**The Transhumanist Wager** Zoltan Istvan,2013 Philosopher, entrepreneur, and former National Geographic and New York Times correspondent Zoltan Istvan presents his visionary novel, The Transhumanist Wager, as a seminal statement of our times. Scorned by over 500 publishers and literary agents around the world, his philosophical thriller has been called revolutionary and socially dangerous by readers, scholars, and religious authorities. The novel debuts a challenging original philosophy, which rebuffs modern civilization by inviting the end of the human species-and declaring the onset of something greater. Set in the present day, the novel tells the story of transhumanist Jethro Knights and his unwavering quest for immortality via science and technology. Fighting against him are fanatical religious groups, economically depressed governments, and mystic Zoe Bach: a dazzling trauma surgeon and the love of his life, whose belief in spirituality and the afterlife is absolute. Exiled from America and reeling from personal tragedy, Knights forges a new nation of willing scientists on the world's largest seasteading project, Transhumania. When the world declares war against the floating city, demanding an end to its renegade and godless transhuman experiments and ambitions, Knights strikes back, leaving the planet forever changed.

Cravings Chrissy Teigen,Adeena Sussman,2016-02-23 Maybe she's on a photo shoot in Zanzibar. Maybe she's making people laugh on TV. But all Chrissy Teigen really wants to do is talk about dinner. Or breakfast. Lunch gets some love, too. For years, she's been collecting, cooking, and Instagramming her favorite recipes, and here they are: from breakfast all day to John's famous fried chicken with spicy honey butter to her mom's Thai classics. Salty, spicy, saucy, and fun as sin (that's the food, but that's Chrissy, too), these dishes are for family, for date night at home, for party time, and for a few life-sucks moments (salads). You'll learn the importance of chili peppers, the secret to cheesy-cheeseless eggs, and life tips like how to use bacon as a home fragrance, the single best way to wake up in the morning, and how not to overthink men or Brussels sprouts. Twelve Years a Slave Solomon Northup,2023-07-04 In 1841, Solomon Northup was a free black man, married with three children and living in upstate New York, when he was tricked into going to Washington DC. There, he was drugged, kidnapped, and sold into slavery, eventually ending up on a plantation in the Red River area of Louisiana. For twelve years he experienced and witnessed the arbitrary beatings and whippings, around-the-clock back-breaking work, and countless other degradations that came with being enslaved in the antebellum south. Through the sympathetic ear of a white man and with miraculous timing, he was eventually freed and returned home. He then wrote this memoir and contributed to the abolitionist movement before disappearing from the pages of history. Like *Incidents in the Life of a Slave Girl*, *Twelve Years a Slave* stands in stark contrast to the era's bucolic propaganda that the enslaved in the south were well treated, well provided for, and made "part of the family." As a first-hand account, it exposes slavery for what it is: barbaric, dehumanizing, and evil.
