The next, I'm kidnapped by the man of my dreams. I'm a witness to a murder he committed. It turns out Dante is the leader of the cartel in New York. My life is turned upside down faster than I can blink. His touch is as cruel as it is gentle. The chemistry between us is impossible to deny and always has been. Now that the secret is out, he wants to cross the line and make me his. He won't take no for an answer, and his tastes are anything but vanilla. Will I still want him now I know the darkness that lies within? Her Cartel Daddy is the fourth book in The New York Mafia Doms series by Bianca Cole. Globalization and Its Discontents Joseph E. Stiglitz, 2003-04-17 This powerful, unsettling book gives us a rare glimpse behind the closed doors of global financial institutions by the winner of the 2001 Nobel Prize in Economics. When it was first published, this national bestseller quickly became a touchstone in the globalization debate. Renowned economist and Nobel Prize winner Joseph E. Stiglitz had a ringside seat for most of the major economic events of the last decade, including stints as chairman of the Council of Economic Advisers and chief economist at the World Bank. Particularly concerned with the plight of the developing nations, he became increasingly disillusioned as he saw the International Monetary Fund and other major institutions put the interests of Wall Street and the financial community ahead of the poorer nations. Those seeking to understand why globalization has engendered the hostility of protesters in Seattle and Genoa will find the reasons here. While this book includes no simple formula on how to make globalization work, Stiglitz provides a reform agenda that will provoke debate for years to come. Rarely do we get such an insider's analysis of the major institutions of globalization as in this penetrating book. With a new foreword for this paperback edition.
