Before and After Page Design John McWade,2003-12-10 Before and After magazine's focus on clarity and simplicity and its insistence on approaching design not as mere decoration but as an essential form of communication have won it legions of fans. If you're among them, you'll welcome the first book from B and A's founder and publisher. John McWade walks his own talk, bringing you a beautifully clear, cohesive, and elegant primer on page design. You'll learn by example how to design single-page and multi-page publications, brochures, and advertisements, applying the principles design professionals live by. You'll also learn how to choose the right font for your project, why one typeface works better than another, and lots more. Best of all, you'll discover how to think visually--transforming the images in your head into documents that communicate effectively on the page.

*Big Hair* Grant McCracken,1995-04-01 From Marilyn, Twiggy & Farrah to Julia Roberts, Princess Di & Linda Evangelista, hair is a subject to be studied, coveted, & copied. In *Big Hair*, the ultimate book about hair -- hair styles, hair color, hair stories & hair history, from beehives to bobs & beyond -- anthropologist McCracken spins a fun, hip cultural tale detailing how modern women use the power of hair to transform their lives. Hair, often dismissed as superficial girl stuff, is, in fact, loaded with a multitude of cultural signifiers. In the universe of hair, blondness is a resource & an opportunity for self-exploration. But brunettes & redheads won't be disappointed because they are also deconstructed. After reading this book, you won't look at hair the same way again. B&W photos.

Radio Flyer Robert Pasin,Carlye Adler,2018-10-30 A visual history of one of childhood's most beloved icons—the Little Red Wagon—told through a rich collection of photos and stories that highlight its unique place in American culture. For generations, the Radio Flyer—the fire engine red wagon with the distinctive white logo emblazoned on its side—has fueled the imaginative adventures of children, transforming them into astronauts on a rocket ship to the moon, racecar drivers in the Indy 500, and pioneers traveling into the badlands of the Wild West. The Radio Flyer is the story of childhood—a story of wondrous journeys often accompanied by someone important: a parent, a sibling, a friend, a pet. Since 1917, the family-owned business Radio Flyer Inc. has created this cherished wagon, building a legacy of high quality, timeless, and innovative toys that spark children's imaginations and inspire active play outdoors. With more than 100 million wagons sold—many of them passed down from generation to generation—Radio Flyers have carried, hauled, and fueled more hours of magical escapades than any other children's ride-on toy in America. This beautifully designed and illustrated keepsake book pays homage to this cultural touchstone as it celebrates its first centenary and embarks on its second. Packed with 250 exclusive full-color and black-and-white illustrations, stories, and original drawings from the Radio Flyer Inc. archives, Radio Flyer chronicles the history of this popular brand for the first time. Radio Flyer's story is America's story—a story of an enterprising Italian immigrant's dream realized, and a testament to the value and strength of family ties. Including a host of tender reminiscences from fans across the country, this touching tribute is a special piece of childhood, and the perfect gift for everyone who's ever loved a Little Red Wagon.
