*How to Start, Run and Grow a Successful Residential and Commercial Cleaning Business* Maria Carmen, 2016-11-04

How to Start, Run and Grow a Successful Residential & Commercial Cleaning Business Hello, my name is Maria Carmen, and I have something important to tell you. I know you've probably heard these types of success stories before and are a little skeptical, but I'm telling you this is true and can really happen for you. Ten years ago, after my divorce, I needed to find a way to support myself. I was one of those individuals that never went to college or had a trade skill, so there weren't a lot of job choices for me. What was I to do? I started looking into entry-level jobs that didn't require specialized training or skills. Unfortunately, I wasn't keen on the idea of working at a fast-food restaurant for minimum wage with limited potential for advancement or better pay. Then, I learned about house cleaning from a friend of mine. She used house cleaning as a way to supplement their family income. However, I realized the potential to grow this into something more. So I started taking on a few residential cleaning jobs, getting my name out there, and increasing my client list. I took the time to do some research and found a way to offer some specialized services that got me paid a little extra. Before I knew it, my client list was growing beyond what I could do by myself. So I started hiring employees. Then, I realized the importance of branching out and started to take on commercial contracts. Commercial cleaning turned out to be even more beneficial to my income than residential cleaning. Not only was I able to support myself with this work, but I was able to grow and thrive. Today, I have a company of my own with 22 employees. We take on both residential and commercial cleaning contracts. My income has grown to over \$250,000 a year now. I never dreamed a simple job to help pay the bills would grow into this, but it has. It takes a little bit of work, but the benefits are there to be had if you know what to do. I'm here to tell you what you need to do so you can have success, just like I did.

**Cleanlots** BRIAN. WINCH,2018-08-03 Cleanlots has been described as America's Simplest Business and almost as simple as a walk in the park. Entrepreneur magazine said parking lot litter cleanup is a simple, inexpensive and potentially lucrative business to get into, and the market is growing. The Cleanlots book is an operations manual on how to start and operate a parking lot litter cleanup business. Each book purchase includes FREE email and telephone support from the author. Since 1981, author Brian Winch has made a six-figure annual income cleaning up litter from parking lots, and he'll teach you to do the same. It's an excellent way to take control over your life and income; you can start this business with very little money, without a college education or advanced computer skills. It's an ideal business for anyone who likes to work outside, who's responsible and can pay attention to detail. You can also operate this business part-time, as a side hustle until you're ready to go full-time.

again!Kevin Wyrick, Prestige Janitorial, TexasSam , I wanted to take this opportunity to personally thank you. Your book is absolutely awesome. I was very skeptical at first, so much that it took almost two years to order your E-book. You may remember me, because I sent you an email asking you if this was for real. You replied right away, assuring me that the information in your book was very good. Well, to make a long story short I ordered it 4 months ago and loved it. I recommend it to anyone starting out. I love this book and still go back to it from time to time. I owe my business to all the information I've obtained from it. I already have 4 customers and others in the works. Please add this in your testimonials, I'm sure your book will help many as it has helped me. P.S. ( thanks to you and your staff for answering my questions and quick response to my emails)Esther Dilbert, MichiganProtocol CleaningHello Sam, I like to to thank you for your Instant Office Cleaning Kit. It works real well, and just in two days from putting it to work it has given me an office contract of \$400.00 dollars. I am really motivated and looking forward to better my self with the help of your Kits. Most Sincerely, Albert Gonzales, Florida Easy Commercial Janitorial & Maintenance

Gao Village Revisited Mobo C F Gao,2019-01-30 The personal stories of the Gao villagers demonstrate and are related to changes in China. This is a close study of Gao Village twenty years after the author, an anthropologist and native of Gao village, wrote his original ethnography Gao Village. It combines ethnographic analysis, personal vignettes, and a number of fascinating stories, which presents a convincing yet complex picture of how Gao villagers interact with the outside world. With his sympathetic and insider's approach, the author argues that rural Chinese display great entrepreneurship and inner strength of selfimprovement; they are active contributors to China's economic boom.

How to Start Your Own House Cleaning Company Angela Brown,2016-03-09 Start a house cleaning business with this step-by-step guide and be up and running in one week. Back in the olden days before the internet was really popular and you could Google search anything, there was trial and error. If you wanted to start a house cleaning business from scratch you could, but it was rarely an overnight success for anybody. Big success was tossed to the cleaning service franchisees who could afford the fancy training, and well-built brands, while the mom and pop cleaning services were left to figure it out on their own. Good news - times have changed. As an independent house cleaner, you no longer have to wade through endless Pinterest boards for tips and ideas on how to start a house cleaning business. Angela Brown built from scratch one of the most successful independently owned and operated house cleaning companies in the Southeastern United States. If you are serious about success in the cleaning service industry, you should sign up for her free tips, tricks and time saving hacks by joining the Savvy Cleaner email list at: [savvycleaner.com/tips](mailto:savvycleaner.com/tips) and you follow her blog at: [AskaHouseCleaner.com](http://AskaHouseCleaner.com) She has

trained a multitude of independent house cleaners how to take their business from day one through expansion and enormous growth. In this step-by-step guide she'll show you: How to set up your home office What office supplies you are going to need Ideas for your company logo How to choose your company name How to choose a uniform Tips on creating your company image and brand How to set your rules and policies How to choose a territory Everything you need to know about creating flyers, worksheets and why you need them. How to bid jobs, what to charge, What kind of car you need, Confidence builders & how to build instant credentials, Bonding, insurance The magic of the Mulligan, How to get an endless stream of referrals, how much you should pay for referral fees, How to never have any billing and collections, and how to always get paid and on time. (There is a reason they call Angela Brown The House Cleaning Guru.) If you're here because you have an interest in house cleaning or in upgrading your life and you want to start a house cleaning business, welcome. House cleaning business is a 49 billion dollar a year industry that is nearly recession proof - when times get hard, people work more hours to pay the bills, they have less time at home to clean, so they outsource their cleaning - which means more business for you and me. Another awesome reason to start a house cleaning business is this: unlike a regular 9 to 5 job if you get fired, you're not out of work. You simply add another customer into your new available time slot and keep going. And you will learn here how to do such an amazing job, that you will never get fired, and your clients will never want you to leave. Franchise or Start a house cleaning business? (FREE BONUS DOWNLOAD: [savvycleaner.com/franchise](http://savvycleaner.com/franchise) So should you buy into an existing franchise like Molly Maid, MerryMaids, The Cleaning Authority, Maid Brigade, Maid Pro, Sears MaidServices, The Maids, Two Maids & A Mop, You've Got Maids, MaidSimple, Cleantastic, Home Cleaning Services of America, Jani-King, MopFrog, Jan Pro, Maid to Perfection, or many of the others on the market? Or should you start your own house cleaning company from scratch? There are pros and cons to both. If you are not sure of the differences, you can download a free comparison chart at [savvycleaner.com/franchise](http://savvycleaner.com/franchise) For the sake of this book we are going to assume you are going to start your own.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk

someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

The Vile Practices of Church Leadership Nate Berneking, 2017-05-02 Many pastors—just like the rest of the population--lack a basic understanding of financial and administrative matters. Most of us feel unprepared in matters of personal budgeting, health insurance, retirement savings and taxes. Finance and administration are often considered tedious, un-compelling, even ‘vile’ tasks. But pastors are required to offer leadership around these issues in a congregation. And so, since their pastors are poorly equipped in this area, many congregations struggle with budgeting, accounting, staff management, employee benefits, tax and basic legal matters. Author Nate Berneking, attorney and MDiv., manages the finance and administration of a large denominational organization, and offers his expert counsel and practical advice here. Vile Practices provides theological language to equip pastors and other leaders to translate these matters for themselves, so that they can effectively lead their congregations. The first part of the book explores several personal matters for pastors, from budgeting to taxes. The second part demonstrates how to lead congregations in their own financial and administrative matters.

**The Gentle Art of Swedish Death Cleaning** Margareta Magnusson, 2018-01-02 \*The basis for the wonderfully funny and moving TV series developed by Amy Poehler and Scout Productions\* A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called döstädning, dö meaning “death” and städning meaning “cleaning.” This surprising and invigorating process of clearing

out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

**Nordic best practices** Hillgrén, Anna, Bröckl, Marika, Halonen, Mikko, 2016-02-29 The working group on Sustainable Consumption and Production, under the Nordic Council of Ministers requested consultants from Gaia to identify, write out and publish best practice cases of sustainable consumption and production on the UNEP SCP Clearinghouse. This report presents nineteen initiatives that cover two particular themes: 1) Sustainable Lifestyles and Education and 2) Sustainable Public Procurement. The cases have also been added into the UNEP's 10 Year Framework Program (10YFP) information platform, the SCP Clearinghouse which is a concrete result of Rio+20. The objective is to enhance international cooperation in order to accelerate a shift towards sustainable consumption and production in developed and developing countries. The SCP Clearinghouse is a web-based information sharing tool, which can be used by different actors as an inspiration for advancing SCP worldwide.
