Conquering the Federation has turned Nathan into a national hero, but also earned him countless enemies. The peace he has won looks short-lived. The Empire is fracturing around him as nobles fight over the throne. Civil war looms. Further north, the dark elves investigate the incident that nearly destroyed their ancient metropolis. Nathan finds himself dragged into dark elf politics, and sandwiched between Nurevia and Astra, two beautiful dark elf Champions who are old friends and rivals. Nathan's dark pact with the demonic Messengers will be the key to preventing the world from falling apart. He just needs to protect everyone he cares about in the process. [Demon's Throne 2](#) K D Robertson,2021-11-03 Rys is still shaking dust from his hair after a thousand years of sleep, and

he already finds himself in a two-front war. The sorcerers of the Malus League are summoning a demon lord, while his northern neighbor marches south. Now that Rys has claimed a kingdom, he needs to keep it. Naturally, he'll expand his territory while crushing his new enemies. Behind the scenes, the many spy networks of his opponents wage a continuous war. Rys gets his hands on his own spymaster, a pliable and energetic fox who is desperate to prove herself. The other nations want to manipulate him to their own ends. But he is nobody's puppet. When it's all over, he will stand atop the archipelago as its greatest power. *Demon's Throne* is an empire-building series with violence, undefined relationships, beast girls, and scenes that don't fade to black. Consider yourself warned.

While he has the support of his loving Champions, will the world judge him as kindly? All the while, complex schemes simmer elsewhere in the world. A beastkin obsessed with Nathan claims to be a prophet. Foreign nations meddle in the Empire and prepare to invade. And the unfathomable being behind the Messengers weaves chaos into everything. And the training master makes it clear he will not be training a girl. But then Bryn's biggest rival for the Seeker position, a boy named Ari, shows up at her door. He reveals the baby dragon he's been hiding, and the two strike a deal—if Bryn helps care for the dragon, Ari will share all his training with her. **From Drawing to Painting** Pierre Rosenberg,2023-10-17 Unique perspectives from an acclaimed art historian on the relationship between drawing and painting From Drawing to Painting interweaves biographical information about five renowned French artists—Nicolas Poussin, Antoine Watteau, Jean-Honoré Fragonard, Jacques-Louis David, and Jean-Auguste-Dominique Ingres—with a fascinating look at dozens of their drawings and the links that they have to their paintings. This book explores drawing as a site of reflection, the space between the idea of a painted image and its realization on canvas. How, why, and for whom did these artists draw? What value did they place on their drawings? How did their drawings get handed down to us? In what way do they enable us better to understand the artists' intentions, their creative processes, and to penetrate their worlds? Pierre Rosenberg determines that each artist approached drawing in a distinctive way, reflecting his individual training, work habits, and personal ambitions. For example, Poussin viewed his drawings simply as working documents, Watteau preferred his drawings to his paintings, and Fragonard made a lucrative business selling his graphic work. For David and Ingres, drawing had a considerable pedagogical function, whether in copying the great works of their predecessors or in sharpening their own techniques. From Drawing to Painting Offers an unprecedented view of the artistic process, and makes an important and beautiful addition to any art library. Please note: All images in this ebook are presented in black and white and have been reduced in size.

***Douglas F5D-1 Skylancer*** Steve Ginter,1996-08-01 The Douglas F5D-1 Skylancer was a progressive development of the F4D-1 Skyray. Many people believe that the Skylancer was a faster and better choice than its competitor, the Vought F8U Crusader. They believe that it had inherently better stretch potential to the point where it could have out-performed the F-4 Phantom if the J-79 engine had been installed as envisioned by Ed Heinemann.

**Heretic Spellblade 2** K D Robertson,2021-01-28 Changing history is harder than it appears. Every time Nathan thinks

he has stopped a world-ending war, he learns that somebody is trying to start it again. But once this is over, he'll be free to relax and spend some quality time with his Champions. As the war heats up, Nathan finds himself caught up in the schemes and fluffy tails of one of his former Champions, Narime. More figures from his past intrude, including a dark elf with a twisted personality and a princess who makes Nathan question his memories. Behind everything, Kadria lurks alongside the other Messengers. Nathan finds himself buried in politics and at risk of losing everything should his heretical alliance with her be discovered. In the end, the risk is worth it. Because the reward is to get back everything that Nathan lost. Heretic Spellblade contains plenty of violence, harem/undefined relationships, beast girls, and scenes that don't fade to black. Consider yourself warned.

**Demon's Throne 3** K D Robertson,2022-04-12 Hell knows that Rys is awake, and his old employers are keen to enforce his original contract. But there's a key difference between now and the last time he worked for them. They're stuck in Hell while he reigns in Harrium. He has no plans to serve his former masters. But despite the infernal powers circling him like vultures, Rys has unfinished business he needs to resolve. The Malus League retreated to lick its wounds after their confrontation with him, but he lacked the power to crush them once and for all. That needs to change and to do that he must reinforce his armies and construct alliances. If only the foxes from abroad would stop meddling in his affairs. Rys has enough on his plate without it being smothered in fluffy tails all the time. Demon's Throne is an empire-building series with violence, undefined relationships, beast girls, and scenes that don't fade to black. Consider yourself warned.
