MitzvahChic Gail Anthony Greenberg, 2006-10-03 An indispensable, modern-day guide to planning the perfect bar or bat mitzvah, celebrating substance and style There used to be only two approaches to the bar or bat mitzvah party -- a low-key event that reflects the solemnity of this sacred rite of passage or a big bash that has no connection to the religious service. For many, it was an impossible dilemma. Will a big bash trivialize and overshadow the bar or bat mitzvah experience? Will too much spirituality suck the life out of an otherwise fabulous party? *MitzvahChic* is the first book that proves that if you want a truly amazing experience, you can and must have it all! Blending meaningful Jewish elements with high-style contemporary party planning, this inspiring and useful guide will show you how to have the ultimate bar or bat mitzvah -- a profoundly moving service followed by an unforgettable party. The *MitzvahChic* approach also shows how to honor your child in a big way, rather than reducing him or her to an overused pop culture theme or a single cliché: He's into baseball! She loves horses! This must-have guide gives advice on the major decisions, the basics of the service, and the party details that really matter. It also features: A complete guide to the Torah, including dates and summaries of the portions and supplementary materials Eight complete, themed parties, including party favors, decorations, and photographs of sample tables A time line to help plan the bar or bat mitzvah up to two years ahead Instructions for being *MitzvahChic* on a budget Advice on how to include non-Jewish friends and family members in the ceremony A practical guide to all things mitzvah from the Torah to the tablecloth, *MitzvahChic* will help create a beautiful, powerful, resonant, and unforgettable rite of passage.

**Fair Play** Eve Rodsky, 2019-10-01 A REESE'S BOOK CLUB PICK A hands-on, real talk guide for navigating the hot-button issues that so many families struggle with.--Reese Witherspoon Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the shefault parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family -- and then sent that list to her husband, asking for things to change. His response was... underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up chores and responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With four easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore from laundry to homework to dinner. Winning this game means rebalancing your home life, reigniting your relationship

with your significant other, and reclaiming your Unicorn Space -- as in, the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

So That Happened . . . But Maybe You Already Knew That Tami Sussman,2023-03-08 This hilarious and heart-warming middle-grade debut tackles how to be a good friend (and realise when you've been a bad one), leaving childhood behind, and, most importantly, how to get back up when it feels like the world has knocked you down. Natalie (Nutty to her friends) knows turning 12 is a big deal, and even though she doesn't like change AT ALL, she's prepping for: a) having the best bat mitzvah party anyone has ever been to b) graduating from primary school and c) hopefully getting a boyfriend. But there's even more headed Nutty's way that might change everything, like her parents running out of money and selling her childhood home, along with the reassuring family smell. Or when her best friend no longer feels like a girl and wants to leave the bat mitzvah group altogether. It seems only Natalie can keep her family, her friendships and her party from falling apart.

**The Art of Gathering** Priya Parker,2020-04-14 Hosts of all kinds, this is a must-read! --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. *The Art of Gathering* will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard

barbecue--and how you host and attend them.
