Crepe Paper Flowers Lia Griffith,2018-08-07 With 30 projects and an introduction to both crafting paper flowers and working with crepe paper, this book is full of inspiration and expert advice for beginners. If you have a Cricut Maker, you can download the templates to your machine so you can enjoy your own homemade bouquets in no time. Crepe paper is the best material for creating paper flowers, especially for beginners. It's forgiving and malleable--easy to cut, bend, curl, and shape into peony petals, daffodil trumpets, chrysanthemum blooms, and more. And if you have a Cricut Maker, you can easily cut out the shapes from templates you download for free on Lia Griffith's website using a code. Then, follow instructions for crafting the flowers to arrange and display in vases and pots and as bouquets and wreaths.

Designing with LibreOffice Bruce Byfield,2016-03 Designing with LibreOffice is not the usual death march through the menu and standard tasks. Instead, the book takes two fresh approaches to the world's most popular free office suite. First, it explains the importance of using styles and templates in order to use LibreOffice with the most convenience and the least effort. By taking advantage of styles and templates, you can concentrate on self-expression, rather than format. Later, as you edit, you can make changes more quickly and with more precision. Second, it explains the basics of modern design and how to apply them in LibreOffice, expanding on the open secret that LibreOffice is as much a desktop publishing application as an office suite. It explains and illustrates the possible choices as you design, as well as the pros, cons, and considerations behind each choice - and, in some cases, what you should avoid altogether.

Ditch That Textbook Matt Miller,2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.
