The Little Book of Gratitude Dr Robert A Emmons PhD,2024-08-15 Gratitude is, first and foremost, a way of seeing that alters our gaze. Gratitude is the simple, scientifically proven way to increase happiness and encourage greater joy, love, peace, and optimism into our lives. It's not just good medicine though, a nice sentiment, a warm fuzzy feeling, or a strategy or tactic for being happier or healthier. It is also the truest approach to life. We did not create or fashion ourselves, and we did not get to where we are in life by ourselves. Living gratefully begins with affirming the good and recognizing its sources. It is the understanding that life owes you nothing and all the good you have is a gift, accompanied by an awareness that nothing can be taken for granted. Featuring beautiful illustrations and simple exercises, this is the perfect little book to help you: - Practice gratitude - Improve your health and wellbeing - Enhance your relationships - Encourage healthy sleep - Heighten feelings of connectedness

Guyku Bob Raczka,2010-10-04 The wind and I play tug-of-war with my new kite. The wind is winning. When you're a guy, nature is one big playground—no matter what the season. There are puddles to splash in the spring, pine trees to climb in the summer, maple seeds to catch in the fall, and icicles to swordfight with in the winter. Nature also has a way of making a guy appreciate important stuff—like how many rocks it takes to dam up a stream, or how much snow equals a day off from school. So what kind of poetry best captures these special moments, at a length that lets guys get right back to tree-climbing and kite-flying? Why, guyku, of course!

Idaho Notary Public Handbook Idaho Secretary of State,2019-04-06 Everybody knows what a notary public does, right? Actually, there is much misunderstanding and confusion about what the proper role and duty of a notary is. A notary public does not legalize documents, or verify the accuracy or truthfulness of the content or statements made in a document, and yet the role that a notary plays in ascertaining the identity of the person who signs a document, placing that person under oath, if required, and determining the signer's intent and willingness to consent to the transaction is vital in modern society. A notary public is a public official commissioned by the Secretary of State to administer oaths and affirmations, take acknowledgments, witness signatures, and perform other duties as permitted by state law. A notary should be familiar with the Idaho notary laws and to follow the standards of reasonable care for performing a notarial act.
