Easy Learning ASL American Sign Language Dictionary Flash Cards Professional VisualClub,2019-05 Language is intrinsic as to expressing the feelings, thoughts, and fostering our emotions/intentions sharing with one another, whether if it's words, pictures, ideas, or whatever passes on with two individuals or groups. It's an important function that develop our relationship with others. Deaf people like to use sign language in such manner that share their valued communication which they can comfortably understand each other visually.The research shows that deaf and hearing children will learn sign language naturally if their parents and other people around them use the language. They will learn sign language in the same way as other children learn spoken languages like English. So it is important for schools to start teaching American Sign Language to students at a young age.
