**The Flirtation Experiment** Lisa Jacobson,Phylicia Masonheimer,2021-12-07 From popular Christian voices Lisa Jacobson and Phylcia Masonheimer, The Flirtation Experiment inspires you to strengthen your marriage with a fun, unexpected approach that leads to the depth, richness, and closeness you desire. Romance novels, Hallmark movies . . . the immense demand for romantic stories reveals a deep, unsatisfied longing that can be found in many marriages, but does it have to be that way? Is it possible that the best marriage has to offer can grow, rather than fade after you say “I do”? Lisa and Phylcia say, “Absolutely yes!” So what is the secret to a happy, thriving, loving marriage, where the fire of romance and close friendship do not fade? While The Flirtation Experiment includes the frisky side of marriage, it’s far more than a good romp. By degrees, each chapter takes you to a deeper place, covering themes every beautiful marriage has in common, such as covenant, healing, and hope. After reading The Flirtation Experiment, wives will be filled with hope and encouragement for how they can make a powerful, positive change in their marriages, become empowered to pursue their husbands romantically, understand the Bible invites women to be proactive in their marriages, be motivated to consistently love in creative ways, and forge closeness and intimacy in their marriages. “Intentional flirting keeps a positive lightness in the atmosphere and improves our overall communication,” says Jacobson. “My light flirtations bring us closer in meaningful ways and lead to connection on a deeper level. It helps us discover true romance waiting for us in everyday situations.” Perfect for the wife who wants romance, passion, and the closeness that only comes from a deep heart connection but isn’t sure where to start, The Flirtation Experiment is a candid, real-life record of two Christian women from different seasons of life who discovered they could make a significant impact on their marriage relationships, one small flirtatious experiment at a time. Readers can go deeper by using The Flirtation Experiment Workbook.
