A Letter from Your Teacher Shannon Olsen,2022-03 From the author and illustrator of *Our Class is a Family*, this touching picture book expresses a teacher's sentiments and well wishes on the last day of school. Serving as a follow up to the letter in *A Letter From Your Teacher: On the First Day of School*, it's a read aloud for teachers to bid a special farewell to their students at the end of the school year. Through a letter written from the teacher's point of view, the class is invited to reflect back on memories made, connections formed, and challenges met. The letter expresses how proud their teacher is of them, and how much they will be missed. Students will also leave on that last day knowing that their teacher is cheering them on for all of the exciting things to come in the future. There is a blank space on the last page for teachers to sign their own name, so that students know that the letter in the book is coming straight from them. With its sincere message and inclusive illustrations, *A Letter From Your Teacher: On the Last Day of School* is a valuable addition to any elementary school teacher's classroom library.

Hope When Life Unravels Adam B. Dooley, 2020-06-23 Written by a pastor and father who has walked a painful road, *Hope When Life Unravels* explores the encouraging, upside-down truths of the book of Job, and other key Bible passages, to remind us of the ways God is present in our pain. Why does God allow suffering? And why does God seem to go silent when we're in pain? In *Hope When Life Unravels*, Dr. Adam Dooley, pastor and host of the daily radio broadcast *A Better Way*, searches for answers to our biggest questions about suffering as he shares his son Carson's story of battling leukemia. Adam speaks openly about the gut-wrenching struggle his family endured for three years of life-threatening illness and how God met them in their hours of need—even when it wasn't in the ways they wanted. And, along with his own story, Adam takes readers through the story of Job, unpacking insights about God's character, his love, and how we can stay connected to him even during seasons of pain. Both inspiring and comforting, *Hope When Life Unravels* invites us to draw closer to a God who is often active in our lives in times when we have trouble seeing him the most.

Kala's First Day Of Kindergarten Nicole S. Ross, 2020-05-04 Increase your child's recognition, motor skills, and usage of the letter Kk! Follow Kala throughout her exciting first day of kindergarten! The first day of kindergarten can be scary but exciting for both the child and the parents. See what fun Kala has her first day when she meets her new friend Karina and the class pet Kipper! *Kala's First Day Of Kindergarten* is for parents and teachers that want to do more than teach the letter Kk to preschool-aged children. It's for the parents and teachers that want to set the stage for children to fall in love with reading without having to struggle to keep them engaged and focused as they learn the letters of the alphabet. Our stories are both fun and engaging—children will want you to read it to them over and over, reinforcing the lessons they've learned in the process. When *Kala's First Day Of Kindergarten* is combined with the customized story-based worksheets found inside the *Kala's First Day Of Kindergarten Workbook*, you'll have no problem getting your preschooler to focus and complete the activity sheets. Your child's experience will be a stress-free one—they'll feel like they are living out a part of the story rather than doing schoolwork. The workbook features dozens of activity pages that follow the story, allowing you to immerse your child in Kala's world as they improve pen control, retain new words from the story, and learn to connect those words with images that are featured within the pages. With these advantages supporting you, you'll easily be able to give your child as much time on task as they need before moving to the next letter of the alphabet. The goal is not just to teach your child the alphabet, but to prime them for enjoying the experience of learning, a trait that will help them for the rest of their life. This is of especially vital importance for the skill of reading, as it is arguably the first key to unlocking success later on in adulthood.

Many parents that are ready to start teaching their child the alphabet mistakenly believe that they don't have the power to control whether or not their child is interested in learning. Thankfully, this isn't true. Teaching through stories, especially at an early age, increases both active participation and listening skills, it also creates opportunities for children to form a bond with the characters that will help them to recognize those characters in other stories later on. By introducing the characters in our books to your child, you'll be able to: Teach Lasting Lessons - Introduce important concepts such as kindness, patience, problem-solving, and politeness through a wide range of characters Expand Memory - increase your child's ability to comprehend and retain the new words they learn throughout the story Strengthen Phonics - reinforce new sounds and deepen the connection between words and images Foster Engagement - Instill a love for learning in your child that will serve them for the rest of their life So, if you're ready to set the stage for your child to fall in love with reading, then Kala's First Day Of Kindergarten is what you've been looking for!
