Shariah Investment Agreement Syed Adam Alhabshi, Abbas Mirakhor, Haji Mohd. Na'im Haji Mokhtar, Syed Othman Alhabshi, 2021-02-08 Risk-sharing investment is currently the buzz word in Islamic finance. However, there is an incongruence in applying multilayered and opaque Tijarah contracts for investment purposes. This has contributed to the divergence between Shariah and Common Law and caused tremendous problems and systemic legal risks to Islamic finance. The authors of *Shariah Investment Agreement* introduce a legal tool in the form of a Shariah Investment Agreement carefully drafted to ensure that it is Shariah-compliant and can be applied in Common Law jurisdictions as well, so as to allow for the execution of risk-sharing investment in Islamic finance. It details the building blocks and key considerations that must be noted when drafting such agreements so the investor and investee will know what to expect when entering into such a contract. Proper implementation of the Shariah Investment Agreement will pave a clear route to a harmonious convergence between Shariah and Common Law and lead to Islamic finance developing further to become a stronger, unstoppable force in the finance industry.

Business Partnership Essentials, 2017-12-18 Business partnerships are vital to the US economy yet their failure rate is alarming: 70% of them don't make it. Dr. Lehari is leading the charge to reverse this statistic. As a business partnership relationship coach, she intimately knows the impact that these partnerships have on cofounders, employees, customers, families, local communities, and global markets. *Business Partnership Essentials* walks you through every phase of the process—from choosing the right partner and operating your business on a daily basis, all the way through to exit and planning for the unexpected. This book is not a book on business startups and so it does not address the finances of starting up a partnership, but rather, it focuses on agreeing on all aspects of your relationship with your business partner. Following Lehari's guidance will ensure that you've done everything you can to help your partnership succeed.

Legal, Tax and Accounting Strategies for the Canadian Real Estate Investor Steven Cohen, George Dube, 2010-10-12 *Legal, Tax and Accounting Strategies for the Canadian Real Estate Investor* begins and ends with the premise that buying property in Canada can be a smart, safe and successful way to invest your money. estate disposition. You can change your bookkeeping system to better meet your needs and those of your accountant. **Who Are We?** This book was written by two individuals whose collective experience in helping Canadians make wise property investment decisions spans several decades. Steve Cohen is a securities lawyer with a great deal of experience in the real estate sector.
