ESL Vocabulary, Grammar & Conversation Cards Paul Joseph Hamel,2017-07-17 *ESL Vocabulary, Grammar & Conversation Cards* have been developed to supplement English-as-a-Second-Language textbooks and curriculum -- not to replace them. They are meant to enhance and bring variety to an already-existing English language teaching program. These activities are designed for ESL students who may need additional practice in grammar, conversation and word building. Each activity is accompanied by a lesson plan and suggested teaching techniques to assist the instructor in providing an interesting and successful lesson. The activities can also provide a useful resource for substitute teachers and tutors. No matter how good or complete the content of your textbook or curriculum may be, there will always be a need to fill in the gaps in knowledge and skills your students were assumed to have learned. These activities are designed to - provide students with fun group activities - encourage group interaction and discussion - increase individual student's speaking time during class - expand students' use of new vocabulary and expressions - review already-taught materials in a new way - keep the students' minds active and engaged - practice vocabulary and phrases in context - make inferences, evaluating choices and values in discussions - refresh grammar points that have already been taught. Making the Cards - To make a set of cards, cut along the dotted line. If you want to keep this book intact, make photocopies. For large classes make multiple copies. Card stock is recommended, but regular photocopy paper is fine. Place a rubber band around the cards and put them into a small envelope for easy handling and future storage.

Hands-On English Language Learning - Early Years Jennifer E. Lawson, 2009-09-04 The Hands-On English Language Learning program is a resource for classroom teachers, specialist teachers working with English-language learners, and other educational professionals who support these students. To assist your students in developing language skills, this resource includes: specific curricular connections for each lesson to identify links to subject-area themes in language arts, mathematics, science, social studies, health, physical education, and the arts integrated class activities to promote learning in context for all students in the classroom suggested activities focus on curricular topics in all subject areas, while supporting English language learners relevant topics such as the classroom and school, clothing, food, hobbies and interests, plants and animals of Canada, the world, and the environment age-appropriate, high-interest learning activities that foster the development of essential English language vocabulary and skills in listening, speaking, reading, writing, viewing, and representing activities (in keeping with the philosophy of all Portage & Main Press Hands-On programs) that are student-centred and focus on real-life, hands-on experiences Please note: All blackline masters are included on a CD.

Teaching the Arts to Engage English Language Learners Margaret Macintyre Latta, Elaine Chan, 2010-12-20 Written for prospective and practicing visual arts, music, drama, and dance educators, *Teaching the Arts to Engage English Language Learners* offers guidance for engaging ELLs, alongside all learners, through artistic thinking. By paying equal attention to visual art, music, drama, and dance education, this book articulates how arts classrooms can create rich and supportive contexts for ELLs to grow socially, academically, and personally. The making and relating, perceiving and responding, and connecting and understanding processes of artistic thinking, create the terrain for rich curricular experiences. These processes also create the much-needed spaces for ELLs to gain communicative practice, skill, and confidence. Special features include generative texts such as films, poems, and performances that function as springboards for arts educators to adapt according to the needs of their classroom; teaching tips, formative assessment practices, and related instructional tables and resources; an annotated list of internet sites, reader-friendly research articles, and instructional materials; and a glossary for readers' reference.
