The American Flag C. Mahoney,2019-02-15 This workbook has 100 printable pages exploring the American flag, the Pledge of Allegiance, why we honor the US flag, places we hoist our colors, and how we can honor soldiers who fought for the freedoms we enjoy. Students think and write about days in which we fly our flag in honor of people who have served: Flag Day, Memorial Day, Veterans Day and Independence Day. Students create a dozen new designs for a US flag, explaining why they included certain words, pictures or numbers in their design. Students explore US stamps that show the US flag, soldiers, or the bald eagle, and describe what they see. Over 100 pages of activities to help students think about why we stand during the national anthem, why we recite particular words about the flag, and what those words really mean to the rich and poor, the young and the old, those who are free and those who are not. At a time in America where some choose to kneel, and others react with angry and dismissive words, teachers can be the calming force that encourages people to think beyond themselves and their own experiences. This workbook is a tool to help children learn what our flag represents and how we can make America better...for all Americans.
