The top-selling guide to Google's free online office suite is now available in a revised and expanded second edition. Thirty minutes is all you'll need to get up to speed with Google Drive, Google Docs, Google Sheets, and Google Slides, the free online productivity suite and alternative to Microsoft Office. Millions of people use the software every day. You can use Drive, Docs, Sheets, and Slides to perform the following tasks:

- Write letters and reports
- Crunch numbers and create online data entry forms
- Give presentations
- Collaborate online with classmates and colleagues
- Convert Microsoft Office documents to Google formats, and vice versa
- Print documents, drawings, and spreadsheets
- Export PDFs
- Make pie charts, bar charts, and simple tables
- Publish documents and spreadsheets online using the new Google Sites

After covering registration, file creation and other basics, *Google Drive and Docs In 30 Minutes (2nd Edition)* zeroes in on the most important time-saving tips and productivity tools. Highlights include:

- Converting files between Microsoft Office and Google formats.
- Best practices for organizing files in Google Drive.
- What to expect with collaboration and sharing.
- The pros and cons of Google's mobile apps for Drive, Docs, Sheets, and Slides.
- Accessing older versions of files.
- How to publish your documents to the Web for colleagues or members of the public to view.
- Functions, sorting and filtering in Google Sheets (with examples).
- Using Google Forms to gather data.
- Google Slides: Is it a suitable alternative to Microsoft PowerPoint?
- Working with offline files.
- Downloading third-party apps.

The tone of *Google Drive and Docs In 30 Minutes* is friendly and easy to understand, with lots of step-by-step instructions, screenshots, and examples. The guide can be used by anyone with a PC, Mac, or Chromebook. He has written several books in the *In 30 Minutes* series, including *Dropbox In 30 Minutes*, *Twitter In 30 Minutes*, and *Excel Basics In 30 Minutes*. Here's what readers are saying about *Google Drive & Docs In 30 Minutes*: "I am so glad this was made! I've been using Google Docs for a while now and have been encouraging my teacher colleagues to do so as well to facilitate collaboration. It has become my go-to text book to help new users understand quickly. If you're new to Google Drive or Google Documents, this will help you. If you're experienced, and want something to help those who come to you with questions, this is a nice tool to help them remember what you show them. I highly recommend it." "I just got a new position

that requires record keeping. Having used Google Docs in the past, I decided to update my knowledge. I googled Docs for dummies and this was one of the results. I liked the concept that the title implies - a concise guide that will distill what I need and allow me to complete a task quickly” “A clear and concise explanation of how to navigate your way through google docs.” “Excellent introduction to Google drive. Well researched, easy to read, nicely organized.”

**Designing Technical and Professional Communication** Deborah C. Andrews, Jason C. K. Tham, 2021-11-25 This concise and flexible core textbook integrates a design thinking approach, rhetorical strategies, and a global perspective to help students succeed as technical and professional communicators in today's multimodal, mobile, and global community. Design thinking and good communication practices are rooted in empathy and human values. The integrated approach fosters students' ability to address the complex problems they will face in their careers, where they will collaborate with people who present diverse expertise, cultures, languages, and values. This book introduces the knowledge and skills as well as agile activities that help students communicate on projects within local and global communities. Parts 1 and 2 introduce the strategies for design thinking, audience analysis, communicating ethically, collaborating professionally, and managing projects to define problems and implement solutions. In Parts 3 and 4, students learn to compose content in text and visuals. They learn to structure and deliver content by choosing the right genre and selecting effectively from the communication options available in today's multimodal environment. *Designing Technical and Professional Communication* serves as a flexible core textbook for technical and professional communication courses. **Google Apps for Seniors** Scott La Counte, 2019-08-29 Remember when you used to pay for things?! When computer software was almost as much as your new computer. Times have certainly changed! Today many companies are giving you all that stuff you used to pay hundreds of dollars for—for free! What's the catch? There has to be a catch! Sometimes there definitely is a catch...it's free, but you have to watch a 30 second commercial every five minutes. Or it's free but you have to pay a subscription once you start to really like it. In the case of Google Apps, it truly is free. No annoying ads. No money grabs. Nothing. For the price of nothing you are getting online software that is on par with the Office suite you grew to love—and pay hundreds of dollars for. That means you get writing software, spreadsheet software, presentation software, and more...and you don't pay a dime! Now you see why so many people are making the switch to Google Apps? Who wouldn't

want to pay nothing for good software? If you are interested in learning more about it, or you are ready to make the leap and become a free user, then this guide will show you the ropes and get you started as quickly as possible. Let's get started! This book is not endorsed by Alphabet, Inc.
