Corps Strength Paul J. Jr. Roarke,Paul J. Roarke,2010-09 Renowned for its rigorous fitness training, the Marine Corps requires every member to be physically fit, regardless of age, grade, or duty assignment. Corps Strength applies the same techniques used to develop and maintain each Marine's combat readiness to a day-to-day program for top-level fitness. Every aspect of training is incorporated into the program - including warm-ups, stretching, upper body, core strength, lower body, cardio, running, goal-setting, and motivation. The author has trained thousands of people and witnessed time and again the amazing results achieved by these proven techniques. Regardless of current fitness levels, this personalized training methodology will enable readers to begin today and immediately progress in absolute strength, muscular endurance, aerobic capacity, and joint flexibility. The workouts in this book are packed with grueling mind- and body-draining tasks that test the mettle of any athlete while bringing him or her to top physical form.

Classified Karen Pittelman,Resource Generation,2005-12-23 Use your advantage to fight for social change with this

resource guide for people with class privilege who are tired of cover-ups and ready to figure out how to use privilege for the good of the world. The fight for economic justice can draw stark battle lines, with the fight portrayed simplistically as Us versus Them, with the rich in the role of Them. So where does that leave young people with wealth who believe in social change? Afraid of being branded the enemy, yet deeply committed to social justice, they're left in a confusing no-man's land. This conflict can lead most young people with wealth to keep their privilege hidden, making it impossible for them to bring their resources, access, and connections to the struggle for social change. Coauthored by Karen Pittelman, who dissolved her \$3 million trust fund to cofound a foundation for low-income women activists, *Classified* is a resource guide for people with class privilege who are tired of cover-ups and ready to figure out how their privilege really works. Complete with comics, exercises, and personal stories, this book gives readers the tools they need to put their privilege to work for social change.

Atomic Habits James Clear, 2018-10-16 The #1 New York Times bestseller. Over 20 million copies sold! Translated into 60+ languages! Tiny Changes, Remarkable Results No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to

quit smoking, lose weight, reduce stress, or achieve any other goal.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Army Food Program Department of the Army,2012-07-24 This regulation encompasses garrison, field, and subsistence supply operations. Specifically, this regulation comprises Army Staff and major Army command responsibilities and includes responsibilities for the Installation Management Command and subordinate regions. It also establishes policy for the adoption of an à la carte dining facility and for watercraft to provide subsistence when underway or in dock. Additionally, the regulation identifies DOD 7000.14-R as the source of meal rates for reimbursement purposes; delegates the approval authority for catered meals and host nation meals from Headquarters, Department of the Army to the Army commands; and

authorizes the use of the Government purchase card for subsistence purchases when in the best interest of the Government. This regulation allows prime vendors as the source of garrison supply and pricing and provides garrison menu standards in accordance with The Surgeon General's nutrition standards for feeding military personnel. Also, included is guidance for the implementation of the U.S. Department of Agriculture Food Recovery Program.

The Core 4 Steph Gaudreau, 2019-07-30 At Last, a No-Bullsh*t, Shame-Free Strength Transformation Program Since 2011, nutrition and fitness expert Steph Gaudreau has impacted the lives of thousands of women through her fierce-love approach to strength and badassery, what she calls The Core 4. The success of her program can be found in the astounding health results from those women who have tried it—including muscle definition, body confidence, restful sleep, and a strong powerful outlook that permeates every facet of life. In THE CORE 4 Steph finally offers women a strong body and mind achieved through minimal time on the treadmill, simple workouts, targeted nutrition (that is also delicious!), and mindset practices with clear results. When you focus on The Core 4--Eat Nourishing Foods, Move with Intention, Recharge Your Energy, and Empower Your Mind--you give yourself the gifts of care, strength, and resiliency, and take a powerful step toward the life you want. “By refusing to let your weight measure your worth. By nourishing your body. By listening to your intuition as a guide. By taking your power back. I guarantee you’ll start feeling energetic, active, confident, strong, resilient, and ready to change the world.”—Steph Gaudreau

School, Family, and Community Partnerships Joyce L. Epstein, Mavis G. Sanders, Steven B. Sheldon, Beth S. Simon, Karen Clark Salinas, Natalie Rodriguez Jansorn, Frances L. Van Voorhis, Cecelia S. Martin, Brenda G. Thomas, Marsha D. Greenfeld, Darcy J. Hutchins, Kenyatta J. Williams, 2018-07-19 Strengthen programs of family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Based on 30 years of research and fieldwork, the fourth edition of the bestseller *School, Family, and Community Partnerships: Your Handbook for Action*, presents tools and guidelines to help develop more effective and more equitable programs of family and community engagement. Written by a team of well-known experts, it provides a theory and framework of six types of involvement for action; up-to-date research on school, family, and community collaboration; and new materials for professional development and on-going technical assistance. Readers also will find: Examples of best practices on the six types of involvement from preschools, and elementary, middle, and high schools Checklists, templates, and evaluations to plan goal-linked partnership programs and assess progress CD-ROM with slides and notes for two presentations: A new awareness session to orient colleagues on the major components of a research-based partnership program, and a full One-Day Team Training Workshop to prepare school teams to develop their partnership programs. As a foundational text, this handbook demonstrates a proven approach to implement and sustain inclusive, goal-linked programs of partnership. It shows how a good partnership program is an essential component of good school organization and school improvement for student success. This book will help every district and all schools strengthen and continually improve their programs of family and community engagement.

Mollie Makes: Making It! Mollie Makes, 2015-04-16 Love knitting but not so hot on accounting? A whiz on a sewing machine but no good with a spreadsheet? Then this book is for you! Craft is now a viable career choice. Shoppers are choosing handmade gifts rather than buying impersonal high street products - and new craft businesses are springing up all the time. Whether you are an amateur knitter thinking about selling your work at a local market or an established company looking to drive more traffic to your website, this handy pocket-sized book contains everything you need to know about combining craft and business. Making the leap from a hobby to a more serious money-making venture can seem daunting. The aim of this book is to answer the questions you didn't know you had, with clear, concise information on everything from identifying your audience, branding and approaching retailers to social networking and much more. Sections on legal issues, copyright and basic accounting will guide you through potential minefields, while inspirational case studies from Mollie Makes' favourite crafters will show that it really is possible to make money doing something you love. Includes contributions from Cut Out + Keep, Hope & Elvis and Clothkits as well as expert advice from Etsy, Folksy, The Design Trust and others.
