**Permission to Feel** Marc Brackett, Ph.D.,2019-09-03 The mental well-being of children and adults is shockingly poor. Marc Brackett, author of *Permission to Feel*, knows why. And he knows what we can do. We have a crisis on our hands, and its victims are our children. Marc Brackett is a professor in Yale University's Child Study Center and founding director of the Yale Center for Emotional Intelligence. In his 25 years as an emotion scientist, he has developed a remarkably effective plan to improve the lives of children and adults - a blueprint for understanding our emotions and using them wisely so that they help, rather than hinder, our success and well-being. The core of his approach is a legacy from his childhood, from an astute uncle who gave him permission to feel. He was the first adult who managed to see Marc, listen to him, and recognize the suffering, bullying, and abuse he'd endured. And that was the beginning of Marc's awareness that what he was going through was temporary. He wasn't alone, he wasn't stuck on a timeline, and he wasn't "wrong" to feel scared, isolated, and angry. Now, best of all, he could do something about it. In the decades since, Marc has led large research teams and raised tens of millions of dollars to investigate the roots of emotional well-being. His prescription for healthy children (and their parents, teachers, and schools) is a system called RULER, a high-impact and fast-effect approach to understanding and mastering emotions that has already transformed the thousands of schools that have adopted it. RULER has been proven to reduce stress and burnout, improve school climate, and enhance academic achievement. This book is the culmination of Marc's development of RULER and his way to share the strategies and skills with readers around the world. It is tested, and it works. This book combines rigor, science, passion and inspiration in equal parts. Too many children and adults are suffering; they are ashamed of their feelings and emotionally unskilled, but they don't have to be. Marc Brackett's life mission is to reverse this course, and this book can show you how.

**The Zones of Regulation** Leah M. Kuypers,2011 ... a curriculum geared toward helping students gain skills in consciously regulating their actions, which in turn leads to increased control and problem solving abilities. Using a cognitive behavior approach, the curriculum's learning activities are designed to help students recognize when they are in different states called zones, with each of four zones represented by a different color. In the activities, students also learn how to use

strategies or tools to stay in a zone or move from one to another. Students explore calming techniques, cognitive strategies, and sensory supports so they will have a toolbox of methods to use to move between zones. To deepen students' understanding of how to self-regulate, the lessons set out to teach students these skills: how to read others' facial expressions and recognize a broader range of emotions, perspective about how others see and react to their behavior, insight into events that trigger their less regulated states, and when and how to use tools and problem solving skills. The curriculum's learning activities are presented in 18 lessons. To reinforce the concepts being taught, each lesson includes probing questions to discuss and instructions for one or more learning activities. Many lessons offer extension activities and ways to adapt the activity for individual student needs. The curriculum also includes worksheets, other handouts, and visuals to display and share. These can be photocopied from this book or printed from the accompanying CD.--Publisher's website.

*The Emotion Code* Dr. Bradley Nelson, 2019-05-07 I believe that the discoveries in this book can change our understanding of how we store emotional experiences and in so doing, change our lives. The Emotion Code has already changed many lives around the world, and it is my hope that millions more will be led to use this simple tool to heal themselves and their loved ones.—Tony Robbins In this newly revised and expanded edition of *The Emotion Code*, renowned holistic physician and lecturer Dr. Bradley Nelson skillfully lays bare the inner workings of the subconscious mind. He reveals how emotionally-charged events from your past can still be haunting you in the form of trapped emotions—emotional energies that literally inhabit your body. These trapped emotions can fester in your life and body, creating pain, malfunction, and eventual disease. They can also extract a heavy mental and emotional toll on you, impacting how you think, the choices that you make, and the level of success and abundance you are able to achieve. Perhaps most damaging of all, trapped emotional energies can gather around your heart, cutting off your ability to give and receive love. The Emotion Code is a powerful and simple way to rid yourself of this unseen baggage. Dr. Nelson's method gives you the tools to identify and release the trapped emotions in your life, eliminating your “emotional baggage,” and opening your heart and body to the positive energies of the world. Filled with real-world examples from many years of clinical practice, *The Emotion Code* is a distinct and authoritative work that has become a classic on self-healing.

**Each Kindness** Jacqueline Woodson, 2012-10-23 WINNER OF A CORETTA SCOTT KING HONOR AND THE JANE ADDAMS PEACE AWARD! Each kindness makes the world a little better This unforgettable book is written and illustrated by the award-winning team that created *The Other Side* and the Caldecott Honor winner *Coming On Home Soon*. With its powerful anti-bullying message and striking art, it will resonate with readers long after they've put it down. Chloe and her friends won't play with the new girl, Maya. Every time Maya tries to join Chloe and her friends, they reject her. Eventually Maya stops coming to school. When Chloe's teacher gives a lesson about how even small acts of kindness can change the world, Chloe is stung by the lost opportunity for friendship, and thinks about how much better it could have been if she'd

shown a little kindness toward Maya.

Are My Kids on Track? Sissy MED Goff, LPC-MHSP, David LMSW Thomas, Melissa MRE Trevathan, 2017-02-14 Tools for Identifying and Developing Spiritual, Social, and Emotional Growth From birth to adulthood, our children's physical and intellectual development is carefully tracked and charted. But what about their hearts? After all, how our children develop emotionally, socially, and spiritually will determine who they become as husbands and wives, fathers and mothers, friends and co-workers. Are My Kids on Track? helps you identify and measure 12 key emotional, social, and spiritual milestones in your children's lives. Moreover, you will discover practical ways to guide your kids through any stumbling blocks they might encounter and help them reach the appropriate landmarks. Along the way the authors pinpoint the different ways boys and girls develop, so you can help your child flourish in his or her own way. Filled with decades of experience from three practicing counselors, speakers, and writers, this book provides you with valuable, current research and user-friendly, hands-on practices to make supporting your kids' soul development a seamless part of family life. Don't just raise smart kids--raise courageous, compassionate, resilient, empathetic, and smart kids.

*What Am I Feeling?* Josh Straub, Christi Straub, 2019-03-01 Can show-and-tell day be saved? It's show-and-tell day at school, and Sam and his friends are feeling lots of emotions. He wonders why he feels flippy in his tummy. And why is Alex stomping his feet? And does Hudson usually have such a big grin? After several unchecked feelings threaten to ruin the big day, Sam and his friends start to learn how to give each emotion a name and ask God to help them remember that "a feeling is just a feeling—it's not in charge of you." In a world where kids are dealing with everything from sibling rivalry to bullying, divorce to tragedy, *What Am I Feeling?* offers a biblically grounded way for children to verbalize their feelings, develop empathy and self-control, and understand their wonderful God-given emotions. BONUS! Also includes a pull-out feelings chart for your wall! Go to [bhkids.com](http://bhkids.com) to find this book's Parent Connection, an easy tool to help moms and dads (or anyone else who loves kids) discuss the book's message with their child. We're all about connecting parents and kids to each other and to God's Word.

The Feelings Book Todd Parr, 2008-11-15 Sometimes I feel silly. Sometimes I feel like eating pizza for breakfast. Sometimes I feel brave. Sometimes I feel like trying something new... The Feelings Book vibrantly illustrates the wide range of moods we all experience. Kids and adults will appreciate Todd Parr's quirky intelligence as he pays special attention to the

ever-changing, sometimes nonsensical emotions that we all feel. Targeted to young children first beginning to read, this book will inspire kids to discuss their multitude of feelings in a kid-friendly, accessible format, told through Parr's trademark bold, bright colors and silly scenes. Along with the four other bestselling Todd Parr picture books, *The Feelings Book* is designed to encourage early literacy, enhance emotional development, celebrate multiculturalism, and promote character growth.

**Famous at Home** Dr. Josh Straub,Christi Straub,2022-05-03 No one wakes up and decides, "I'm planning to ruin my marriage, neglect my kids, and cause mistrust in my family." Yet our personal pursuits and busyness can lead us there. In this book, marriage and leadership coaches Dr. Josh and Christi Straub show how seven core decisions can help us put what's most important center stage in our lives. *Famous at Home* is Josh and Christi's realistic, grace-filled look at the struggles families face in a culture that competes for their time, attention, and identity. Whether you've found yourself putting more effort into becoming famous on stages outside the home, or your stage is the home, *Famous at Home* offers guidance and inspiration to help you give your family the best version of you instead of your leftovers. *Famous at Home* will help you and your spouse Be on the same team—fighting for each other and not against each other Stay emotionally connected even if work, distance, or busyness are in the way Deeply invest in the emotional lives of your children You really can be famous at home, showing up in intentional and meaningful ways for your biggest fans. All it takes is realizing that the greatest red carpet you'll ever walk is through your front door.
