Henry's Freedom Box Ellen Levine,2016-03-29 A stirring, dramatic story of a slave who mails himself to freedom by a Jane Addams Peace Award-winning author and a Coretta Scott King Award-winning artist. Henry Brown doesn't know how old he is. Nobody keeps records of slaves' birthdays. All the time he dreams about freedom, but that dream seems farther away than ever when he is torn from his family and put to work in a warehouse. Henry grows up and marries, but he is again devastated when his family is sold at the slave market. Then one day, as he lifts a crate at the warehouse, he knows exactly what he must do: He will mail himself to the North. After an arduous journey in the crate, Henry finally has a birthday -- his first day of freedom.

Stuart Hall Annie Paul,2020-10-23 A pioneer in the field of cultural studies, Stuart Hall produced an impressive body of work on the relationship between culture and power. His contributions to critical theory and the study of politics, culture, communication, media, race, diaspora and postcolonialism made him one of the great public intellectuals of the late twentieth century. For much of his career, Hall was better known outside the Caribbean than in the region. He made his mark most notably in the United Kingdom as head of the Birmingham Centre for Contemporary Cultural Studies and at the Open University, where his popular lecture series was broadcast on BBC2. His influence expanded from the late 1980s onwards as the field of cultural studies gained traction in universities worldwide. Hall's middle-class upbringing in colonial

Jamaica and his subsequent experience of immigrant life in the United Kingdom afforded him a unique perspective that informed his groundbreaking work on the complex power dynamics of race, class and empire. This accessible, lively biography provides glimpses into Hall's formative Jamaican years and includes segments from his hitherto unpublished early writing. Annie Paul gives us an engaging introduction to a globally renowned Caribbean intellectual.

Think Like a Monk Jay Shetty,2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told

him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.
