Galactic Genealogy Planetary Origins ,2019-02-25 This book includes full-color illustration, personality traits and descriptions of the genealogy races, it is the companion book to a Galactic Genealogy Chart, also included in the book. The Chart and booklet are designed to help you find out what your Galactic Genealogy origins are. I have listed them in alphabetical order. Since photographs are not taking of the Extraterrestrials, both the drawings from the experienter's and the other illustrations are meant to be an example of the different races and beings that are in our Universe. Some of them have the ability to appear in your mind and memory as whatever they want, and this induced image has nothing to do with their real appearance. They may have you see and remember them as a human celebrity or family member. A ball of light, a gray, a dwarf or even animals such as deer, owl, dog, monkey, because they want you to remember that. Most of the time they may want you to completely forget anything about you're experience with them, so you think it's just a dream. So, we can never be sure that they really look the way we see them. I was asked in by my galactic family, in downloads and channeling to put this information together with full-color illustrations, descriptions of our family and special traits about ourselves. The illustrations and info have been accumulated from many people and sources. Dare to find out what you Galactic Genealogy is!

Not with a cold, clinical visit to a sperm donation clinic, but delivering it the old-fashioned way. With a healthy dose of searing passion. But soon after Morgan's scorching hot night with her husband's four best friends, an accident threatens the life of one of those men. The challenges that lie ahead will test the crew's powerful bond to the limit—and their long-standing promise to take care of each other through good, bad, and sexy times. Whatever it takes... Warning: Not everything in life turns out as planned, but with love all odds are surmountable.

Especially when those odds include five hot construction workers on your side. Contains m/m/f group ménage scenes.
