When the Christmas Tree Grew Candy Canes Raquel Alva Gardea,2019-10-04 This is a story about how love and acceptance can lead to magical results! This book is written in simple language that young children can understand, and also be thrilled with the magic that transforms a homely, ordinary tree into a one that grows candy canes. In the story, a family selects a homely tree from the Christmas Tree Farm and takes it home. They lovingly decorate the tree, and are surprised to find that the next morning the tree has magically 'sprouted' candy canes from its limbs. The main themes of the story is that we are all unique and special in our own way, and that love and appreciation can bring those hidden gifts out to the surface, just as the love of the family magically makes it possible for the tree to grow candy canes.

Mythical Me Richella Parham,2019-10-22 IVP Readers' Choice Award Do you ever find yourself stuck in the comparison trap? Speaker and author Richella Parham knows what this feels like. I couldn't break free from admiring one person's achievements, someone else's personality, another's skills, yet another's relationships. And don't get me started on how I looked at other people's appearances, she writes. I was haunted by the admirable attributes of other people, certain that I could never match their worthiness. No matter how well-intentioned the teaching or pithy the advice, I found that most of it didn't help me change my thoughts, feelings, or actions. While there are no easy answers, Parham has identified cultural and spiritual myths about others, God, and ourselves that keep us trapped. From there the journey is a spiritual one. We can pick up practices that help us walk in the freedom of Christ with confidence in ourselves. If you've ever suffered from tortured moments of comparison on Facebook, in the office, or in the hallway at church, you'll benefit from this fresh perspective.
