Offbeat Bride Ariel Meadow Stallings, 2010-02-23 Unenthused by a white wedding gown and bored by the hoopla of the Hollywood-style reception, Ariel Meadow Stallings found herself absolutely exhausted with the nuances of traditional nuptials . . . so she chose to take a walk off the beaten aisle. In this updated edition of Offbeat Bride, Stallings humorously recounts the story of the original offbeat wedding-hers-and shares anecdotes and advice from dozens of other nontraditional couples. She also includes a chapter on budget weddings in today's weak economy, along with sidebars, tips, tricks, and planner encouragement to help you figure out your special day. What results is a combination of hilarious wedding stories and tons of helpful how-tos-a perfect mash-up of memoir and handbook. At once practical and enjoyable, Offbeat Bride validates choosing the funky, different, and offbeat over the traditional, and leads couples through the planning process-from unique ideas on how to announce their engagement all the way to answering the question, So, how's married life? Stallings is the ultimate guide to the alternative wedding of your dreams, and with Offbeat Bride, she brings you a book that serves both as an encouragement and celebration of aisles less traveled.

Fair Play Eve Rodsky, 2019-10-01 A REESE'S BOOK CLUB PICK A hands-on, real talk guide for navigating the hot-button issues that so many families struggle with.--Reese Witherspoon Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the shefault parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family -- and then sent that list to her husband, asking for things to change. His response was... underwhelming.

Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up chores and responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With four easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore from laundry to homework to dinner. Winning this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space -- as in, the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.
