A Pumpkin Tale (Pack of 25) Good News Publishers, Christin Ditchfield, 2003-08-01 Sarah and Jacob stood by the window, watching. They could hardly wait for Daddy to get home from work. Today was the day he had promised to help them make a jack-o-lantern. At 5:30 on the dot, Daddy's car pulled into the driveway. Are you guys ready to go pick out a pumpkin? he called. Hooray! yelled Jacob. Let's go! cried Sarah, running out to the car. In a few minutes they arrived at the biggest pumpkin patch the children had ever seen. There were hundreds and hundreds of pumpkins. Big ones, small ones. Round ones, long ones. Yellow and orange and green. Sarah and Jacob walked up and down every row, searching for just the right pumpkin for their jack-o-lantern. There--look at that one! Sarah pointed. It was the roundest, largest, brightest orange pumpkin in the patch. Jacob could hardly get his arms around it. I think you found the perfect pumpkin, Daddy smiled. They carried it back to the car. When they got home, Daddy placed the pumpkin on the kitchen table. As he began to carve the jack-o-lantern, he said, Do you know that being a Christian is a lot like being a pumpkin? It is? asked Sarah. Jacob looked puzzled. What do you mean? Well, said Daddy, first God picks each one of us out of the patch. He chooses us to be His very own. Next, He cleans us from the inside out. He scoops all the yucky stuff out of our hearts--the sin--the bad things we say or do. After that, He puts a great big smile on our faces. His light shines in our hearts. Then everyone can see His love in us! Ohhh. Sarah thought about this for a moment. Daddy, I want God's light to shine in my heart. Me, too. Me, too, said Jacob.

I'm glad, Daddy replied. You know, the Bible says that our sin separates us from God. It keeps His light from shining in us. So God sent His Son Jesus to take away our sins by dying on the cross. Three days later, He rose to life again, and now He lives in Heaven. If we ask Him to, He will come and live in our hearts. Then His light will shine in us. Let's ask Him right now, said Sarah. Would you like Jesus to live in your heart? Would you like God's light to shine in you? Just pray, Dear God, I'm sorry for the bad things I've done. Thank You for sending Jesus to take away my sins. Please come into my heart and fill my life with Your light. Help others to see Your love in me. Amen.

More Than We Bargained For Fiona West,2020-11 Wanted: renter for rural Oregon mountain lodge. Single mom divorcees named Starla preferred. Starla Moore despises a mystery, and there's no bigger mystery than Sawyer Devereaux. He comes into the library on Thursdays like clockwork, but rarely talks to anyone else. Not that she despises him; after all, he's easy on the eyes, quick-witted, and that Southern accent makes her swoon. But in the midst of a divorce, her only romance is the bookish kind. Worst of all, crashing with her bestie won't be an option soon, especially since her final fling with her husband had one very specific unintended consequence... Regaining consciousness with his head in the cute librarian's lap was a rude awakening; Sawyer thought his health problems were under control. Sans driver's license, there's no way he can live in his little cabin alone...or keep up with the anonymous book donations he's been leaving to make Starla smile. When he finds out she's struggling financially, he proposes a trade: his housing for her driving. Surely he can keep his feelings a secret for a few more months... He's given up on his dreams; she's just figuring hers out. When the rumors start, will it push these two misfits together...or drive one of them out of Timber Falls for good? *More Than We Bargained For* is the fourth book in the Timber Falls romantic comedy series but can be read as a standalone. Halloween Candy Thomas M. Sipos,2001-07 British Prime Minister Tony Blair, speaking on the third anniversary of the coalition invasion of Iraq said. What happens in Iraq or Afghanistan today is not just crucial for the people in those countries or even in those regions, but for our security here and round the world. It is an entirely noble cause to help people in need of

our help in pursuit of liberty, and a self-interest one, since in their salvation is our own security. America is at one of the most critical stages in U. S. history. There are so many BUTS that have to be taken care of, or we will never last another two hundred years. It is imperative that we, the American citizen start paying attention, and voice opinions about issues that are slowly eroding our freedom that was mandated by the Constitution. It is very easy to contact your Representatives and Senators by E-Mail or by the blue pages in your phone book. Let all your friends on your E-Mail list know how you feel and encourage them to side with you on the issues. Your Representatives in Washington will listen, because you are the voters that put them there. Times change very fast because some people are never satisfied with the status quo. Some are very slow because of greed, uncertainty and politics. As we reflect back on the past, these words are so true. Take a look the advancement we have made in space exploration, medicine, DNA, gene knowledge, electronics and communications. On the negative side, we are still forced to use gasoline to operate our automobiles and pollute the air we breathe. We are polluting the air with all kinds of health problems from coal-fired electric generating plants. We are destroying the oceans and marine life with oil spills from cargo ships and drilling rigs. We are destroying the ozone layer, thereby causing the ice in the Arctic to melt, thereby creating another problem. The weather pattern is changing, which in turn will create more devastating storms. Here is a question for all you readers. Do you believe the World Trade Agreement and illegal immigration are creating a lower standard of living for the U. S. citizen? It is pre-determined that politics and greed are.
