Celebrating a Life Faith Moore, 2011-12-01 A guide of alternatives to traditional funerals, commemorating lost loved ones in a meaningful, personal way. Today, many people are forgoing the trappings and timeworn rituals of typical funerals, and are instead opting to celebrate their loved ones' lives. With careful planning, services like these can truly honor the person who has died—and both comfort and uplift those who attend. Celebrating a Life offers sensitive guidance on every detail—venue, food and drink, music, flowers, eulogy, program, mementoes—all with the aim of making sure the memorial service's honoree is remembered just as he or she would have wished. Checklists and an extensive resource directory provide much-needed help to those who have very little time to make arrangements. As author Faith Moore says, this book is not about regrets, but about reimagining how we say good-bye. "In a caring, practical, and authoritative way, Faith Moore tackles a very difficult topic. Her direct and warm advice is a fabulous resource. This book is a must-read for anyone who will face the inevitability of honoring and celebrating the life of a deceased love one." —Peggy Post, director of the Emily Post Institute and author of Emily Post's Etiquette, 17th Edition

Knights in Training Heather Haupt, 2017-05-30 Bringing chivalry back into our modern-day world, this book shows us how to inspire today's generation of young boys to pursue honor, courage, and compassion. In an age when respect and honor seem like distant and antiquated relics, how can we equip boys to pursue valor and courageously put the needs of others before their own? This book helps parents to inspire their boys by captivating their imagination and honoring their love for adventure. Heather Haupt explores how knights historically lived out various aspects of the knights' Code of Chivalry, as depicted in the French epic Song of Roland, and how boys can embody these same ideals now. When we issue the challenge and give boys the reasons why it is worth pursuing, we step forward on an incredible journey towards raising the kind of boys who, just like the knights of old, make an impact in their world now and for the rest of their lives.

Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage

depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. After seeing too many guest books with tiny fonts, thin signature lines and petite dimensions, I realized that there are no rules for guest books. As a result, I created a guest book with larger fonts, roomier comment lines and a larger than average book size. It is now easier for guests to figure out where to write their names and where to leave notes. Consider acquiring the companion book, *Celebration of Life Memory Book* (volume 3), which allows for guests to share their thoughts and memories about the loved one in an easy to read and inviting format.

The Poisonwood Bible Barbara Kingsolver, 2009-10-13 New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection “Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty.” —Los Angeles Times Book Review *The Poisonwood Bible*, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleanna Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old. These sharply observant girls, who arrive in the Congo with racial preconceptions forged in

1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.
