My Daddy Rules the World Hope Anita Smith,2017-05-16 A picture book of poems that celebrate fathers from a two-time Coretta Scott King Honor--winning poet. Who is your hero? Who's your best friend? Who says he loves you again and again? Daddy! Told through the voice of a child, Anita Hope Smith's *My Daddy Rules the World* collection of poems celebrates everyday displays of fatherly love, from guitar lessons and wrestling matches to bedtime stories, haircuts in the kitchen, and cuddling in bed. These heartwarming poems, together with bold folk-art-inspired images, capture the strength and beauty of the relationship between father and child. A Christy Ottaviano Book

Father's Day Matthew Zapruder,2020-01-15 As seen in the The New York Times Book Review In characteristically short lines and pithy, slippery language like predictive text from a lucid dream, Zapruder's fifth collection grapples with fatherhood as well as larger questions of influence and inheritance and obligation. —The New York Times “[Zapruder] presents powerfully nuanced and vivid verse about the limitations of poetry to enact meaningful change in a world spiraling into

callousness; yet despite poetry's supposed constraints, Zapruder's verse offers solace and an invaluable blueprint for empathy." —Publishers Weekly, starred review "Zapruder's new book, *Father's Day*, is firmly situated in its (and our) political moment, and is anchored by a compelling gravity and urgency." —The Washington Post The poems in Matthew Zapruder's fifth collection ask, how can one be a good father, partner, and citizen in the early twenty-first century? Zapruder deftly improvises upon language and lyricism as he passionately engages with these questions during turbulent, uncertain times. Whether interrogating the personalities of the Supreme Court, watching a child grow off into a distance, or tweaking poetry critics and hipsters alike, Zapruder maintains a deeply generous sense of humor alongside a rich vein of love and moral urgency. The poems in *Father's Day* harbor a radical belief in the power of wonder and awe to sustain the human project while guiding it forward.

Inside Out & Back Again Thanhha Lai,2013-03-01 Moving to America turns H&à's life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

My Father's Tears John Updike,2009-06-02 A sensational collection of stories of the American experience from the Depression to the aftermath of 9/11, by one of the most gifted American writers of the twentieth century and the author of the acclaimed Rabbit series. John Updike mingles narratives of Pennsylvania with stories of New England suburbia and of foreign travel: "Personal Archaeology" considers life as a sequence of half-buried layers, and "The Full Glass" distills a lifetime's happiness into one brimming moment of an old man's bedtime routine. High-school class reunions, in "The Walk with Elizanne" and "The Road Home," restore their hero to youth's commonwealth where, as the narrator of the title story confides, "the self I value is stored, however infrequently I check on its condition." Exotic locales encountered in the journeys of adulthood include Morocco, Florida, Spain, Italy, and India. The territory of childhood, with its fundamental, formative mysteries, is explored in "The Guardians," "The Laughter of the Gods," and "Kinderszenen." Love's fumbblings among the bourgeoisie yield the tart comedy of "Free," "Delicate Wives," "The Apparition," and "Outage."

Indigo Ellen Bass,2020-04-07 "A bold and passionate new collection... Intimacy is rarely conveyed as gracefully as in Bass's lustrous poems." —Booklist *Indigo*, the newest collection by Ellen Bass, merges elegy and praise poem in an exploration of life's complexities. Whether her subject is oysters, high heels, a pork chop, a beloved dog, or a wife's return to health, Bass pulls us in with exquisite immediacy. Her lush and precisely observed descriptions allow us to feel the sheer primal pleasure of being alive in our own "succulent skin," the pleasure of the gifts of hunger, desire, touch. In this book, joy meets regret, devotion meets dependence, and most importantly, the poet so in love with life and living begins to look for the point where the price of aging overwhelms the rewards of staying alive. Bass is relentless in her advocacy for the little pleasures all around her. Her gaze is both expansive and hyperfocused, celebrating (and eulogizing) each gift as it is given and taken, while also taking stock of the larger arc. She draws the lines between generations, both remembering her parents' lives and deaths and watching her own children grow into the space that she will leave behind. *Indigo* shows us the beauty of this cycle, while also documenting the deeply human urge to resist change and hang on to the life we have, even as it attempts to slip away.

Miller,2013 Winner of the Vassar Miller Prize in Poetry, 2012 With muscular language and visceral imagery, Club Icarus will appeal to sons and fathers, to those tired of poetry that makes no sense, to those who think lyric poetry is dead, to those who think the narrative poem is stale, and to those who appreciate the vernacular as the language of living and the act of living as something worth putting into language.
