

Homer Simpson Meme Template

Matt Groening

The Routledge Handbook of Remix Studies and Digital Humanities Eduardo Navas, Owen Gallagher, xtine burrough, 2021-02-14 In this comprehensive and highly interdisciplinary companion, contributors reflect on remix across the broad spectrum of media and culture, with each chapter offering in-depth reflections on the relationship between remix studies and the digital humanities. The anthology is organized into sections that explore remix studies and digital humanities in relation to topics such as archives, artificial intelligence, cinema, epistemology, gaming, generative art, hacking, pedagogy, sound, and VR, among other subjects of study. Selected chapters focus on practice-based projects produced by artists, designers, remix studies scholars, and digital humanists. With this mix of practical and theoretical chapters, editors Navas, Gallagher, and burrough offer a tapestry of critical reflection on the contemporary cultural and political implications of remix studies and the digital humanities, functioning as an ideal reference manual to these evolving areas of study across the arts, humanities, and social sciences. This book will be of particular interest to students and scholars of digital humanities, remix studies, media arts, information studies, interactive arts and technology, and digital media studies.

Precarious Youth in Contemporary Graphic Narratives María Porrás Sánchez, Gerardo Vilches, 2022-09-26 This volume explores comics as examples of moral outrage in the face of a reality in which precariousness has become an inherent part of young lives. Taking a thematic approach, the chapters devote attention to the expression and representation of precarious subjectivities, as well as to the economic and professional precarity that characterizes comics creation and production. An international team of authors, young and senior systematically examines the representation of precarious youth in graphic fiction and autobiographic comics, superheroes and precarity, market issues and spaces of activism and vulnerability. With this structure, the book offers a global perspective and comprehensive coverage of different aspects of a complex and multifaceted field of knowledge, with a special attention to minorities and liminal subjects. The comics analyzed function as examples of ethical solicitation that bear witness of the precarious existence younger generations endure, while at the same time creating images that voice their outrage and might move readers to act. This timely and truly interdisciplinary volume will appeal to comics scholars and researchers in the areas of media and cultural studies, modern languages, education, art and design, communication studies, sociology, medical humanities and more.

Post Memes Daniel Bristow, Alfie Bown, 2019 Art-form, send-up, farce, ironic disarticulation, pastiche, propaganda,

trololololol, mode of critique, mode of production, means of politicisation, even of subjectivation - memes are the inner currency of the internet's circulatory system. Independent of any one set value, memes are famously the mode of conveyance for the alt-right, the irony left, and the apoliticals alike, and they are impervious to many economic valuations: the attempts made in co-opting their discourse in advertising and big business have made little headway, and have usually been derailed by retaliative meming. POST MEMES: SEIZING THE MEMES OF PRODUCTION takes advantage of the meme's subversive adaptability and ripeness for a focused, in-depth study. Pulling together the interrogative forces of a raft of thinkers at the forefront of tech theory and media dissection, this collection of essays paves a way to articulating the semiotic fabric of the early 21st century's most prevalent means of content posting, and aims at the very seizing of the memes of production for the imagining and creation of new political horizons. With contributions from Scott and McKenzie Wark, Patricia Reed, Jay Owens, Thomas Hobson and Kaajal Modi, Dominic Pettman, Bogna M. Konior, and Eric Wilson, among others, this essay volume offers the freshest approaches available in the field of memes studies and inaugurates a new kind of writing about the newest manifestations of the written online. The book aims to become the go-to resource for all students and scholars of memes, and will be of the utmost interest to anyone interested in the internet's most viral phenomenon. ABOUT THE EDITORS ALFIE BOWN is the author of several books including *The Playstation Dreamworld* (Polity, 2017) and *In the Event of Laughter: Psychoanalysis, Literature and Comedy* (Bloomsbury, 2018). He is also a journalist for the Guardian, the Paris Review, and other outlets. DAN BRISTOW is a recovering academic, a bookseller, and author of *Joyce and Lacan: Reading, Writing, and Psychoanalysis* (Routledge, 2016) and *2001: A Space Odyssey and Lacanian Psychoanalytic Theory* (Palgrave, 2017). He is also the co-creator with Alfie Bown of *Everyday Analysis*, now based at New Socialist magazine.

Virtue Bombs Christian Toto, 2022-01-18 Hollywood's Dream Factory is now a nightmare of woke restrictions, Identity Politics run amok, and freedom-snuffing rules and regulations. The Oscars are unwatchable, as are many films and television shows thanks to the woke revolution. *Virtue Bombs* breaks down where Hollywood went so wrong, illustrates the slow-motion disaster infiltrating the industry, and offers a glimmer of hope for a woke-free tomorrow. Award-winning film critic Christian Toto has all the receipts, showcasing Hollywood's virtue-signaling follies and how it could get much, much worse before it gets better.

Intermedial Studies Jørgen Bruhn, Beate Schirrmacher, 2021-11-17 *Intermedial Studies* provides a concise, hands-on introduction to the analysis of a broad array of texts from a variety of media - including literature, film, music, performance, news and videogames, addressing fiction and non-fiction, mass media and social media. The detailed introduction offers a short history of the field and outlines the main theoretical approaches to the field. Part I explains the approach, examining and exemplifying the dimensions that construct every media product. The following sections offer practical examples and case studies using many examples, which will be familiar to students, from Sherlock Holmes and football, to news, vlogs and

videogames. This book is the only textbook taking both a theoretical and practical approach to intermedial studies. The book will be of use to students from a variety of disciplines looking at any form of adaptation, from comparative literature to film adaptations, fan fictions and spoken performances. The book equips students with the language and understanding to confidently and competently apply their own intermedial analysis to any text.

Discourse of Twitter and Social Media Michele Zappavigna, 2012-02-23 Social media such as microblogging services and social networking sites are changing the way people interact online and search for information and opinions. This book investigates linguistic patterns in electronic discourse, looking at online evaluative language, Internet slang, memes and ambient affiliation using a large Twitter corpus (over 100 million tweets) alongside specialized case studies. The author argues that we are currently witnessing a cultural movement from online conversation to what can be termed 'searchable talk' - online talk where people affiliate by making their discourse findable (for example, via metadata such as Twitter hashtags) by others holding similar interests. This cutting edge text will be of interest to all scholars and students dealing with electronically mediated discourse.

The Simpsons and Their Mathematical Secrets Simon Singh, 2013-01-01 From bestselling author of Fermat's Last Theorem, a must-have for number lovers and Simpsons fans

Cocktail Chemistry Nick Fisher, 2022-05-17 "Cocktail Chemistry offers the essential knowledge, techniques, and flair for creating perfectly mixed drinks at home." —Bartender Magazine Enjoy clever, pop culture-inspired drinks with this collection of more than 80 recipes from the beloved Cocktail Chemistry YouTube channel. Have you ever seen a delicious-looking drink on your favorite movie or TV show and wondered how to make it? In addition to recipes, *Cocktail Chemistry* includes everything you need to know to become a mixology expert, from how to make perfectly clear ice, delicious foams, and infusions, or how to flame a citrus peel. A must-have for all aspiring home mixologists and pop-culture buffs, *Cocktail Chemistry* will ensure you never have a boring drink again.

Climbing Mount Implausible Damien Broderick, 2010-01-01 *Climbing Mount Implausible* showcases a writer's growth though nearly fifty years of questing into the future. It includes his first published stories, plus detailed notes on his own evolution as a writer, his recent Philip K. Dick tribute, *Dead Air*, and an outrageously funny collaboration with Paul Di Filippo, *Cockroach Love*.

Homer's Epics Homer, 2020-11-03 These two timeless epics by the ancient Greek poet—each translated by a world-

renowned author—have captured the Western imagination for millennia. The Iliad: Alexander Pope “works miracles” in this beautiful verse translation of Homer’s epic poem set near the end of the Trojan War. It centers on a quarrel between the invading Greek king Agamemnon and his greatest asset in battle, the warrior Achilles. From this conflict, Homer weaves a tale of warring nations, vengeful gods, and the terrible consequences of prideful rage (The New York Times). The Odyssey: The Trojan War is over and Odysseus, the king of Ithaca, embarks to return home. But he is cursed by the god Poseidon to wander the perilous earth for ten years before reaching his destination. Homer’s epic adventure of survival by wit and battling mythical creatures is presented here in a stirring prose translation by Samuel Butler.

Français Interactif Karen Kelton, Nancy Guilloteau, Carl Blyth, 2019-08-15 This textbook includes all 13 chapters of Français interactif. It accompanies www.laits.utexas.edu/fi, the web-based French program developed and in use at the University of Texas since 2004, and its companion site, Tex's French Grammar (2000) www.laits.utexas.edu/tex/ Français interactif is an open access site, a free and open multimedia resources, which requires neither password nor fees. Français interactif has been funded and created by Liberal Arts Instructional Technology Services at the University of Texas, and is currently supported by COERLL, the Center for Open Educational Resources and Language Learning UT-Austin, and the U.S. Department of Education Fund for the Improvement of Post-Secondary Education (FIPSE Grant P116B070251) as an example of the open access initiative.

The Homer Book Matt Groening, 2005-10-18 The Homer Book is now being released in hardback, as part of the ongoing series: The Simpsons Library of Wisdom. Homer Simpson is a man's man, an 'Average Joe', a loving father and husband, and a devoted beer drinker. But do you know the 'real' Homer? Find out what's on Homer's mind, discover the mysteries of Homer's fridge, hang out in Homer's haunts; meet his friends and enemies; and spend a typical day with the lovable lout who will lift you out of your D'oh-ldrums. In The Simpsons Library of Wisdom, Matt Groening, the creator of 'The Simpsons', offers an ongoing series of portable and quotable books that will eliminate the need for all religions and philosophies, exalt man's role in the universe and make the world a better place ... sort of. No other television show in history has commented so freely and so humorously on modern times, and there seems to be no end in sight for the sharp satire and pointed parody that 'The Simpsons' serves up every night of the week all around the world.

App Empire Chad Mureta, 2012-03-27 A guide to building wealth by designing, creating, and marketing a successful app across any platform Chad Mureta has made millions starting and running his own successful app business, and now he explains how you can do it, too, in this non-technical, easy-to-follow guide. App Empire provides the confidence and the tools necessary for taking the next step towards financial success and freedom. The book caters to many platforms including iPhone, iPad, Android, and BlackBerry. This book includes real-world examples to inspire those who are looking to cash in on the App gold rush. Learn how to set up your business so that it works while you don't, and turn a simple idea into a passive

revenue stream. Discover marketing strategies that few developers know and/or use Learn the success formula for getting thousands of downloads a day for one App Learn the secret to why some Apps get visibility while others don't Get insights to help you understand the App store market App Empire delivers advice on the most essential things you must do in order to achieve success with an app. Turn your simple app idea into cash flow today!

The Gastro-Archeologist Jeremy Woodward,2021-02-03 In order to understand common conditions such as coeliac disease and Crohn's disease, one must view the gut in its evolutionary context. This is the novel approach to the gut and its diseases that is adopted in this book. The first part tells the story of the evolution of the gut itself - why it came about and how it has influenced the evolution of animals ever since. The second part focuses on the evolution of immunity and how the layers of immune mechanisms are retained in the gut, resembling the strata revealed in an archeological dig. The final part, 'The Gastro-Archeologist', ties the first two together and highlights how understanding the gut and immune system in their evolutionary context can help us understand diseases affecting them. Ambitious in its scope but telling a unique story from a refreshingly novel perspective, the book offers an informative and enjoyable read. As the story of the gut, immunity and disease unfolds, the author aims to endow readers with the same sense of awe and excitement that the subject evokes in him. Difficult concepts are illustrated using simple and colourful analogies, and the main content is supplemented with anecdotes and unusual and amusing facts throughout the book. The book is intended for anyone with an interest in the gut, its immunity and diseases, ranging from school and college biology and biomedical students, to professionals working in the field, and to patients suffering from intestinal diseases who want to understand more about their conditions.

The Information James Gleick,2011-03-01 From the bestselling author of the acclaimed Chaos and Genius comes a thoughtful and provocative exploration of the big ideas of the modern era: Information, communication, and information theory. Acclaimed science writer James Gleick presents an eye-opening vision of how our relationship to information has transformed the very nature of human consciousness. A fascinating intellectual journey through the history of communication and information, from the language of Africa's talking drums to the invention of written alphabets; from the electronic transmission of code to the origins of information theory, into the new information age and the current deluge of news, tweets, images, and blogs. Along the way, Gleick profiles key innovators, including Charles Babbage, Ada Lovelace, Samuel Morse, and Claude Shannon, and reveals how our understanding of information is transforming not only how we look at the world, but how we live. A New York Times Notable Book A Los Angeles Times and Cleveland Plain Dealer Best Book of the Year Winner of the PEN/E. O. Wilson Literary Science Writing Award

Planet Simpson Chris Turner,2010-05-28 A smart, accessible and funny cultural analysis of The Simpsons, its inside stories and the world it reflects. From Bart Simpson to Monty Burns, the Internet boom to the slow drowning of Tuvalu, Planet Simpson explores how one of the most popular shows in television history has changed the way we look at our

bewildering times. Award-winning journalist Chris Turner delves into the most esoteric of Simpsons fansites and on-line subcultures, the show's inside jokes, its sharpest parodies and its ongoing love-hate relationship with celebrity to reveal a rarity of literary accomplishment and pop-cultural import — something never before achieved by a cartoon. Complementing its satirical brilliance, *The Simpsons* boasts a beloved cast of characters, examined here in playful and scrupulous detail: Homer, selfish, tyrannical and not too bright, but always contentedly beholden to his family; Bart, pre-teen nihilist and punk icon; Lisa, junior feminist crusader; and Marge, archetypical middle-American mother, perpetually dragging her family kicking and screaming to higher moral ground. And while the voice actors behind the regular cast have eschewed celebrity, Turner considers why a stunning host of guests — Hollywood icons and has-beens, politicians, professional athletes, poets and pop stars — have submitted themselves to the parodic whims of the Simpsons' writers. Intelligent and rambunctious, absorbing and comic, *Planet Simpson* mines this modern cultural institution for its imaginative, hilarious, but always dead-on, reflections on our world. Excerpt from *Planet Simpson Three Fun Facts About "D'oh!"* 1. The Oxford English Dictionary defines "d'oh" as "Expressing frustration at the realization that things have turned out badly or not as planned, or that one has just said or done something foolish." 2. The origins of "D'oh!" A Tracey Ullman- era Simpsons script called for Homer to respond to an unfortunate turn of events thus: "[annoyed grunt]." Dan Castellaneta, the voice-actor who plays Homer, improvised the exclamation, "D'oh!" It stuck. 3. The godfather of "D'oh!" Dan Castellaneta freely admits that he lifted Homer's famous yelp from James Finlayson, a Scottish actor who played a bald, cross-eyed villain in a number of Laurel & Hardy films in the 1930s. Finlayson's annoyed grunt was a more drawn-out groan — Dooooohhh! Castellaneta sped it up to create Homer's trademark.

Beautiful Bastard Christina Lauren, 2013-02-12 An ambitious intern. A perfectionist executive. And a whole lot of name calling. Discover the story that garnered more than two million reads online. Whip-smart, hardworking, and on her way to an MBA, Chloe Mills has only one problem: her boss, Bennett Ryan. He's exacting, blunt, inconsiderate—and completely irresistible. A Beautiful Bastard. Bennett has returned to Chicago from France to take a vital role in his family's massive media business. He never expected that the assistant who'd been helping him from abroad was the gorgeous, innocently provocative—completely infuriating—creature he now has to see every day. Despite the rumors, he's never been one for a workplace hookup. But Chloe's so tempting he's willing to bend the rules—or outright smash them—if it means he can have her. All over the office. As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they're willing to lose in order to win each other. Originally only available online as *The Office* by *tby789*—and garnering over 2 million reads on fanfiction sites—*Beautiful Bastard* has been extensively updated for re-release.

TikTok Gabriele Marino, Bruno Surace, 2023-06-30T00:00:00+02:00 Il primo saggio italiano dedicato a TikTok esplora finalmente a fondo questo nuovo universo comunicativo e culturale, tra rigore accademico e scrittura divulgativa, analisi

scientifica e sguardo da insider. Il testo propone un inquadramento teorico scritto pensando oltre le rigide griglie del linguaggio specialistico e arricchito da uno sguardo interdisciplinare (sociologia, media studies, semiotica, linguistica). I capitoli presentano una suddivisione tematica: i formati e i generi audiovisivi, il sound e la musica, la moda e i personaggi, la lingua e il gergo, la sessualità e le modalità di autorappresentazione. Il volume si rivolge a quanti vogliono comprendere TikTok al di là del suo funzionamento tecnico e della sua monetizzabilità, approcciandolo come oggetto culturale a 360 gradi: professionisti della comunicazione e del marketing, studiosi e studenti dei corsi di comunicazione, creativi e content creator.

Trademarks on Base-metal Tableware Eileen Woodhead, 1991 Over the past decade the Metal Unit of the Material Culture Section, Archaeology Research Division, Canadian Parks Service, has maintained a reference file identifying marks found on metal artifacts. This document is a selection of marks on file that relate primarily to tableware items, from the late 18th century to about 1900.

The Mindset Lists of American History Tom McBride, Ron Nief, 2011-05-25 Snapshots of the U.S.'s last nine generations—from the creators of the Mindset List media sensation Just as high school graduates in 1957 couldn't imagine life without zippers, those of 2009 can't imagine having to enter phone booths and deposit coins in order to call someone from the street corner. Every August, the Mindset List highlights the cultural touchstones that have shaped the lives of that year's incoming college class. Now this fascinating book extends the Mindset List approach to dramatize what it was like to grow up for every American generation since 1880, showcasing the remarkable changes in what Americans have considered normal about the world around them. Expands Tom McBride and Ron Nief's popular annual Mindset Lists to explore the mindset of nine generations of Americans, from 1880 to the future high school graduates of 2030 Offers a novel and absorbing way to understand the frame of reference of Americans through history, whether it's the high school grads of 1918, who viewed riding an elevator as a thrill second only to roller coasters, or those of 2009, who have always thought of friend as an active verb Puts a human face on the evolution of historical changes related to technology, the struggle for rights and equality, the calamities of war and depression, and other areas The annual Mindset List garners extensive media attention, including on Today, The Early Show, the NBC Nightly News, CNN, and Fox as well as in the Wall Street Journal, the New York Times, USA Today, the Los Angeles Times, Time magazine, and hundreds of international publications Whatever your own generational mindset, this book will give you an entertaining and important new tool for understanding the unique perspective and experience of Americans over more than a hundred and fifty years.
