Anne McKinney

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Fearless Salary Negotiation Josh Doody, 2015-12-02

The Professor Is In Karen Kelsky, 2015-08-04 The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do

make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application - Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap - Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

Clever Girl Finance Bola Sokunbi,2019-06-25 Take charge of your finances and achieve financial independence - the Clever Girl way Join the ranks of thousands of smart and savvy women who have turned to money expert and author Bola Sokunbi for guidance on ditching debt, saving money, and building real wealth. Getting to Yes Roger Fisher,William Ury,Bruce Patton,1991 Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement.

Asking Jerold Panas,2009-02 It ranks right up there with public speaking. Nearly all of us fear it. And yet it's critical to our success. Asking for money. It makes even the stout-hearted quiver. But now comes a book, Asking: A 59-Minute Guide to Everything Board Members, Staff and Volunteers Must Know to Secure the Gift. And short of a medical elixir, it's the next best thing for emboldening you, your board members and volunteers to ask with skill, finesse -- and powerful results. Jerold Panas, who as a staff person, board member and volunteer has secured gifts ranging from \$50 to \$50 million, understands

the art of asking perhaps better than anyone in America. He has harnessed all of his knowledge and experience and produced what many are already calling a landmark book. What Asking convincingly shows -- and one reason staff will applaud the book and board members will devour it -- is that it doesn't take stellar communication skills to be an effective asker. Nearly everyone, regardless of their persuasive ability, can become an effective fundraiser if they follow Jerold Panas' step-by-step guidelines.

Fair Pay David Buckmaster, 2021-06-29 Longlisted for the 2021 Porchlight Business Book Awards, Management & Workplace Culture An expert takes on the crisis of income inequality, addressing the problems with our current compensation model, demystifying pay practices, and providing practical information employees can use when negotiating their salaries and discussing how we can close the gender and racial pay gap. American workers are suffering economically and fewer are earning a living wage. The situation is only worsening. We do not have a common language to talk about pay, how it works at most companies, or a cohesive set of practical solutions for making pay more fair. Most blame the greed of America's executive class, the ineptitude of government, or a general lack of personal motivation. But the negative effects of income inequality are a problem that can be solved. We don't have to choose between effective government policy and the free market, between the working class and the job creators, or between socialism and capitalism, David Buckmaster, the Director of Global Compensation for Nike, argues. We do not have to give up on fixing what people are paid. Ideas like Universal Basic Income will not be enough to avoid the severe cultural disruption coming our way. Buckmaster examines income inequality through the design and distribution of income itself. He explains why businesses are producing no meaningful wage growth, regardless of the unemployment rate and despite sitting on record piles of cash and the lowest tax rates[0] in a generation . He pulls back the curtain on how corporations make decisions about wages and provides practical solutions—as well as the corporate language—workers need to get the best results when talking about money with a boss. The way pay works now will not overcome our most persistent pay challenges, including low and stagnant wages, unequal pay by race and gender, and executive pay levels untethered from the realities of the average worker. The compensation system is working as designed, but that system is broken. *Fair Pay* opens the corporate black box of pay decisions to show why businesses pay what they pay and how to make them pay more.

Basic Guide to the National Labor Relations Act United States. National Labor Relations Board. Office of the General Counsel, 1997

How to Be Good at Performance Appraisals Dick Grote, 2011-07-05 Do you supervise people? If so, this book is for you. One of a manager's toughest—and most important—responsibilities is to evaluate an employee's performance, providing honest feedback and clarifying what they've done well and where they need to improve. In *How to Be Good at Performance Appraisals*, Dick Grote provides a concise, hands-on guide to succeeding at every step of the performance appraisal

process—no matter what performance management system your organization uses. Through step-by-step instructions, examples, do-and-don't bullet lists, sample dialogues, and suggested scripts, he shows you how to handle every appraisal activity from setting goals and defining job responsibilities to evaluating performance quality and discussing the performance evaluation face-to-face. Based on decades of experience guiding managers through their biggest challenges, Grote helps answer the questions he hears most often: • How do I set goals effectively? How many goals should someone set? • How do I evaluate a person's behaviors? Which counts more, behaviors or results? • How do I determine the right performance appraisal rating? How do I explain my rating to a skeptical employee? • How do I tell someone she's not meeting my expectations? How do I deliver bad news? Grote also explains how to tackle other thorny performance management tasks, including determining compensation and terminating poor performers. In accessible and useful language, *How to Be Good at Performance Appraisals* will help you handle performance appraisals confidently and successfully, no matter the size or culture of your organization. It's the one book you need to excel at this daunting yet critical task.

Success as a Mediator For Dummies Victoria Pynchon, 2012-04-10 Everything you need to enter the exciting field of legal mediation To be an effective mediator, it's essential to possess the ability to take control of animated situations, offer advice, and facilitate discussion—all the while remaining neutral without formulating biased judgment. *Success as a Mediator For Dummies* helps you acquire these attributes and much more. Letters from a Farmer in Pennsylvania, to the Inhabitants of the British Colonies John Dickinson, 1903

Letters for Special Situations Anne McKinney, 2012-04-02 In an era when many feel that letter writing is the lost art, this book can be a resource to help anyone create letters to use in the special situations in life. Have you ever been asked to prepare a written letter of reference for someone to use in getting a job or applying to an academic program? Wouldn't some great sample letters be a great help in such a situation? Here's a book that can help. Have you ever wanted to resign gracefully from a position so that you don't burn your bridges behind you? Here is a book that can help you write such a letter to an employer or supervisor so that you gain good will and respect during the resignation process. Sometimes it is

necessary to write a special letter for a special situation in life. You will find great letters to be used as models for business and personal reasons including: Letters asking for a raise, Letters of resignation, Letters of reference, Letters notifying a vendor of a breach of contract, Letter to a congressman, Letters of complaint, Letters requesting reinstatement to an academic program, Follow-up letters after an interview, Letters requesting bill consolidation, Letters to professionals disputing their charges, collection letters, thank-you letters and letters to accompany resumes in job hunting. This book will be a valuable how-to resource to those who seek guidance in composing letters for business or personal reasons. Some of the letters shown are letters of complaint, letters of appeal, business marketing letters, press releases, letters appealing a job dismissal, letters appealing a supervisor's rating, letters of application to law school and medical school, cover letters to accompany resumes, follow-up letters after job interviews, collections letters, letters related to consumer credit and finance, legal letters and notices, letters of apology, letters of appreciation, letters of reference and letters of recommendation, letters of nomination, letters of opposition, letters of reprimand, letters of termination, letters of solicitation, letters of intent, letters to public officials, networking letters, promissory notes, letters requesting a raise, letters requesting a promotion, letters of resignation, and many more letters designed to assist in personal and business matters. Rave reviews for this book! This book has a wide range of letters covering various topics. This book would be useful to any population. - Catholic Library World

Testimonials from some who used this book: Writing letters is so time-consuming, and I get frequent requests from former employees and others who want me to provide a reference. I found just the right samples in this book to make my life easy so that I could produce the multiple letters yearly that are requested of me. Sonya S. I am not a professional writer, but I feel that this book took my mediocre skills and helped them blossom by showing me samples of effective letters. I especially liked the letters protesting charges, and I created effective letters protesting medical charges. People assume you are more serious when you write a letter instead of trying to handle problems verbally. This book helped me leave a 'paper trail' and get taken seriously so that I could resolve some chronic financial problems. Julio G. When I wanted to get reinstated to my academic program, I didn't give myself much of a chance, but I took my best shot by following samples in this book. I will be graduating soon, and I got a second chance at academic eligibility because of this book. Fritz H. It blew me away when I found samples of business marketing letters I could use to find potential new customers. I have discovered that everyone likes reading letters, and the business marketing letters I now use-thanks to the samples in this book-have dramatically boosted my sales. Nadal S.

Asking For A Raise Letter Template Introduction

In the digital age, access to information has become easier than ever before. The ability to download Asking For A Raise Letter Template has revolutionized the way we consume written content. Whether you are a

student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Asking For A Raise Letter Template has opened up a world of possibilities. Downloading Asking For A Raise Letter Template provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Asking For A Raise Letter Template has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal

opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Asking For A Raise Letter Template. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Asking For A Raise Letter Template. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Asking For A Raise Letter Template, users should

also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Asking For A Raise Letter Template has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
