[Fair Play](#) Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy

up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

MiniEco Kate Lilley, 2013 MiniEco is the sensational craft blog of Kate Lilley. With over 250,000 followers it has taken on cult status in the international craft community, and that is purely down to Kates fresh, contemporary and beautifully explained and executed craft projects. With a book for children already under her belt, this publication focuses more on adults with 33 pieces including paper gems, an origami lampshade, macrame hangings, pop-up pixel cards, hama bead candle holders, and tie-dyed furoshiki cloths. The ideas range in complexity from the simple to the advanced, but each one is totally unique and has never before been published. The look of the book will reflect the immaculate, Japanese-inflected minimalism of the MiniEco website, with some high-end production finishes including a die-cut, dust-jacketed paperback binding and boldly pared-back photography. QR codes will link to animated gifs of the craft being made.
