They long for a swirling snowstorm—if only someone in the big family would pick up the snow globe and give it a great big shake. Baby would love to. She alone notices the little family. She gazes longingly at their snowy little world, but the snow globe is up way too high for her to reach. Then, when a real snowstorm sends the big children outside sledding in the moonlight, Baby finds herself alone in the parlor. . . . Will the snow globe family at last get a chance to go sledding too? As readers follow the parallel adventures of both families, big and little, they will take special pleasure in the miniature world of the snow globe, where the skating pond is the size of a shiny quarter and a snowman is no bigger than a sugar cube.

Pottymouth and Stoopid James Patterson,Chris Grabenstein,2017-06-12 In this superwonderrific New York Times bestseller (Jerry Spinelli), two bullied middle-school boys finally fight back with the power of funny. David and his best friend Michael were tagged with awful nicknames way back in preschool when everyone did silly things. Fast-forward to seventh grade: Pottymouth and Stoopid are still stuck with the names -- and everyone in school, including the teachers and their principal, believe the labels are true. So how do they go about changing everyone's minds? By turning their misery into megastardom on TV, of course! And this important story delivers more than just laughs -- it shows that the worst bullying isn't always physical . . . and that things will get better. A great conversation starter for parents to read alongside their kids! Official Notice to Parents:There is no actual pottymouthing or stupidity in this entire book!(Psst, kids: that second part might not be entirely true.)
