Susan Eva Eckstein,Adil Najam

Heaven Wins Don Richardson,2013-11-26 Who Will Be Saved? Who Will Be Lost? The past few years have seen the release of several high-profile books, including Love Wins (Rob Bell) and God Wins (Mark Galli), that attempt to clarify what the Bible teaches about the ultimate destiny of individuals after this life. Don Richardson believes the arguments posed by these authors do not account for all the biblical evidence. In Heaven Wins, the best-selling author of Peace Child and Eternity in Their Hearts offers a faith-enhancing, scripturally grounded perspective that changes everything. Are a majority of people destined for hell, as many Christians assume, or will heaven harvest the greater part of mankind? Could it be that the good news is even better and more expansive than we have dared to hope? The answer may surprise you.

Church Building and Society in the Later Middle Ages Gabriel Byng,2017-12-14 The construction of a church was undoubtedly one of the most demanding events to take place in the life of a medieval parish. It required a huge outlay of time, money and labour, and often a new organisational structure to oversee design and management. Who took control and who provided the financing was deeply shaped by local patterns in wealth, authority and institutional development - from small villages with little formal government to settlements with highly unequal populations. This all took place during a period of great economic and social change as communities managed the impact of the Black Death, the end of serfdom and the slump of the mid-fifteenth century. This original and authoritative study provides an account of how economic change, local politics and architecture combined in late-medieval England. It will be of interest to researchers of medieval, socio-economic and art history.

How Immigrants Impact Their Homelands Susan Eva Eckstein,Adil Najam,2013-04-05 How Immigrants Impact Their

Homelands examines the range of economic, social, and cultural impacts immigrants have had, both knowingly and unknowingly, in their home countries. The book opens with overviews of the ways migrants become agents of homeland development. The essays that follow focus on the varied impacts immigrants have had in China, India, Cuba, Mexico, the Philippines, Mozambique, and Turkey. One contributor examines the role Indians who worked in Silicon Valley played in shaping the structure, successes, and continued evolution of India's IT industry. Another traces how Salvadoran immigrants extend U.S. gangs and their brutal violence to El Salvador and neighboring countries. The tragic situation in Mozambique of economically desperate émigrés who travel to South Africa to work, contract HIV while there, and infect their wives upon their return is the subject of another essay. Taken together, the essays show the multiple ways countries are affected by immigration. Understanding these effects will provide a foundation for future policy reforms in ways that will strengthen the positive and minimize the negative effects of the current mobile world. Contributors. Victor Agadjanian, Boaventura Cau, José Miguel Cruz, Susan Eva Eckstein, Kyle Eischen, David Scott FitzGerald, Natasha Iskander, Riva Kastoryano, Cecilia Menjívar, Adil Najam, Rhacel Salazar Parreñas, Alejandro Portes, Min Ye

Beyond Suspicion Paul G. Doerksen, 2010-01-01 The modern era includes a two-fold tradition of radical suspicion--the suspicion that politicians corrupt morality, and that politics is corrupted by theology. However, such a view has been challenged in recent theological thought which seeks to move beyond such suspicion to recover a constructive role for political theology. By pursuing a critical comparison of the political theologies of John Howard Yoder and Oliver O'Donovan, The present work shows how post-Christendom Protestant political theology has attempted to move beyond suspicion without putting forward some hidden attempt to reassert a contemporary version of Christendom. O'Donovan's political theology, written from within the British Anglican tradition, is a bold project in which he attempts to push back the horizons of commonplace secularist politics and open it up theologically, a move that he believes will offer crucial resources for thinking about justice and the common good. A related response is presented by Yoder, who, as an American Mennonite, represents Anabaptism. From this more marginal ecclesial location, Yoder's thought stands both as a challenge to regnant liberal notions of the relation of church and state, and as an important interlocutor for O'Donovan's political theology. Yoder argues that political theology entails a particular kind of focus on the church, where the very shape of the church in the world is a public witness for the world, and not first of all a withdrawal from the world. The critical comparison brings to view areas of significant convergence and divergence in understandings of the Hebrew Scriptures as well as the New Testament. O'Donovan and Yoder's respective interpretations of Christendom are also fundamentally divergent, as are their views on the legitimacy of the use of force by government, clearly seen in O'Donovan's support of Just War Tradition and Yoder's promotion of Messianic Pacifism.

The Original Templates Jones K. Kasonso Ph.D., 2017-06-30 Fresh from a near-death experience in the hospitals of Washington, DC, Dr. Kasonso explains the essence of life in our world today, including timeless principles, inspirational stories, and a personal witness of what holds life together. Human existence is a quest to find significance. We all want our lives, our activities, our situations, and the people around us to make sense. But in our broken world, life is always juxtaposed by endless predicaments. As such, we all live through unresolved dilemmas, we all carry around unanswered questions, and we all live through unexplained events. There are always two sides to every life story what we know and we do not know, what we can reach for and what is completely beyond us, what we can live with and what we can live without. Relive the principles that make life worth living, and discover a way to find meaning in a broken world in *The Original Templates*. Dr. Kasonso beautifully captures the essence of what it means to live a life that is fully surrendered to Jesus. It is inspiring. It is encouraging. It is challenging. Read it slowly and let it shape your heart and mind in the way of Jesus. - Insoo Kim, Coauthor of *Both-And: Living the Christ-Centered Life in an Either-Or World* and Church Planter of Life Church Vancouver, BC, Canada. *The Original Templates* is a must read book for everyone who is seeking his life to be reignited with passion for the Lord and His mission. Its not just like any other book filled with words but something that is calling us back to original Christianity and be the answer to this broken world. Dr. Kasonso is an ordinary Christian with an extraordinary faith in Lord and a great inspiration to my personal walk with the Lord. - Rev Damas Kamfwa, National Director: Association of Vineyard Churches, Zambia. Dr. Kasonso, has written a book that is refreshing to the eyes which are also the windows to the soul. Kasonso takes his audience on a beautiful journey of ingenuity and along the journey, it is clear that his book lives up to its title. Get this book, it is a must read! - Michael Badriaki, Author of *When Helping Works: Alleviating Fear and Pain in Global Missions*.
