Creative Business Cards Carmen Fong,Shantell Chen,2014 Business cards are a statement of identity. Capable of conveying much more than contact information, they represent the creativity or style of a company in a very portable format.

As an historical artifact in the digital age, they are constantly in danger of obsolescence and only those that truly stand out are memorable. One way to achieve the note

How to Start Your Own House Cleaning Company Angela Brown,2016-03-09 Start a house cleaning business with this step-by-step guide and be up and running in one week. Back in the olden days before the internet was really popular and you could Google search anything, there was trial and error. If you wanted to start a house cleaning business from scratch you could, but it was rarely an overnight success for anybody. Big success was tossed to the cleaning service franchisees who could afford the fancy training, and well-built brands, while the mom and pop cleaning services were left to figure it out on their own. Good news - times have changed. As an independent house cleaner, you no longer have to wade through endless Pinterest boards for tips and ideas on how to start a house cleaning business. Angela Brown built from scratch one of the most successful independently owned and operated house cleaning companies in the Southeastern United States. If you are serious about success in the cleaning service industry, you should sign up for her free tips, tricks and time saving hacks by joining the Savvy Cleaner email list at: savvycleaner.com/tips and you follow her blog at: AskaHouseCleaner.com She has trained a multitude of independent house cleaners how to take their business from day one through expansion and enormous growth. In this step-by-step guide she'll show you: How to set up your home office What office supplies you are going to need Ideas for your company logo How to choose your company name How to choose a uniform Tips on creating your company image and brand How to set your rules and policies How to choose a territory Everything you need to know about creating flyers, worksheets and why you need them. How to bid jobs, what to charge, What kind of car you need, Confidence builders & how to build instant credentials, Bonding, insurance The magic of the Mulligan, How to get an endless stream of referrals, how much you should pay for referral fees, How to never have any billing and collections, and how to always get paid and on time. (There is a reason they call Angela Brown The House Cleaning Guru.) If you're here because you have an interest in house cleaning or in upgrading your life and you want to start a house cleaning business, welcome. House cleaning business is a 49 billion dollar a year industry that is nearly recession proof - when times get hard, people work more hours to pay the bills, they have less time at home to clean, so they outsource their cleaning - which means more business for you and me. Another awesome reason to start a house cleaning business is this: unlike a regular 9 to 5 job if you get fired, you're not out of work. You simply add another customer into your new available time slot and keep going. And you will learn here how to do such an amazing job, that you will never get fired, and your clients will never want you to leave. Franchise or Start a house cleaning business? (FREE BONUS DOWNLOAD: savvycleaner.com/franchise So should you buy into an existing franchise like Molly Maid, MerryMaids, The Cleaning Authority, Maid Brigade, Maid Pro, Sears MaidServices, The Maids, Two Maids & A Mop, You've Got Maids, MaidSimple, Cleantastic, Home Cleaning Services of America, Jani-King, MopFrog, Jan Pro, Maid to Perfection, or many of the others on the market? Or should you start your own house cleaning company from

scratch? There are pros and cons to both. If you are not sure of the differences, you can download a free comparison chart at savvycleaner.com/franchise For the sake of this book we are going to assume you are going to start your own.

Fair Play Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

Printing in Plastic James Floyd Kelly,Patrick Hood-Daniel,2011-08-13 Printing in Plastic: Build Your Own 3D Printer is your gateway into the exciting world of personal fabrication. The “printer” that you'll build from this book is a personal fabricator capable of creating small parts and other objects from drops of molten plastic. Design a part using a modeling tool such as Google SketchUp. Then, watch while the fabricator head sweeps back and forth and upwards, depositing plastic in all the right places. You can build anything from a replacement tab to hold a bookshelf in place, to a small art project, to a bashguard for your bicycle. If you can conceive it and design it, you can build it, and you'll have fun doing it! Printing in Plastic is aimed at creative people comfortable using power tools such as a table saw, circular saw, and drill press. Authors James Kelly and Patrick Hood-Daniel lead you through building a personal fabrication machine based upon a set of blueprints downloaded from their website. Example projects get you started in designing and fabricating your own parts. Bring your handyman skills, and apply patience during the build process. You too can be the proud owner of a personal fabricator—a three-dimensional printer. Leads you through building a personal fabrication machine capable of creating small parts and objects from plastic Provides example projects to get you started on the road to designing and fabricating your own parts Provides an excellent parent/child, or small group project

Strengthening Forensic Science in the United States National Research Council,Division on Engineering and Physical Sciences,Committee on Applied and Theoretical Statistics,Policy and Global Affairs,Committee on Science, Technology, and Law,Committee on Identifying the Needs of the Forensic Sciences Community,2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and

mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

The 6 Figure Cleaning Business Master Class Victoria Amador,2017-11-09 Who is this material designed for?This manual includes all my knowledge on how to start and grow a million-dollar cleaning company in a short amount of time. This is not a for lazy people looking to make a quick buck. This is for serious cleaning business owner ready to grow their companies to millions of dollars. Here I include all the information I provide on my video course found at www.tremendouslife.com called The 6 Figure Cleaning Business Master Class which is a video class explaining in detail all the content you'll see in the screenshots throughout this manual. I have also included all the content from my previous ebook where I discuss all the lessons I have learned throughout the years. Disclaimer: I am not a writer so you'll probably notice lots of grammatical errors and sentence composition issues so this book is not for those looking to read a book for pleasure - THIS is a manual and lots of material that are not meant to flow like a book....this is FOR THOSE READY TO TAKE ACTION AND APPLY WHAT WE DISCUSS HERE TO EARN MONEY strategically and consistently.What's included: * Over 70% of all the materials provided in the cleaning business master class available on tremendouslife.com, * How to start a cleaning business* Cleaning proposal / quote sample* Websites mistakes and lessons learned* Getting your first customers* Direct marketing can be a waste of time* Operational procedures* Advice to hire your first employees* SWOT analysis* How to calculate pricing for your accounts* How to fire employees and clients* Marketing tips to earn over 6 figures* Process mapping to improve your cleaning business* Google listing tips* Customer service templates from asking for feedback to asking for payment for services rendered* Email marketing samples* How to ask for payments consistently with our templates* Telephone questionnaire * Screenshots of excel files from the class (if you want the actual excel file with forecasting and HR tools the only way is to purchase the video class)* And much more!Visit tremendouslife.com to get an idea on what the actual course is all about or just read this book -either way you'll be ahead of most 99% of all others thinking or already owning a cleaning business. I have friends that have been in the cleaning business for 10 years and still have not achieve revenues over a half million...reasons are many but the number one reason I've noticed is that they have not systems in place. You can run a successful company without proper systems and yes you do need a system for everything even for ordering supplies, answering the phone, responding to emails, your sales and marketing, training and human resources system to even how you dress (uniforms), speak to your clients and much more!

How to Start, Run and Grow a Successful Residential and Commercial Cleaning Business Maria Carmen,2016-11-04 How to Start, Run and Grow a Successful Residential & Commercial Cleaning Business Hello, my name is Maria Carmen, and I have something important to tell you. I know you've probably heard these types of success stories before and are a little skeptical, but I'm telling you this is true and can really happen for you. Ten years ago, after my divorce, I needed to find a way to support myself. I was one of those individuals that never went to college or had a trade skill, so there weren't a lot of job choices for me. What was I to do? I started looking into entry-level jobs that didn't require specialized training or skills. Unfortunately, I wasn't keen on the idea of working at a fast-food restaurant for minimum wage with limited potential for advancement or better pay. Then, I learned about house cleaning from a friend of mine. She used house cleaning as a way to supplement their family income. However, I realized the potential to grow this into something more. So I started taking on a few residential cleaning jobs, getting my name out there, and increasing my client list. I took the time to do some research and found a way to offer some specialized services that got me paid a little extra. Before I knew it, my client list was growing beyond what I could do by myself. So I started hiring employees. Then, I realized the importance of branching out and started to take on commercial contracts. Commercial cleaning turned out to be even more beneficial to my income than residential cleaning. Not only was I able to support myself with this work, but I was able to grow and thrive. Today, I have a company of my own with 22 employees. We take on both residential and commercial cleaning contracts. My income has grown to over \$250,000 a year now. I never dreamed a simple job to help pay the bills would grow into this, but it has. It takes a little bit of work, but the benefits are there to be had if you know what to do. I'm here to tell you what you need to do so you can have success, just like I did. In This Book, I Show You: How To Start on a Budget Should You Go With a Franchise or Independent The Basics of the Residential Cleaning Business The Basics of the Commercial Cleaning Business Skill You Will Need Your Income Potential for Residential Cleaning The Income Potential for Commercial Cleaning Specialized Cleaning Income Potential 12 Guided Steps to Getting Started With Residential Cleaning 10 Guided Steps to Getting Started With Commercial Cleaning Equipment You Will Need Safety First Considerations 11 Steps to Choosing the Right Cleaning Products 5 Types of Cleaners To Use Where to Buy Your Cleaning Supplies How to Form A Legal Entity for Your New Business How to Get

Certified How to Set a Rate Structure How to offer Competitive Pricing How to Bid and Win Job Contracts How to Write a Commercial Job Proposal How to Get Your First Client How to Market Your New Business 6 Quickest Ways to Gain New Contracts Top 10 Safety Concerns How to Run and Grow Your Business A Day in the Life Inside a Cleaning Business Important Forms and Formats Included In This Book: A Sample Cleaning Service Agreement Contract Sample LLC Operating Agreement A Sample Business Plan Sample Employee Warning Letter Good luck!
