Lynn Haller

Creative Business Cards Carmen Fong, Shantell Chen, 2014 Business cards are a statement of identity. Capable of conveying much more than contact information, they represent the creativity or style of a company in a very portable format. As an historical artifact in the digital age, they are constantly in danger of obsolescence and only those that truly stand out are memorable. One way to achieve the note

The Eleventh Trade Alyssa Hollingsworth, 2018-09-18 From debut author Alyssa Hollingsworth comes a story about living with fear, being a friend, and finding a new place to call home. They say you can't get something for nothing, but nothing is all Sami has. When his grandfather's most-prized possession—a traditional Afghan instrument called a rebab—is stolen, Sami resolves to get it back. He finds it at a music store, but it costs \$700, and Sami doesn't have even one penny. What he does have is a keychain that has caught the eye of his classmate. If he trades the keychain for something more valuable, could he keep trading until he has \$700? Sami is about to find out. *The Eleventh Trade* is both a classic middle school story and a story about being a refugee. Alyssa Hollingsworth tackles a big issue with a light touch. 2020 UKLA Award Winner

The Little Book of Business Cards David E. Carter, 2005-04-26 The business card has taken on a new level of importance in recent years. In an age where the business letter has been replaced by email, the personal contact evoked by a business card is more crucial than ever. Your card is often the one item taken away from a meeting, defining how people view your business long after any face-to-face meeting has faded from memory. Whether you're a businessperson trying to develop your own letterhead set or a graphic designer trying to come up with that next great idea, your challenge is to communicate the look and feel of your company in the space your card and letterhead allows. *The Little Book of Business Cards* presents an unparalleled source of inspiration. In these pages, David E. Carter has gathered more than 260 representative examples of effective business cards and matching letterhead sets. Learn how to get the most from your choice of fonts, color, size, layouts, and logos -- and even what to do when you don't have a logo! As an extra bonus feature, David E. Carter provides informative and instructional annotations to the featured business cards -- valuable lessons for you to apply to your own designs. With *The Little Book of Business Cards* in your library, you'll be sure to have a business-building design in no time.

Creating Historical Memory Beverly Boutilier,Alison Prentice,2011-11-01 Canadian women have worked, individually and collectively, at home and abroad, as creators of historical memory. This engaging collection of essays seeks to create an awareness of the contributions made by women to history and the historical profession from 1870 to 1970 in English Canada. *Creating Historical Memory* explores the wide range of careers that women have forged for themselves as writers and preservers of history within, outside, and on the margins of the academy. The authors suggest some of the institutional and intellectual locations from which English Canadian women have worked as historians and attempt to problematize in different ways and to varying degrees, the relationship between women and historical practice.

The Home Edit Clea Shearer,Joanna Teplin,2019-03-19 NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it’s not hard to do—in fact, it’s a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea’s signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don’t need another do-over in six months. When you’re done, you’ll not only know exactly where to find things, but you’ll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there’s nothing like a little ROYGBIV to soothe the soul). Above all, it’s like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

Business Model Generation Alexander Osterwalder,Yves Pigneur,2013-02-01 Business Model Generation is a handbook for visionaries, game changers, and challengers striving to defy outmoded business models and design tomorrow's enterprises. If your organization needs to adapt to harsh new realities, but you don't yet have a strategy that will get you out in front of your competitors, you need Business Model Generation. Co-created by 470 Business Model Canvas practitioners from 45 countries, the book features a beautiful, highly visual, 4-color design that takes powerful strategic ideas and tools, and makes them easy to implement in your organization. It explains the most common Business Model patterns, based on concepts from leading business thinkers, and helps you reinterpret them for your own context. You will learn how to systematically understand, design, and implement a game-changing business model-or analyze and renovate an old one. Along the way, you'll understand at a much deeper level your customers, distribution channels, partners, revenue streams, costs, and your core value proposition. Business Model Generation features practical innovation techniques used today by leading consultants and companies worldwide, including 3M, Ericsson, Capgemini, Deloitte, and others. Designed for doers, it is for those ready to abandon outmoded thinking and embrace new models of value creation: for executives, consultants, entrepreneurs, and leaders of all organizations. If you're ready to change the rules, you belong to the business model generation!
