Great Boards for Small Groups Andy Robinson, 2006 Yours is a good board, but you want it to be better.-You want clearly defined objectives ?-Meetings with more focus ? -Broader participation in fundraising ?-And more follow-through between meetings.You want these and a dozen other tangibles and intangibles that will propel your board from good to great.Say hello to your guide, Andy Robinson, who has a real knack for offering ?forehead-slapping? solutions ? ?Of course! Why haven?t we been doing this??Take what he says about written agreements among board members. ?Any meaningful job description must be reciprocal: it defines what is expected of you, but also what you can expect in return.? Example: ?I accept fiduciary responsibility for the organization and will oversee its financial health and integrity. By the same token, I expect timely, accurate, and complete financial statements to be distributed at least quarterly, one week in advance of the relevant board meeting.?In other words, the board knows what to expect; the staff knows what to do. Each is accountable.Simple, right? So why does the 10-item sample agreement Robinson provides seem so revolutionary? Perhaps because so few people have tried an agreement like this.Then there?s what the author calls the ?Fundraising Menu.? Here, board members are asked to generate a list of all the ways (direct and indirect) they could assist in fundraising. The list is prioritized and then used to help each trustee prepare a personalized fundraising agreement that meets his or her specific needs, interests, and limitations.Again, simple, but it?s the closest thing you?ll find to guaranteeing a board?s commitment to raising money.Toward the end of his book, in a number of ?How to Fix It? chapters, Robinson homes in on specific problems, such as poorly attended meetings, spotty follow-through on commitments, inactive board members, narrow consensus, conflicts of interest, weak agendas, and much more. And Robinson doesn?t offer up easy nostrums. Quite the opposite. Over the past 20 years, as a board member, a volunteer, and a consultant, he?s put into practice what he preaches and stands unshakably behind his fog-burning advice. Great Boards for Small Groups contains 31 brief chapters. In fact the whole book can be read in an hour. Funny thing, though, its impact on those who heed its advice will last for years.

Doing Good Better Edgar Stoesz, 2015-06-09 This trusted handbook for nonprofit board service is newly revised and includes new case studies and even more tips and ideas from the trenches of nonprofit board work. Doing Good Better is approachable wisdom. Edgar Stoesz has made Doing Good Better a guidebook for both board members of nonprofits, whether new to the task, or highly experienced. First, Stoesz identifies two failings common to many boards of nonprofit organizations that are often overlooked: 1. A board's governance role is very different from the role of management. "Making this distinction requires a reorientation for most board member, because in their day jobs, they are managers or employees." 2. Boards often fail at two matters: a.) preparation of their members, and b.) regular evaluations of their own effectiveness and focus. In short, pointedly-written chapters, Stoesz covers: Helping Directors Understand Their Governance Role A Plan to Fulfill the Purpose Reporting Back to the Members Planning Effective Meetings Great Boards Have a Good Fight (occasionally) Working Your Way Through a Crisis Great Boards Celebrate Leaving Right Stoesz deftly interweaves

background philosophy, vision, and razor-sharp specific ideas. Discussion/Action Questions” conclude many of the chapters. In addition, Stoesz offers a “Board Evaluation Form,” a “Director’s Self-Evaluation Form,” and an outline for the “Executive Director Annual Review.”
