**The Scribe Method** Tucker Max,Zach Obront,2021-04-15 Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's Can't Hurt Me, Tiffany Haddish's The Last Black Unicorn, and Joey Coleman's Never Lose a Customer Again. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, The Scribe Method is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.

**Edupreneur: How To Monetise Your Expertise and Profitably Educate Your Market** Sarah Cordiner,2017-09 Education is the new currency.Regardless of what business or industry you are in; if you wish to sell what you have to others, your commercial survival depends on you becoming the EDUPRENEUR.Consumers are tired of sales pitches and promises, and instead are seeking information and knowledge. By giving it to them you get to demonstrate your capability and expertise as much as they get to experience it - making you choice number 1 for their needs.Edupreneurs strategically share their expertise in a way that provides unprecedented global reach, immeasurable impact on the lives of others, and unlimited income potential.Every single person on Earth has an abundant and unique set of skills, experiences, and knowledge that could be turned into commercially profitable products and services.In this book, Sarah Cordiner will take you through the fundamentals of monetising your expertise and profitably sharing what you know with the world.Whether you are an absolute beginner in creating and selling information and education-based products and services, or are up-leveling to a serious

education-based business operation; this book will help you get there. Inside this book: How to commercialise your skills, knowledge, and expertise and start profiting from what is already in your head. How to create your own unique 'funnel of service', so that you no longer need to 'sell', and instead have your customers coming eagerly to you for your advice and expertise. A deep dive into the 10 stages of designing and building a highly successful information or education-based business so that you maximise your impact and income. How to price your informational and educational products and services; including courses, consulting, workshops and more. Where and how to sell your educational products for maximum exposure and sales - particularly online courses. The critical elements of an online education based business. What online tools, apps and products you need and how they all fit together for maximum profitability, scalability, and automation. How to use your expertise to become a well-known leader in your industry.

Make Your Mess Your Memoir Anna David, 2020-06 These days, there's no better business tool than a book. But most people don't know how to write one-or even where to start. Turns out the best place is the messy middle. Anna David knows this more than anyone. When the New York Times bestselling author of seven books got sober and sold a book about her recovery to the biggest publisher in the world, she thought she'd made it. Then she learned the hard way that trying to make a living by selling books to traditional publishers was a cruel joke-and that accepting the unacceptable was no way to live. The publishing industry was ripe for disrupting. But first David had to make a mess and then learn from it. After years of struggle and self-discovery, she ended up not only mentoring and publishing hundreds of bestselling authors but also thriving personally and professionally. Now she's sharing what she's learned-and showing others how to do the same. In this page-turning and useful memoir-meets-manual, David reveals her personal lows (doing cocaine by herself while contemplating suicide), her career lows (a past-his-prime celebrity hurling a phone at her as she wrote his biography) and how her life today wouldn't be possible without those experiences. With deft humor and unique insight, David demonstrates how much early childhood programming can set us up to repeat our own dysfunctional patterns-until we're ready to shift our behavior. The last quarter of the book is a practical guide so that readers can make their own mess into a message-and memoir.

**Sam & Eva** Debbie Ridpath Ohi, 2017-10-17 Harold and the Purple Crayon meets Tom and Jerry in this sweet and funny picture book about a boy and girl who must balance their creativity and figure out how to cooperate after their drawings come to life. When Sam starts drawing a super cool velociraptor, Eva decides to join in. But Sam isn't too happy about the collaboration. Soon Eva and Sam are locked in an epic creative clash, bringing to life everything from superhero marmots to exploding confetti. But when their masterpieces turn to mayhem, will Sam stay stubbornly solo or will he realize that sometimes the best work comes from teamwork?

*Sea Monkey & Bob* Aaron Reynolds, 2017-04-25 Two delightfully anxious friends learn that they can overcome anything—even gravity—in this humorous and heartwarming picture book from bestselling author Aaron Reynolds and

illustrator Debbie Ridpath Ohi. Bob the puffer fish and his best buddy Sea Monkey may be little but they've got one ocean-sized problem. Sea Monkey's terrified he'll sink straight to the bottom of the ocean. After all, he's heavy, and all heavy things sink, right? Bob on the other hand is worried that his puffed up frame will float up above the surface. He's light, and all light things float! How will they stay together when the forces of gravity are literally trying to pull them apart? By holding hands, of course! Sea Monkey and Bob learn that sometimes the only way to overcome your fears is to just keep holding on...

**Where Are My Books?** Debbie Ridpath Ohi, 2015-05-12 Spencer loves books and reads one every night, sometimes aloud, then puts the book back in its place, but one morning his favorite book is missing, and the next day another, with each being replaced by a different object. Simultaneous eBook.

*Inbound Content* Justin Champion, 2018-04-24 Develop and implement an effective content strategy tailored to your business's needs *Inbound Content* is a step-by-step manual for attracting the right people, turning them into leads, and closing them into customers. Today, everyone knows that content is king. It's how we engage, how we inform, and how we pass the time; content is everywhere, and if you're not leveraging its power to promote your business, you've already been left behind. Having a website and social media is not enough; if you truly want to take advantage of unprecedented levels of connectedness, you have to create content that draws customers in. It's not about blindly expanding reach, it's about reaching out to the right audience. Today's marketplace is no longer about chasing the sale—with the right approach to content, your customers will come to you. Your content must be valuable, relevant, and consistent—but how should it be implemented at the actual content-creation level? This book shows you how to develop a unified strategy, create compelling content tailored to your needs, and utilize that content to its greatest advantage in order to build your brand. Discover the power of storytelling and generate effective content ideas Plan a long-term content strategy and a content creation framework Create great content, promote it, measure it, and analyze its performance Extend your content's value, become a more effective writer, and develop a growth mentality Effective content is worth its weight in marketing gold. It stands out from the noise, and to the customer, looks like an oasis in a desert of clickbait and paid reviews. *Inbound Content* shows you how to plan, build, and implement your content strategy for unprecedented engagement and sales.

*The Plot Dot* Derek Murphy, 2016-04-13 An Adult Coloring Book for Authors! This book will help you paint powerful visual scenes that stick with readers long after they're finished your book. The techniques described within are simple and easy to use. Think of this as a guided coloring book adventure. YOUR adventure. There are lots of systems and guides to plotting, but if you're like me you have journals filled with notes, scenes and description... it can get overwhelming. I've based this book on traditional three-act story architecture, but it's greatly simplified. Plotters and pantsers can use the guided exercises to gain greater visual clarity and build more meaningful scenes with resonance. This book will help you get organized and unlock hidden potential in your scenes that you didn't know was there, by going beyond words and focusing on drawing and coloring

your scenes until you have a full outline. This book makes an excellent workbook for writing retreats, is simple enough for children to use (it's never too early to write your first novel), and introduces a new, and hopefully useful, way to organize your novel, improve your writing, and create unforgettable scenes that will make a deep and lasting impact.

*Self-Publishing Made Simple* April Cox, 2021-09-15

**The Book Proposal Book** Laura Portwood-Stacer, 2021-07-13 A step-by-step guide to crafting a compelling scholarly book proposal—and seeing your book through to successful publication The scholarly book proposal may be academia's most mysterious genre. You have to write one to get published, but most scholars receive no training on how to do so—and you may have never even seen a proposal before you're expected to produce your own. The Book Proposal Book cuts through the mystery and guides prospective authors step by step through the process of crafting a compelling proposal and pitching it to university presses and other academic publishers. Laura Portwood-Stacer, an experienced developmental editor and publishing consultant for academic authors, shows how to select the right presses to target, identify audiences and competing titles, and write a project description that will grab the attention of editors—breaking the entire process into discrete, manageable tasks. The book features over fifty time-tested tips to make your proposal stand out; sample prospectuses, a letter of inquiry, and a response to reader reports from real authors; optional worksheets and checklists; answers to dozens of the most common questions about the scholarly publishing process; and much, much more. Whether you're hoping to publish your first book or you're a seasoned author with an unfinished proposal languishing on your hard drive, The Book Proposal Book provides honest, empathetic, and invaluable advice on how to overcome common sticking points and get your book published. It also shows why, far from being merely a hurdle to clear, a well-conceived proposal can help lead to an outstanding book.

**Gurple and Preen** Linda Sue Park, 2020-08-25 This wildly imaginative, crayon-inspired picture book shows that with a bit of teamwork and a universe of creativity, anything is possible! Buzz! Zap! CRASH! Gurple and Preen are in a big mess! When they crash-land onto an unfamiliar planet with nothing but boxes of crayons, they must work together to get the mission back on course. From Newbery Award-winning author Linda Sue Park and illustrator Debbie Ridpath Ohi comes a story about all the best things that can come out of a box of crayons.

**A Fine, Fine School** Sharon Creech, 2003-12-23 One day, Mr. Keene called all the students and teachers together and said, This is a fine, fine school! From now on, let's have school on Saturdays too. And then there was more. School all weekend. School on the holidays. School in the SUMMER! What was next . . . SCHOOL AT NIGHT? So it's up to Tillie to show her well-intentioned principal, Mr. Keene, that even though his fine, fine school is a wonderful place, it's not fine, fine to be there all the time.

*The Writing Revolution* Judith C. Hochman, Natalie Wexler, 2017-08-07 Why you need a writing revolution in your

classroom and how to lead it The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, The Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

*I'm Bored* Michael Ian Black, 2012-09-04 When a bored girl meets a potato who finds children tedious, she tries to prove him wrong by demonstrating all of the things they can do, from turning cartwheels to using their imaginations. Full color.

Romancing the Beat Gwen Hayes, 2016 What makes a romance novel a romance? How do you write a kissing book? Writing a well-structured romance isn't the same as writing any other genre-something the popular novel and screenwriting guides don't address. The romance arc is made up of its own story beats, and the external plot and theme need to be braided to the romance arc-not the other way around. Told in conversational (and often irreverent) prose, *Romancing the Beat* can be read like you are sitting down to coffee with romance editor and author Gwen Hayes while she explains story structure. The way she does with her clients. Some of whom are regular inhabitants of the New York Times and USA Today bestseller lists. *Romancing the Beat* is a recipe, not a rigid system. The beats don't care if you plot or outline before you write, or if you pants your way through the drafts and do a beat check when you're revising. Pantsers and plotters are both welcome. So sit down, grab a cuppa, and let's talk about kissing books.

**Book Marketing Is Dead** Derek Murphy, 2013-12-31 How to sell a ton of books (even if you're starting with no platform). If you've found this book I'm assuming you have or will soon have a book out on the market, and are exploring ways to turn it into a best-selling powerhouse that will slaughter the competition and pay for your retirement. The indie publishing world is thrilling because of the possible returns, and I hope you and your book do well. You're probably searching for things like book marketing and book promotion so you can learn how to find readers and convince them to buy your book. But almost everything you read will be wrong. That's because marketing in general is dead. Advertising is dead. Selling and convincing people to buy: also dead. The new law of book sales is this: if you're talking about your book, promoting your book, sharing your book... you're screwing it all up. Don't make Old School marketing mistakes that will sabotage your

efforts! This book will help you to... Avoid the common mistakes that kill book sales Set up an author platform quickly that will triple your results Use Social Media (like an expert) without being annoying Advertise for maximum impact (at the lowest cost) Make powerful friends online who can move thousands of books Before you spend a lot of money on book marketing services or author publicity... Make sure you've plugged all the holes in your sales funnel so you're not throwing money away. If you're looking for a Bestseller Campaign but don't have a big budget... This book will show you plenty of ways to improve sales without spending a dime.

Book Design Made Simple Fiona Raven,Glenna Collett,2017 Book Design Made Simple gives DIY authors, small presses, and graphic designers--novices and experts alike--the power to design their own books. It's the first comprehensive book of its kind, explaining every step from installing Adobe(R) InDesign(R) right through to sending the files to press. For those who want to design their own books but have little idea how to proceed, Book Design Made Simple is a semester of book design instruction plus a publishing class rolled into one. Let two experts guide you through the process with easy step-by-step instructions, resulting in a professional-looking top-quality book

Who Needs Pants? Michael Ian Black,2014-05-08 Being naked is great. Running around, sliding down the stairs, eating cookies... The only thing better than naked? Caped! Being caped is awesome. Flying through the air, fighting evil doers. But eating cookies mostly naked (but also caped)...that is exhausting. Join a little boy on his hilarious run around the house...in the buff!

**How to Write a Novel Using the Snowflake Method** Randy Ingermanson,2014-07-18 The Snowflake Method-ten battle-tested steps that jump-start your creativity and help you quickly map out your story.
