Fair Play Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

Real-Life Rules Mariah Bruehl, 2018-09-04 Raise happy, confident, and resilient children--engaging activities that explore the life lessons that make for a well-rounded upbringing. As our children journey into adolescence, their social worlds begin to expand. While we can't protect them from what other people say or do, or paint them a picture of a perfect world, we can teach them how to handle themselves and difficult situations from the inside out. Teens and tweens crave more autonomy, but they need guidance more than ever. By equipping children with a variety of methods for dealing with different scenarios, we can give them the tools they need to navigate through life. This book offers insights, practical advice, and concrete activities that will serve children well as they begin to find their way independently in the world, while at the same time helping parents to provide them with scaffolding to be safe, happy, and successful. With chapters that focus on: · cultivating positive qualities such as gratitude, courage, integrity, and generosity · understanding health and nutrition · mastering simple etiquette · connecting with others, resolving conflict, and empathy · exploring fiscal responsibility · best

practices for social media and navigating the digital world · and more! Through hands-on projects, vivid graphic printables, and interactive activities, Real-Life Rules brings the whole family to the table, offering opportunities to explore, discuss, and experience both the concrete and abstract concepts that are critical for living a meaningful, thoughtful life.

Planning with Kids Nicole Avery,2011-05-04 The ultimate guide for parents who dream of having a little less chaos and a lot more time for the good things in life Written by mother of five, Nicole Avery, this book shows harried parents how, with just a bit of planning, family life can become easier to manage, less stressful, and decidedly more fun. Dream on, you say? I might as well try to herd cats as to get my kids to follow a lot of arbitrary rules! And Nicole would agree, which is why *Planning with Kids* isn't like any other parenting guide out there. It was inspired by Nicole's blog of the same name, which, over the past three years, has garnered a huge audience of likeminded parents who have achieved nothing short of miraculous results following her advice. While other prescriptive guides offer mums and dads cook-cutter solutions to the challenges of raising kids, this handbook focuses on one simple, straightforward idea: by implementing a few simple strategies for how you do things, you'll make more time for you to be you and your kids to be kids. You'll find strategies for streamlining and enhancing everything from the routines of daily life, to family relationships, to budgeting and finances, playtime and much more! Contains a full section on menus and cooking, including recipes, supported online by a planning-with-family meal planner Divided into sections so that readers can dip-in and dip-out for information as they need it as their family expands and grows up!

The Game of Life and How to Play It Florence Scovel Shinn,2008-11-24 Informal and humorous, this book shows how positive attitudes can make you a winner. Norman Vincent Peale endorsed it as a way to find prosperity, solve problems, have better health.

Simple Rules for Card Games Potter Gift,2013-05-14 Rules for Card Games is a sophisticated guide to 30 of the most popular card games with easy-to-follow text and illustrations. Perfectly priced at \$10.00, this hardcover volume is just the right impulse item to pair with high-end and inexpensive gifts alike (a bottle of scotch, a cocktail shaker, a tin of gourmet popcorn, or a classic pack of Bicycle playing cards). The book is designed with ultimate cross-over appeal in mind; it's a great offering for hostesses, dads, grandparents, and college kids. After all, card games bring all kinds of people together! While there are many ultimate card rule books crammed with fine print, this book represents a selective group of 30 of the most popular and easy-to-learn games. The text is easy to follow and, wherever possible, diagrams and illustrations are used to help spell out the rules and strategy.

The Thriving Adolescent Louise L. Hayes,Joseph V. Ciarrochi,2015-11-01 Adolescents face unique pressures and worries. Will they pass high school? Should they go to college? Will they find love? And what ways do they want to act in the world? The uncertainty surrounding the future can be overwhelming. Sadly, and all too often, if things don't go smoothly, adolescents will begin labeling themselves as losers, unpopular, unattractive, weird, or dumb. And, let's not forget the ubiquitous 'not good enough' story that often begins during these formative years. These labels are often carried forward throughout life. So what can you do, now, to help lighten this lifelong burden? The Thriving Adolescent offers teachers, counselors, and mental health professionals powerful techniques for working with adolescents. Based in proven- effective acceptance and commitment therapy (ACT), the skills and tips outlined in this book will help adolescents and teens manage difficult emotions, connect with their values, achieve mindfulness and vitality, and develop positive relationships with friends and family. The evidence-based practices in this book focus on developing a strong sense of self, and will give adolescents the confidence they need to make that difficult transition into adulthood. Whether it's school, family, or friend related, adolescents experience a profound level of stress, and often they lack the psychological tools to deal with stress in productive ways. The skills we impart to them now will help set the stage for a happy, healthy adulthood. If you work with adolescents or teens, this is a must-have addition to your professional library.

Blah Blah Blah Card Game MRS WORDSMITH,2020-02-25 Finally, a way to make practising phonics fun! Master decoding words using phonics with these three decks of increasing difficulty. Race to get rid of your cards by matching sounds and letters, and play wild cards to trip up your opponents! Blah Blah Blah is a hilariously fun card game, perfect for kids who are just starting to learn to read. Master decoding words using phonics with these three decks of increasing difficulty. Race to get rid of your cards by matching sounds and letters, and play wild cards to trip up your opponents! How does Blah Blah Blah work? Every card features a word consisting of three letters (or groups of letters). Each player takes seven cards. One card is placed face-up on the table with the rest of the deck in a pile, face-down. Players must play a card from their hand that contains at least one of the letters that are in the word on the table. The first player to get rid of all their

cards wins. But beware! Wild cards hidden in the deck can force you to skip your turn or draw more cards. Blah Blah Blah was developed with a unique proprietary algorithm by our machine learning team to make sure it works. And it was tested with teachers and kids to make sure they love it! Why are phonics so important? English consists of about 44 phonemes (sound variations), but more than 170 graphemes (different written representations for these sounds). This means that English has no strict one-to-one correspondence between letters and sounds, but it's also not entirely irregular. It involves numerous patterns and regularities. Phonics is the method that helps children become aware of these regularities, and it's proven to be very effective.

Tarot for Writers Corrine Kenner, 2009 Once reserved for mystics and seers, the tarot is one of the best tools for boosting your creativity and shifting your imagination into high gear. Famous authors such as John Steinbeck and Stephen King have used the tarot deck to tap into deep wells of inspiration, and you can enliven your own writing the same way--whether you craft short stories, novels, poetry, nonfiction, or even business proposals. This book on reading tarot cards and applying them to your writing will guide you through each stage of the creative process, from fleshing out a premise to promoting a finished work. Enhance your storytelling technique through over 500 enjoyable writing prompts, exploratory games for groups and individuals, tarot journaling, and other idea-stimulating activities that call upon the archetypal imagery and multi-layered symbolism in the tarot. Infuse flair and originality into your work as you learn to: Interpret symbols, myths, and learn to read all seventy-eight cards in the tarot card deck Use classic tarot layouts and spreads to structure your story Brainstorm story ideas and develop dialogue and plot Create detailed settings, powerful scenes, and dynamic characters Overcome writer's block and breathe new life into existing projects As a writer, you hold the power of creation in your hands. By exploring the tarot and incorporating it into your writing practice, you will set your creative potential soaring to new heights.
