Multidimensional Hockey Drills and Training Jukka Aro, 2019-04-15 How should a modern hockey drill and practice look like? How much does the console games affect your players and in what way, something negative or is it an opportunity? What can we hockey coaches learn from the world of console games? These are questions that are handled in the book and transferred as practical examples to hockey drills! Personally, I am not a big fan of console games, even if it can sometimes, surely be perceived that way in the book. For example, I would prefer that my own children were more physically active than they are right now! Probably I'm not alone about that idea? But I try to understand, see the possibilities, and handle the new challenges, as a parent and coach and share these lessons, connections, development and opportunities for you as a hockey coach and, or parent. How do you change a one dimensional hockey drill to a modern multidimensional hockey drill? Or what components are needed in a modern skill developing hockey drill? Learnings from console games are transferred in practice

to your on ice drills and off-ice practices, with over 200 hockey drills in the end.

Hockey leadership and coaching Jukka Aro,2019-05-16 What is required from a successful hockey coach or a hockey team? How can you as the coach bring your team to the next level on ice, but also see and strengthen each individual in the team? How do you create engagement, work with goal setting, teambuilding, strengthen your players hockey capacity, run efficient on ice practices, reduce collaboration losses, get results and work with your communication and feedback, to develop your team and yourself? The team development and leadership areas are connected to an easy to use and practical leadership model, strengthened with examples, teambuilding exercises, on and off ice practices and hockey drills for you to use. Is it possible to predict whether a hockey player, hockey team or a hockey coach will be successful? I say it is, and luck has nothing to do with it!
