Come as You Are Emily Nagoski,2015-04-09 A NEW YORK TIMES BESTSELLER An essential exploration of women's sexuality that will radically transform your sex life into one filled with confidence and joy. After all the books that have been written about sex, all the blogs and TV shows and radio Q&As, how can it be that we all still have so many questions? The

frustrating reality is that we've been lied to — not deliberately, it's no one's fault, but still. We were told the wrong story. *Come as You Are* reveals the true story behind female sexuality, uncovering the little-known science of what makes us tick and, more importantly, how and why. Sex educator Dr Emily Nagoski debunks the common sexual myths that are making women (and some men!) feel inadequate between the sheets. Underlying almost all of the questions we still have about sex is the common worry: 'Am I normal?' This book answers with a resounding Yes! We are all different, but we are all normal — and once we learn this, we can create for ourselves better sex and more profound pleasure than we ever thought possible. PRAISE FOR EMILY NAGOSKI 'As a literary work, Nagoski's book deserves plaudits for the rare achievement of merging pop science and the sexual self-help genre in prose that's not insufferably twee ... "You are normal!" doesn't sound much like a battlecry, but in a world keen to sexually homogenise women from the gap of their thighs to the shape of their mons pubis, the sentiment lands like a bomb.' The Guardian 'Come As You Are screams female empowerment loud and proud.' The Independent

The Borderline Personality Disorder Workbook Daniel J. Fox, 2019-05-01 Introducing a breakthrough, integrative approach to managing your borderline personality disorder (BPD). If you've been diagnosed with BPD you may feel a number of emotions—including shock, shame, sadness, abandonment, emptiness, or even anger. Even worse, you may be tempted to research your diagnosis online, only to find doomsday scenarios and terrible prognoses everywhere you click. Take a deep breath. You can get through this—and this workbook will help guide you. Despite what you may have read or been told, BPD is not the worst thing that can happen to you. Like many mental health issues, it manifests on a spectrum, and while some people may encounter extreme symptoms and consequences on one end, others may be less affected on the other. What do you all have in common? You likely experience difficulty balancing your emotions, thoughts, and behaviors. And you may even have trouble seeing yourself clearly—continuously switching from the hero to the villain of the story you've written about your life. So, how can you make sense of it all and start on the road to healing? Rather than utilizing a one-size-fits-all

treatment, this groundbreaking and comprehensive workbook meets you where you are on your therapeutic journey, and provides an integrative approach to treating BPD drawing on evidence-based dialectical behavior therapy (DBT), acceptance and commitment therapy (ACT), cognitive behavioral therapy (CBT), and interpersonal therapy. With this compassionate workbook, you'll gain a greater understanding of your BPD, uncover your own emotional triggers, and discover your own personal motivators for positive change. Your BPD has determined how you see and live your life, but it doesn't have to define you forever. With this workbook as your guide, you'll be ready to face your diagnosis head-on, and take those important first steps toward lasting wellness.
