The Canine-Campus Connection Mary Renck Jalongo, 2021-05-15 A primary mission of universities is promoting student success and well-being. Many college and university personnel have implemented initiatives that offer students the documented benefits of positive human-animal interaction (HAI). Accumulating evidence suggests that assistance dogs, therapy dogs, and shelter dogs can support student wellness and learning. The best programs balance the welfare of humans and canines while assessing students' needs and complying with all laws and regulations. Contributors to this edited volume have drawn upon research across many disciplines as well as their extensive practical experiences to produce a timely and valuable resource—for administrators and students. Whether readers are just getting started or striving to improve well-established programs, *The Canine-Campus Connection* provides authoritative, evidence-based guidance on bringing college students and canines together in reciprocally beneficial ways. Part one examines the interactions between postsecondary students and canines by reviewing the literature on the human-canine bond. It establishes what necessarily must be the top priority in canine-assisted activities and therapy: the health and safety of both. Part two highlights four major categories of dogs that students are likely to interact with on and off campus: service dogs, emotional support animals (ESAs), therapy dogs, and homeless dogs. Part three emphasizes ways in which dogs can influence student learning during classes and across aspects of their professional development. Part four considers future directions. Authors take the stance that enriching and enlarging interactions between college students and canines will require university personnel who plan and evaluate events, projects, and programs. The book concludes with the recommendation that colleges and universities move toward more dog-friendly campus cultures.

Abuela's Letter Debbie Zapata,2024-10-15 *Abuela's Letter* is a beautiful story that addresses loss and grief within a Latin family where a young girl is challenged by the death of her grandmother and discovers letter-writing as a way to cope and connect with her loved one's passing. Alma's favorite days are when her big family gathers at Abuela's house. Tíos take siestas while tías tell their stories, and primos play dominoes while Abuela stirs the frijoles. Always at the center is the love of Abuela! Alma's beloved grandmother and her number one fan! When Abuela dies, all of this is suddenly gone. Alma is filled with sadness and grief, until she finds a letter that Abuela left for her. Could Abuela's words be what fills her heart again with love and sweet memories? This thoughtful story captures the concept of "familismo" beautifully — a Latin cultural value that involves dedication, commitment, and loyalty to family. Regularly spending time with one's immediate and extended family is part of familismo, as well as seeking the family's advice and support for important decisions and life transitions, such grief and loss. Includes a note to readers in English and Spanish with coping strategies essential to Latino and Hispanic families about grief and loss of a loved one, as well as additional ways to support children and honor the life and memory of

Think Like a Monk Jay Shetty, 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the

Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.
