StatNote Gerardo Guerra Bonilla MD,2019-07-31 As a primary care physician, you know that completing clinic notes while you're treating many patients is time-consuming and challenging. That's why StatNote, a library of more than 1,000 medical templates, was created for you. It reduces busy work and enables you to focus on the most important part of the office visit: your patient. StatNote's dot phrases help you: - Efficiently document office visits and common procedures. - Write patient messages in English and Spanish to communicate lab and imaging results. - Easily retrieve common evaluation and management (E&M) and current procedural terminology (CPT) codes used for billing. This book familiarizes you with all the available boilerplate templates. An electronic version can be purchased at statnote.com and used with a text expander in any Electronic Health Record (EHR) system.

Letter to a Young Female Physician Suzanne Koven,2021-05-04 A Milwaukee Journal Sentinel Best Book of 2021 A poignant and funny exploration of authenticity in work and life by a woman doctor. In 2017, Dr. Suzanne Koven published an essay describing the challenges faced by female physicians, including her own personal struggle with imposter syndrome—a long-held secret belief that she was not smart enough or good enough to be a “real” doctor. Accessed by thousands of readers around the world, Koven’s “Letter to a Young Female Physician” has evolved into a deeply felt reflection on her career in medicine. Koven tells candid and illuminating stories about her pregnancy during a grueling residency in the AIDS era; the illnesses of her child and aging parents during which her roles as a doctor, mother, and daughter converged, and sometimes collided; the sexism, pay inequity, and harassment that women in medicine encounter; and the twilight of her career during the COVID-19 pandemic. As she traces the arc of her life, Koven finds inspiration in literature and faces the near-universal challenges of burnout, body image, and balancing work with marriage and parenthood. Shining with warmth, clarity, and wisdom, *Letter to a Young Female Physician* reveals a woman forging her authentic identity in a modern landscape that is as overwhelming and confusing as it is exhilarating in its possibilities. Koven offers an indelible account, by turns humorous and profound, from a doctor, mother, wife, daughter, teacher, and writer who sheds light on our desire to find meaning, and on a way to be our own imperfect selves in the world.

Letters From the Clinic Derek Steinberg,2003-09-02 In every field of therapeutic practice a significant amount of time is spent writing letters about and to patients. In *Letters From the Clinic* Derek Steinberg applies detailed literary and

psychological analysis to over 40 letters, highlighting why certain words or phrases were used, how they could have been put better, and builds around them principles and theoretical positions based on narrative therapy, consultative approaches and the psychological impact of words and phrases. Using the context of child, adolescent and family psychiatry, while also applicable to all therapeutic work, the book deals with issues such as * explaining clinical conditions and treatments * confirming clinical contracts * conveying difficult advice and painful news * missed appointments and other practicalities Each letter is followed by detailed annotations and discussion. Letters From the Clinic will prove a valuable tool to all those working in clinical and therapeutic practice.

Universal Notes Kushal Patel,2021-05-28 Universal Notes is a note template guide meticulously designed to keep important everyday details in mind for a healthcare practitioner in training and in practice. Utilization of these universal templates will promote thinking, learning, and optimize efficiency for various patient encounters in a wide range of healthcare settings. This one-of-a-kind template guide is ideal for healthcare providers or students pursuing medical, physician assistant, or nurse practitioner degrees.

How to write good Hospital Discharge Letters Rolf Glazinski,2019-10-07 International Medical Graduates need an instruction how they can write good Hospital Discharge Letters and high quality Medical Reports. This book provides the necessary background information from the point of view of modern communication sciences as well as practical guidance. Examples of discharge letters from Cardiology, the Intensive Care Unit, Psychiatry, Surgery and Rehabilitation are presented. Each chapter starts with the learning objectives and ends with Follow-Up Questions. The solutions are presented at the end. The book is primarily aimed at young international medical graduates and medical students worldwide. However, students in bachelor and master programs with a focus on healthcare are also addressed.

An American Sickness Elisabeth Rosenthal,2017-04-11 A New York Times bestseller/Washington Post Notable Book of 2017/NPR Best Books of 2017/Wall Street Journal Best Books of 2017 This book will serve as the definitive guide to the past and future of health care in America.—Siddhartha Mukherjee, Pulitzer Prize-winning author of The Emperor of All Maladies and The Gene At a moment of drastic political upheaval, An American Sickness is a shocking investigation into our dysfunctional healthcare system - and offers practical solutions to its myriad problems. In these troubled times, perhaps no institution has unraveled more quickly and more completely than American medicine. In only a few decades, the medical system has been overrun by organizations seeking to exploit for profit the trust that vulnerable and sick Americans place in their healthcare. Our politicians have proven themselves either unwilling or incapable of reining in the increasingly outrageous costs faced by patients, and market-based solutions only seem to funnel larger and larger sums of our money into the hands of corporations. Impossibly high insurance premiums and inexplicably large bills have become facts of life; fatalism has set in. Very quickly Americans have been made to accept paying more for less. How did things get so bad so fast?

Breaking down this monolithic business into the individual industries—the hospitals, doctors, insurance companies, and drug manufacturers—that together constitute our healthcare system, Rosenthal exposes the recent evolution of American medicine as never before. How did healthcare, the caring endeavor, become healthcare, the highly profitable industry? Hospital systems, which are managed by business executives, behave like predatory lenders, hounding patients and seizing their homes. Research charities are in bed with big pharmaceutical companies, which surreptitiously profit from the donations made by working people. Patients receive bills in code, from entrepreneurial doctors they never even saw. The system is in tatters, but we can fight back. Dr. Elisabeth Rosenthal doesn't just explain the symptoms, she diagnoses and treats the disease itself. In clear and practical terms, she spells out exactly how to decode medical doublespeak, avoid the pitfalls of the pharmaceuticals racket, and get the care you and your family deserve. She takes you inside the doctor-patient relationship and to hospital C-suites, explaining step-by-step the workings of a system badly lacking transparency. This is about what we can do, as individual patients, both to navigate the maze that is American healthcare and also to demand far-reaching reform. *An American Sickness* is the frontline defense against a healthcare system that no longer has our well-being at heart.

Letters to a Young Doctor Richard Selzer, 1996-04-15 A timeless collection of advice, operating-room wisdom, and reflections on the practice of medicine, from the “best of the writing surgeons” (Chicago Tribune). “Richard Selzer does for medicine what Jacques Cousteau does for the sea,” raved The New York Times of this extraordinary collection. “He transports the reader to a world that most of us never see, a world that is vivid and powerful, often overwhelming, occasionally fantastic.” In this collection of highly candid, insightful, and unexpectedly humorous essays, the erstwhile surgeon turned Yale School of Medicine professor addresses both the brutality and the beauty of a profession in which saving and losing lives is all in a day’s work. A number of these pieces take the form of letters offering counsel to aspiring physicians. Featuring wry and witty observations on matters of life and death, medical ethics, and the awesome responsibilities of being a surgeon, *Letters to a Young Doctor* should be required reading for all medical students—and anyone interested in the endless miracle that is the human body. No one writes about the practice of medicine with Selzer’s unique combination of mystery and wonder,” observed the Los Angeles Times, while The New York Times praised Selzer’s “marvelous insight and potent imagery” for making “his tales of surgery and medicine both works of art and splendid tools of instruction.”

[Ask a Manager](#) Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully,

Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Medical Letter Medical Letter,2001-01-01

The Physician's Resume and Cover Letter Workbook Sharon Yenney,American Medical Association,1998 With over 40 sample resumes and cover letters, The Physicians Resume and Cover Letter Workbook serves as a valuable resource for any medical student, resident, or established physician who needs to compile a curriculum vitae. It contains carefully chosen examples for making a high-impact impression in a variety of scenarios -- group practice, clinic, HMO, hospital, research group, or pharmaceutical company.

Letter from a Birmingham Jail Dr Martin Luther King,Martin Luther King, Jr.,2025-01-14

Letters to a Young Doctor Hilali Noordeen,2021 If you've ever sat on an examination table and wondered what is really going on in your doctor's head, then this book is for you. New York Times contributor and beloved author Perri Klass addresses the primary issues in the life of any doctor and, by extension, the lives of those for whom they care. She explores the moral judgments of doctors, questions of death and physician-assisted suicide, the daily life of a doctor, doctors as patients, and more. Klass offers a fascinating glimpse inside the doctor's office for aspiring physicians and medical buffs. *Treatment Kind and Fair* is also a must-

The Professor Is In Karen Kelsky,2015-08-04 The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will

land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application - Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap - Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

The Medical Letter Bound Volume 2010 The Medical Letter,2010

School Letters in English and Spanish ,1993

Model Rules of Professional Conduct American Bar Association. House of Delegates,Center for Professional Responsibility (American Bar Association),2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Notes from a Doctor's Pocket Robert D. Lesslie,2013-10-01 These Notes from a Doctor's Pocket come from the decades of ER experience of bestselling author Dr. Robert Lesslie, whose routine faced him with times of grief or pain, relief or delight, life or death. Such everyday happenings and encounters gave rise to these vignettes—in which readers will meet up with the characters, coincidences, and complications common to the emergency room: characters like Freddy, who literally shoots himself in the foot coincidences like finally having the chance to hear what patients say to each other when doctors and nurses aren't in the room complications such as dealing with parents who buy lottery tickets and alcohol instead

of medicine for their little boy These heart-tugging, heart-lifting slices of life will prompt readers to search for opportunities to give the comfort of a touch, the grace of a kind word, or a prayer that brings hope and healing.

Suggestions to Medical Authors and A.M.A. Style Book American Medical Association,1919

The doctor's birthday; or, The force of example Henry Cadwallader Adams,1873

Treatment Kind and Fair Perri Klass,2008-08-26 If you've ever gotten wrapped up in the arcana of E.R. or House, or been absorbed by a piece in The New Yorker by Gawande, Groopman, or Nuland, or sat on that exam table wondering what's really going on in your doctor's head, then this book is for you. Expertise versus commonsense practice; moral judgments on young patients or their parents; asking tough questions; death and physician-assisted suicide; daily life with a doctor's job (yours or a family member's); doctors as patients-Klass addresses the primary issues in the life of any doctor and, by extension, the lives of those for whom they care. Perri Klass, M.D., is a writer, teacher, pediatrician, and mentor. In her frequent contributions to the New York Times, she takes on a host of issues particular to the life of a doctor-secrecy, ethics, fear, grief, and competition-with a warmth and wit her readers have come to love. Now, in the newest addition to Basic's Art of Mentoring series, she offers her guidance, and her stories, to a new generation of doctors and readers.
