Learner Choice, Learner Voice Ryan L Schaaf, Becky Zayas, Ian Jukes, 2022-06-15 *Learner Choice, Learner Voice* offers fresh, forward-thinking supports for teachers creating an empowered, student-centered classroom. Learner agency is a major topic in today's schools, but what does it mean in practice, and how do these practices give students skills and opportunities they will need to thrive as citizens, parents, and workers in our ever-shifting climate? Showcasing authentic activities and classrooms, this book is full of diverse instructional experiences that will motivate your students to take an agile, adaptable role in their own learning. This wealth of pedagogical ideas - from specific to open-ended, low-tech to digital, self-expressive to collaborative, creative to critical - will help you discover the transformative effects of providing students with ownership, agency, and choice in their learning journeys.

Selling & Sales Management Lisa Spiller, 2021-09-01 Packed with engaging examples and case studies from companies including Amazon, IBM, and Pepsi, as well as unique insights from sales professionals across the globe, this comprehensive textbook balances research, theory, and practice to guide students through the art and science of selling in a fast-changing and digital age. The text highlights the emerging role of storytelling, sales analytics and automation in a highly competitive and technological world, and includes exercises and role plays for students to practice as they learn about each stage of the selling process. As well as its focus on selling, the text also provides students with essential sales management skills such as onboarding, coaching, mentoring, and leading salespeople, as well as managing sales pipelines, territories, budgets, systems, and teams when not in the field. Online resources are included to help instructors teaching with the textbook, including PowerPoint slides and a testbank. Chapter overviews and teaching notes for the roleplays included in the text and suggested course projects and worksheets are also provided for instructors. Suitable for courses on selling and sales management at all college and university levels.

PowerPoint 365 for Beginners M.L. Humphrey, 2023-12-17 Work in the corporate or academic worlds long enough and at some point you'll likely be asked to give a presentation. And most of the time the program you'll be expected to use is Microsoft PowerPoint. This book is an introductory guide to how to use PowerPoint 365 as it existed in October 2023. Since it's a constantly evolving product it might have shifted a bit since then, but the basics generally stay the same, so when you finish reading this book you should have the ability to create, present, and print a basic PowerPoint presentation. If you want to get fancier then you can continue with or skip right to Intermediate PowerPoint 365, which covers more advanced topics like tables, SmartArt, and charts. So if you're ready to learn the basics of PowerPoint, what are you waiting for? Let's get started.

Fixing PowerPoint Annoyances Echo Swinford, 2006-02-17 If you're vexed and perplexed by PowerPoint, pick up a copy of Fixing PowerPoint Annoyances. This funny, and often opinionated, guide is chock full of tools and techniques for eliminating all the problems that drive audiences and presenters crazy. There's nothing more discouraging than an unresponsive audience--or worse, one that snickers at your slides. And there's nothing more maddening than technical glitches that turn your carefully planned slide show into a car wreck. Envious when you see other presenters effectively use nifty features that you've never been able to get to work right? Suffer no more! Fixing PowerPoint Annoyances by Microsoft

PowerPoint MVP Echo Swinford rides to the rescue. Microsoft PowerPoint is the most popular presentation software on the planet, with an estimated 30 million presentations given each day. So no matter how frustrated you get, you're not about to chuck the program in the Recycle Bin. *Fixing PowerPoint Annoyances*, presents smart solutions to a variety of all-too-familiar, real-world annoyances. The book is divided into big categories, with annoyances grouped by topic. You can read it cover to cover or simply jump to the chapter or section most relevant to you. Inside its pages you'll learn how to create your own templates, work with multiple masters and slide layouts, and take advantage of various alignment and formatting tools. You'll also learn how to import Excel data; insert graphics, PDF, and Word content; create, edit, and format organization charts and diagrams; use action settings and hyperlinks to jump to other slides; and add sound, video, and other types of multimedia to spark up your presentations. Entertaining and informative, *Fixing PowerPoint Annoyances* is filled with humorous illustrations and packed with sidebars, tips, and tricks, as well as links to cool resources on the Web.

Making Business Of Social Media Raymond Wayne,2018-11-10 Imagining the Future Social media has brought people together in ways that were unimaginable just a decade or so ago, enabling us to forge or rekindle personal connections while presenting affordable possibilities to expand branding, credibility, and influence on a global level. Many businesses—large and small—are still catching up with technology, looking for ways to leverage these new opportunities and develop strategies to harness social media’s potential to achieve their marketing goals. It’s a safe bet that social media platforms will continue to innovate and evolve. The companies poised to make the most of those changes will be ones with flexible strategies that can adapt as tools and user behaviour shifts. Five-year plans are meaningless in the face of disruptive technology that is far from technological maturity. If you want to make the most of social media, you’re going to need to learn to go with the flow. No one can predict the next social media breakthrough. Yet it’s possible to make some educated guesses based on emerging

trends and technology. These shifts may have negligible impact on the way some businesses use social media and present enormous opportunities for others. It will be up to you to watch for new platforms and capabilities and see the possibilities they offer yet here , this book has already brought all readers to the Forefront of Social Media Advancement .
