## Gabrielle Stanley Blair

*Calendar Mysteries #2: February Friend* Ron Roy, 2009-12-22 It's a mystery every month from popular A to Z Mysteries author Ron Roy! With the younger siblings of the A to Z Mysteries kids! February is for Friend... In the second book of the Calendar Mysteries—an early chapter book mystery series—it's a Valentine's Day party! Bradley is passing out his class's valentines, but one of them has no name on it. Inside, the card tells the class to look in the closet. When they open the closet door, the kids find a rabbit named Douglas in a cage! What mysterious friend left him there? And why? Then the bunny gets sick. It's up to Bradley, Brian, Lucy, and Nate to track down his owner and figure out what is wrong with poor little Douglas. Parents, teachers, and librarians agree that these highly collectible chapter books are perfect for emerging readers and any kid who love mysteries!

*A String of Hearts* Laura Malone Elliott, 2010-11-23 Valentines come in all sorts of shapes and sizes. Some are homemade and some are store-bought. Some are funny and some are not. Sam wants to give just the right valentine to the most popular girl in the class, Tiffany. But what kind is the right kind? Mary Ann helps Sam figure out how to make all sorts of valentines. But will Tiffany even notice Sam if he gives her a special valentine? Laura Malone Elliott and Lynn Munsinger's charming story shows how the best friends are often the ones you may not know you have—until Valentine's Day!—and even a simple string of hearts can show a friend how special he is.

**A Letter from Your Teacher** Shannon Olsen, 2022-03 From the author and illustrator of *Our Class is a Family*, this touching picture book expresses a teacher's sentiments and well wishes on the last day of school. Serving as a follow up to the letter in *A Letter From Your Teacher: On the First Day of School*, it's a read aloud for teachers to bid a special farewell to their students at the end of the school year. Through a letter written from the teacher's point of view, the class is invited to reflect back on memories made, connections formed, and challenges met. The letter expresses how proud their teacher is of

them, and how much they will be missed. Students will also leave on that last day knowing that their teacher is cheering them on for all of the exciting things to come in the future. There is a blank space on the last page for teachers to sign their own name, so that students know that the letter in the book is coming straight from them. With its sincere message and inclusive illustrations, *A Letter From Your Teacher: On the Last Day of School* is a valuable addition to any elementary school teacher's classroom library.

*Literacy Theory as Practice* Lara J. Handsfield, 2015-10-01 This comprehensive textbook introduces readers to the most influential theories and models of reading and literacy, ranging from behaviorism and early information-processing theories to social constructionist and critical theories. Focusing on how these theories connect with different curricular approaches to literacy instruction (pre-K to grade 12), the author shows how they both shape and are shaped by everyday literacy practices in classrooms. Readers are invited to explore detailed vignettes that offer a practice-based view of theories as they are brought to life in the classroom. Unlike other books on literacy theories, this one devotes substantial attention to linguistically and culturally diverse classrooms and 21st-century technologies. Book Features: Descriptions of well-known curricular models and assessment approaches. Detailed examples from specific areas of reading and literacy instruction that are prominent in today's schools. Textbox discussions exploring histories, terminology, and debates relevant to the theories presented. Examination of how theories and practices relate to current policy initiatives, such as the Common Core State Standards. User-friendly text features, such as charts, reference lists, and inset boxes to help clarify complex concepts. "In these times, when teachers are maligned in both the popular press and professional literature, a volume such as this offers the potential to provide intellectual freedom in the complex work of teaching." —From the Foreword by Annemarie Sullivan Palincsar, University of Michigan "Finally, a text that brings together and honors multiple perspectives and makes clear the power of a good theory for making sense of our worldviews. Handsfield provides elegant demonstrations of the relations of literacy theories to actions, decisions, and practices. A must-read for literacy educators and researchers." —Victoria Risko, Vanderbilt University
