Web-Empower Your Church Mark Stephenson, 2010-09-01 A great church website is more about ministry than technology. Web-Empower Your Church offers step-by-step guidance to web implementers and other church leaders who are on the exciting journey to building an effective web ministry. Mark's engaging, conversational style makes technology accessible. He offers first-hand advice on every aspect of building an internet ministry: from assembling a team to designing and maintaining the website to adding powerful ministry features. A first-hand account from one of the true pioneers of online ministry. Anyone interested in online ministry ought to read this book and learn from Mark's example. Andrew Careaga Author, eMinistry: Connecting with the Net Generation A clear picture on the do's and don'ts of web ministry for churches. A must read for churches who want to effectively engage in web ministry. Walt Wilson Founder and Chairman, Global Media Outreach, a ministry of Campus Crusade for Christ Stephenson has truly unleashed the power of internet ministry for your church. If you're looking for a readable and educating book on web-empowered ministry, look no further. This book is it. I can't believe how much I learned from my first reading. I will be returning to the book over and over. Bill Easum President, Easum, Bandy & Associates Mark Stephenson is Director of CyberMinistry and Technology of Ginghamburg Church, Tipp City, Ohio. He started the Ginghamburg CyberMinistry back in 1996 as an unpaid servant. Over the years, as the ministry grew, Mark joined the Ginghamburg staff, first part time and then full time. Currently, Ginghamburg Church has one of the largest and most innovative church internet ministries in the world, and the ministry remains unpaid-servant based and "home grown" (no outside companies or consultants have been hired). The website has received national acclaim -- from write-ups in the Wall Street Journal to the Dallas Morning News to Christian Computing Magazine, and television stories by WBNS Channel 10 in Columbus, Ohio and on Fox News. Visionary leaders like Bill Easum and Len Sweet champion it as a must-see website. Mark, the "Church CyberGuy," is also a well-known speaker on CyberMinistry as he conducts presentations and workshops around North America for such organizations as Leadership Network, United Methodist Communications, North American Christian Convention, Brethren in Christ Church of North America, and Miami University of Ohio. Mark has provided consulting support to numerous churches from around the world to help them develop their web ministries. His passion for helping churches led him to start and lead the Web-Empowered Church, a ministry of The Foundation for Evangelism, to develop free web-ministry software for churches and ministries

worldwide.

Church Websites Chris Cree,2020-03-01 Church leaders today are far too busy to waste precious time and money on ineffective websites and fruitless online activity. Church Websites is a book for those ministers which explains how things work in the online world in simple language. This book explains the why behind the various online activities so ministers can focus their resources on the right things for maximum effectiveness. It doesn't matter that you are doing things right if you aren't doing the right things. Once you know the right things to do, figuring out how to do those things right is much easier. Church Websites will help you know the right things. The tools change. But the principles stay consistent. Specific techniques come and go. But the general strategies that work are still the same as they have always been. When it comes to building an audience online, the same overarching principles are true now that were true when I wrote my first blog post back in 2005. This book lays out a proven strategy for your church or ministry to reach more people online through both your website and social media based on my first-hand experience working with a wide variety of clients for more than a decade. My first freelance client was a parachurch ministry. Over the years I've worked with everything from small churches up through large corporate clients and major universities. Not only do these concepts work for all of those types of organizations, but they are also exactly how we continue to reach more people with our own international ministry. Church Websites will help you be more successful by showing you the important stuff to focus on so you don't waste a lot of time.

Church Marketing Manual for the Digital Age Bryan Foster,2020-06-30 GOD is Jesus & Mahomad. God revealed to the author that now is the time to share and help explain this Revelation. It was initially revealed to author, Bryan Foster, in the early morning on 28th, May 2016 while camping on the plains of Mt Warning in Murwillumbah. This is the fifth book published in the 'GOD Today' Series. It highlights three Revelations from God that you will love or hate. Key concepts covered in this book's series of articles are: God/Allah is Jesus & Mahomad; the Truth was revealed by God through 21 Revelations received by the author in 2016 and November, 2018; the various Revelations not explained in the first four books are explained now; the prophecy of the author and Tears from God help prove the Incarnations of God as Jesus and Mahomad. God needs the religious leaders, scriptural scholars, theologians, etc., from both Islam and Christianity to explain these Revelations as each applies to them. Other religions should also be included through the offer to become an integral part of God's place in today's world by helping with the explanations, and the theology of One God only, the same God, for all time etc.. Book 4, primarily a photobook companion for Book 3, helps the reader appreciate the Truth from God through some spectacular and original images of the sun's rays, flares, clouds and a double rainbow. Many manifesting as sun arrows, flares and a giant Easter Cross. The author believes that these are shared by God to help both the author and readers alike

believe in their accuracy, through the Revelations, images and explanations. The final two books in this Series of seven are about LOVE in our world and ABSOLUTE LOVE from God for each one of us throughout history and into the future until the end of time. GOD LOVES each of us equally and encourages us all to live a life in strong relationships with God and our neighbours throughout the world past, present and future.

Building Strong Congregations Bruce Wrenn, Philip Kotler, Norman Shawchuck, 2010 You probably have a fairly good idea of what it took to construct the building in which your congregation meets. First, there was a recognized need for a building, followed by a budget, blueprints, fund-raising, construction workers, and building materials, and voil! The structure proudly stands as a monument to the effective implementation of a well-thought-out plan.
