Be the Boss of Your Stuff Allie Casazza, 2022-03-08 Give your kids the decluttering guide that will encourage their independence and create a more peaceful home for your family. Allie Casazza has created a resource for you to show kids how to create and design their own space, offering practical ideas on organization and productivity, kid-friendly inspiration for mindfulness, and interactive pages for creativity. Allie has encouraged women to simplify and unburden their lives as the host of The Purpose Show podcast and through her first book *Declutter Like a Mother*. Now she's helping you equip your kids and tweens to discover the same joy of decluttering as they design and create a space that supports their interests and goals, make more room in their lives for playtime and creativity, increase productivity and find renewed focus for schoolwork, learn valuable life skills, and cut down on cleaning time, reduce stress, and feel more peaceful. Your kids will start to understand that the less they own, the more time they have for what's important. Written in Allie's fun, motivational voice, *Be the Boss of Your Stuff* is ideal for boys and girls ages 8 to 12, includes photography and interactive activities with space to write, draw, imagine, and plan, shares step-by-step instructions for decluttering, offers added practical, personalized instruction from Allie's children, Bella and Leeland, and is a great gift for coming-of-age celebrations, the first day of spring, New Year's, Easter, birthdays, back-to-school, or school milestones. As your kids become more proactive in taking care of their stuff, you'll find your whole family has more time and space for creativity and fun. After all, less clutter, less stress, and less chaos in your kids' lives means more peace, more independence, and more opportunity to grow into who they're meant to be. Read Allie's first book, *Declutter Like a Mother*, to further equip yourself in decluttering while you empower your kids to embrace their space.

Clutter Free Kathi Lipp, 2015-01-01 If you've ever wished you could clear out your clutter, simplify your space, and take back your life, Kathi Lipp's new book has just the solutions you need. Building off the success of her *The Get Yourself Organized Project*, this book will provide even more ideas for getting your life and your stuff under control. Do any of these descriptions apply to you? You bought a box of cereal at the store, and then discovered you have several boxes at home that are already past the best by date. You bought a book and put it on your nightstand (right on top of ten others you've bought recently), but you have yet to open it. You keep hundreds of DVDs around even though you watch everything online now and aren't really sure where the remote for the DVD player is. You spend valuable time moving your piles around the house, but you can never find that piece of paper when you need it. Your house doesn't make you happy when you step into it. As you try out the many easy, doable solutions that helped Kathi win her battle with clutter, you'll begin to understand why you hold on to the things you do, eliminate what's crowding out real life, and make room for the life of true abundance God wants for you.
