck for tapping into subconscious knowledge and creativity. The tarot deck has been used as a divination tool for more than two centuries; while the tarot is still most commonly thought of as fortune telling, the true power of the tarot lies in its ability to channel a clear path for our deep intuition to shine through. Consulting the tarot can help clear creativity blockages, clarify ambitions, work through complex decisions, and make sense of emotions and relationships. Whether used for simple decision-making or an understanding of your life's purpose, learning tarot can be an indispensable tool for being more mindful of the factors that can assist or weaken your efforts toward success. In Holistic Tarot, author Benebell Wen provides a complete guide to using the tarot to foster personal development. Wen gives a comprehensive overview of the history of the tarot and a wide array of theories on its use (including its relationship to Jungian archetypal psychology and traditional Chinese divination practices) before digging deeply into one of the best-known tarot systems, the Rider-Waite-Smith. Beginners will find a complete guide to working with the tarot, including choosing and caring for a deck, how best to learn and remember the attributes of the major and minor arcana, the interpretation of cards and spreads, the role of meditation in a tarot practice, and how to use the tarot for improving relationships, professional development, and personal resilience. More advanced practitioners will appreciate nuanced theoretical discussions of the tarot as well as practical advice about reading others' tarot cards and setting up a practice. Containing over 500 illustrations and detailed information on each card as well as numerous spreads, Holistic Tarot is a complete compendium of tarot study that every practitioner should have in their library. "A modern alchemical achievement."—Barbara Moore, author of Tarot Spreads "Will become one of the jewels in the crown of tarot

literature.” —Anthony Louis, MD, author of *Tarot Beyond the Basics* “A tarot classic.”—Sasha Graham, author of *Tarot Diva* “A magnificent, intelligent, comprehensive overview and innerview of the Rider Waite Smith system of tarot! This is the only guide you need to have. Bravo!” —James Wanless, PhD, author of *Voyager Tarot* “A huge accomplishment ... likely to become the essential guidebook for serious students of the tarot.”—Joan Bunning, author of *Learning the Tarot* “No tarot enthusiast should be without this book!”—Chic and Tabatha Cicero, authors of *The Golden Dawn Magical Tarot* “Arguably the most comprehensive guide to tarot on the market today. It's also innovative: it deftly combines Eastern mysticism with Western metaphysics. It's an impressive tome that presents a wholly modern, rational approach to tarot practice while preserving notable elements of tradition.—Corrine Kenner, author of *Tarot and Astrology*

Wild Apothecary Amaia Dadachanji, 2021-03-28 A beautifully illustrated herbal guide to every stage of life, that connects us to the medicinal plants that grow around us. This stunning, one of a kind book is a practical and creative manual that invites us to deepen our relationship with the bounty of the natural world, showing us how we might use plants to support our health. From babes to elders, and all the life-stages and transitions in between, this is an indispensable handbook designed to celebrate the journey of life and help us overcome some of the challenges we may face along the way. With recipes for simple medicine-making, self-prescribing and foraging advice, *Wild Apothecary* is a beginner's guide to herbalism, for all people, and explores the practical applications of plant medicines for the home or community. Each chapter highlights specific health conditions associated with each phase of life and describes how to work with plant allies and lifestyle changes to promote wellbeing. Rewilding and journaling exercises help the reader go deeper and contemplate their connection with themselves and nature. There is also a special chapter on grief, plus an examination of herbal medicine in the context of colonisation.

Beyond Pronouns Tammy Plunkett, 2022-06-21 If your child or teen recently told you they are transgender, non-binary or genderfluid, you're bound to have questions. You may wonder how best to support your child's transition and doubt

whether you are making the right decisions. When her son came out as transgender, Tammy Plunkett had the same worries. In *Beyond Pronouns*, she shares her candid experiences learning to navigate her child's transition and provides clear and practical guidance to help you do the same. She deals with many frequently asked questions, including: - Is this a phase? - Why not wait until they're an adult? - How do I tell others my child is gender-diverse? - Where do we start a child's transition? Offering gentle guidance through the first 100 days and beyond, Tammy uniquely addresses the need for parents to be supported so they can best care for their child. You will find ways to face common fears, have important conversations with your child, be a good ally and much more, with age-appropriate approaches that aim for a happy and connected family.

You Look Like Something Blooming India Ame'ye, 2015-04-21 I love the way you write sis India Olowokande Ame'ye. Your words are sweet and honest. You do not attempt to coerce or seduce. You do not solicit a contract with misery but instead with power, purpose and love. Thank you. -S. Chatman _____ A lovingly mystical and refreshingly radical literary spellbook that charms, heals, glows, amplifies, and supports healing, self-care, body transformations, and the divine feminine within us all. Part warm and witchy, part how-to grow more ass (rootworkers) and activate breast tissues (caretakers), part learning to embody love as abundance, part natural healing of fibroids and heavy, painful moon times, part conjuring and sensual narratives, part flowers, herbal teas, and fairies, part full body orgasms and orgasmic living brilliancy, part prose and word/sound/power. Part dreamy and celestial, practical and purposeful, transformative and paradigm shifting. Part djembe and an acoustic guitar. Part ancient (Africa) and recent (Georgia/South Carolina/California). Many parts of the highest-vibrational whole of existence, the womb and its mysteries, nourishment, and total and complete darkness!!-----I am a highly feminine woman unfixed in my femininity. Bending. Weaving. Waddling. Diving. Leaping. Spreading. Spraying. Dripping with femininity. Courageously shapeshifting into a serpent, a pharaoh, a Goddess of Love, a warm and transformative ocean, a fairy (with wings), passionfruit or liliquoi, Oshun's daughter, a 7 year old mathematician, a wood nymph, a deer, an altar, an elder person, a mother, a jackhammer, a herbalist, glitter and starlight. Ageless, timeless, spaceless, formless embodiments of royal movement. Sometimes it's growing my ass, thickening my fingers, or rounding out my face (heightening my youth) to get the medicine inside. Because anything stagnant dies. _____ She spends whole days in uncontrollable ecstasy. And no one is there but her and her higher self. Alone time feels good going inside. _____ In 2003, triple-Bachelor degreed, India Ame'ye resigned from her Sr. Accountant position in Corporate America in pursuit of passion, love (learning and embodying love), aliveness, and a big ol' adventure. There was also the wonder and magic of pain, grief, sadness, depression, and tiny steps into learning how to return ALL experiences back into love.... and most importantly, allowing the experiences to resonate as love in the body. **You Look Like Something Blooming** is a charming yet raw encounter with spirit, adventure, love, intimacy and sex, pleasure, nature, and so much more. Described as refreshingly radical, authentic, healing, opening, while being a bit dreamy, tender, faraway, lulling, ancient yet

familiar. Occasionally quite funny alongside some brand of thrilling, womanly wildness. Chockfull of intimate and feminine arts in deeply honest ways, you are sure to transform in thought, action, pleasure, and/or adventure. There are also the more practical and serious bits as well as life is like that sometimes, where you have to hold the mirror up and say 'I am ready to stop hurting my organs!' It's steaming cauldron full of magical secrets and healthy living (blooming) tips, bit of this and whole lot of that! From skin to body sculpting tips to ways to come alive in your body and life, how one falls out of love and rises as love, the seed and harvest of her own love story. You Look Like Something Blooming is seriously 5 books in 1.

Sniper's Eye Mainak Dhar,2021-08-26 You figure your movie date won't end well when the man in front of you gets shot. I'm out on a date with my girlfriend, and everything is perfect...till that shot. A high-calibre bullet. No apparent sound. A rifle with a suppressor. A sniper in the middle of a mall! As the body count mounts and I get sucked in deeper into the chaos that is unleashed by that shot, I find myself confronting many deadly enemies. To survive, and save those I care about most, I need to tap into a bloody past I thought I had left behind. I find myself on a kill list put online by terrorists and being thrown together with a man whom I need to work with if we are to save ourselves and countless others. The problem is that man is sworn to kill me. In a world where the young and poor kill and die in conflicts started by the old and rich, I and my unlikely

companion finally discover the thin line that separates a mere killer from a hero. This is our story...

A Child Unfinished Susie LaFond, 2019-11-11 This visual memoir, by mixed-media artist Susie LaFond, invites you to experience her life growing up within the confines of a less than supportive, dysfunctional, and erratic childhood as documented through her many handbound visual journals. Growing up with alcoholic parents, from birth onward, created an environment that Susie navigated through the use of her imagination and didn't fully understand until well into her adulthood. She openly, candidly shares her story in both words and artwork. This memoir is a profoundly moving and visual experience. Her story will tug at your heartstrings; her artwork and reflections are sure to move you and inspire. Her thoughts on life are poignant and honest. They will make your heart swell with emotion and understanding. This book is a memoir of a survivor and an artist leaving her mark on the world.
