**Fair Play** Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

**Danielle Walker's Against All Grain Celebrations** Danielle Walker,2016-09-27 NEW YORK TIMES BESTSELLER • 125 recipes for grain-free, dairy-free, and gluten-free comfort food dishes for holidays and special occasions NAMED ONE OF THE FIVE BEST GLUTEN-FREE COOKBOOKS OF ALL TIME BY MINDBODYGREEN When people adopt a new diet for health or personal reasons, they worry most about the parties, holidays, and events with strong food traditions, fearing their fond memories will be lost along with the newly eliminated food groups. After suffering for years with a debilitating autoimmune disease and missing many of these special occasions herself, Danielle Walker has revived the joy that cooking for holidays can bring in Danielle Walker's Against All Grain Celebrations, a collection of recipes and menus for twelve special occasions throughout the year. Featuring a variety of birthday cakes, finger foods to serve at a baby or bridal shower, and re-creations of backyard barbecue standards like peach cobbler and corn bread, Danielle includes all of the classics. There’s a full Thanksgiving spread—complete with turkey and stuffing, creamy green bean casserole, and pies—and menus for Christmas dinner; a New Year's Eve cocktail party and Easter brunch are covered, along with suggestions for beverages and cocktails and the all-important desserts. Recipes can be mixed and matched among the various occasions, and many of the dishes are simple enough for everyday cooking. Stunning full-color photographs of every dish make browsing the pages as delightful as cooking the recipes, and beautiful party images provide approachable and creative entertaining ideas. Making recipes using

unfamiliar ingredients can cause anxiety, and while trying a new menu on a regular weeknight leaves some room for error, the meal simply cannot fail when you have a table full of guests celebrating a special occasion. Danielle has transformed her most cherished family traditions into trustworthy recipes you can feel confident serving, whether you're hosting a special guest with food allergies, or cooking for a crowd of regular grain-eaters.

Combining her awesome skills as a baker, confectioner, and painter, she has created a gorgeous, innovative cookbook, designed to unleash the creative side of every baker. As a result, *SprinkleBakes* is at once a breathtakingly comprehensive dessert cookbook and an artist's instructional that explains brush strokes, sculpture molds, color theory, and much more. With easy-to-follow instructions and beautiful step-by-step photographs, Heather shows how anyone can make her jaw-dropping creations, from Mehndi Hand Ginger Cookies to Snow Glass Apples to her seasonal masterpiece, a Duraflame(R)-inspired Yule Log..

Nancy Turner burst onto the literary scene with her hugely popular novels *These Is My Words*, *Sarah's Quilt*, and *The Star Garden*. Now, Turner has written the novel she was born to write, this exciting and heartfelt story of a woman struggling to find herself during the tumultuous years preceding the American Revolution. The year is 1729, and Resolute Talbot and her siblings are captured by pirates, taken from their family in Jamaica, and brought to the New World. Resolute and her sister are sold into slavery in colonial New England and taught the trade of spinning and weaving. When Resolute finds herself alone in Lexington, Massachusetts, she struggles to find her way in a society that is quick to judge a young woman without a family. As the seeds of rebellion against England grow, Resolute is torn between following the rules and breaking free. Resolute's talent at the loom places her at the center of an incredible web of secrecy that helped drive the American Revolution. Heart-wrenching, brilliantly written, and packed to the brim with adventure, *My Name is Resolute* is destined to be an instant classic.
