Feathers from My Nest Beth Moore,2005-04-01 Beth Moore is widely known and respected as an engaging and effective speaker, Bible teacher, and best-selling author. Feathers from My Nest reveals a more contemplative and personal side of Beth, very much in the spirit of her Things Pondered. Feathers from My Nest is a collection of vignettes, as Beth reflects on items belonging to her daughters who have left the nest for college. As she ponders each item, rich in memories, Beth draws from its spiritual significance. This book not only tugs gently on the sentimental heartstrings of parents, it also reminds us all of the gift of grace children offer our lives every day.

Fair Play Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out

what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

When Lola Visits Michelle Sterling,2021-05-18 Four starred reviews! In an evocative picture book brimming with the scents, tastes, and traditions that define a young girl's summer with her grandmother, debut author Michelle Sterling and illustrator Aaron Asis come together to celebrate the gentle bonds of familial love that span oceans and generations. For one young girl, summer is the season of no school, of days spent at the pool, and of picking golden limes off the trees. But summer doesn't start until her lola—her grandmother from the Philippines—comes for her annual visit. Summer is special. For her lola fills the house with the aroma of mango jam, funny stories of baking mishaps, and her quiet sweet singing in Tagalog. And in turn, her granddaughter brings Lola to the beach, to view fireworks at the park, and to catch fish at their lake. When Lola visits, the whole family gathers to cook and eat and share in their happiness of another season spent together. Yet as summer transitions to fall, her lola must return home—but not without a surprise for her granddaughter to preserve their special summer a bit longer. * BookPage Best Books of the Year * The New York Public Library's Best Books of

Grandparenting with a Purpose Lillian Ann Penner,2010-11 Maybe your grandchildren are living with you. Maybe they're thousands of miles away. Their parents may be spiritually rebellious or simply neglectful of the family's spiritual life, failing to make prayer and church attendance a regular part of their routine. But even if your grandchildren's parents have established a strong Christian home, busy schedules, jobs, parenting, and all the distractions of today's world conspire to distract or even destroy the family. How can you, as a grandparent, help? God gives grandparents a sacred trust an opportunity to imprint another generation with the message of his faithfulness. You can stand in the gap by being a godly example for your grandchildren and by praying for them. Even grandparents who already pray regularly for their grandchildren will discover creative suggestions for making the practice even more meaningful. From cell phones to photo prayer journals, you'll find tools that work for you and for your grandchildren. Author Lillian Ann Penner provides specific examples of prayers to help you get started, such as alphabet prayers, prayers based on special scriptures, and prayers for certain holidays. You may even widen the circle, praying for other children in your life, for children who have parents in the military, and for the adults who influence your grandchildren. Regardless of how far away your grandchildren are, praying for them can bridge the distance between you and leave them with an inheritance more precious than gold.

Grand-O-Grams Marianne Richmond,2004-09 Any season is a reason to be in touch with your grandchildren! Use these 40 fun postcards to say hello, send a hug, or to remind them how much you love them. You may even inspire a return letter!
