I was so impressed by the results of the assignment that I felt the poems needed to be preserved in a bound document. Thus, this little book. These students completely captured the complexities of this region and their poems contain all the joys and sorrows of living in Appalachia. I am proud that they were my students and I am very proud that together we produced this record of contemporary Appalachian Life -- Silas House

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's

when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

Reading with Meaning Debbie Miller, 2023-10-10 Ten years since her first edition, author Debbie Miller returns with *Reading with Meaning, Second Edition: Teaching Comprehension in the Primary Grades* to share her new thinking about reading comprehension strategy instruction, the gradual release of responsibility instructional model, and planning for student engagement and independence. *Reading with Meaning, Second Edition* delves into strategy and how intentional teaching and guided practice can provide each child a full year of growth during their classroom year. New in this edition are lesson planning documents for each chapter that include guiding questions, learning targets, and summative assessments, as well as new book title recommendations and updated FAQ's from the first edition. Also included are strategic lessons for inferring, determining the importance in each text, and synthesizing information. Teachers can help students make their thinking visible through oral, written, artistic, and dramatic responses and provide examples on how to connect what they read to their own lives. In this book, Miller reflects on her professional experiences and judgement along with current research in the field. She provides a guide for any teacher hoping to build student relationships and develop lifelong independent learners.

Brown Girl Dreaming Jacqueline Woodson, 2016-10-11 Jacqueline Woodson's National Book Award and Newbery Honor winner is a powerful memoir that tells the moving story of her childhood in mesmerizing verse. A President Obama O Book Club pick Raised in South Carolina and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also

reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including *Brown Girl Dreaming*. Praise for Jacqueline Woodson: Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery.”—The New York Times Book Review

America and Other Poems J. M. Whitfield,2021-05-21 *America and Other Poems* (1853) is a book of poems by J.M. Whitfield. Published while the poet was working as a barber in Buffalo, New York, *America and Other Poems* captures his sense of poetic form while expressing his belief in the abolition of slavery. In these odes, hymns, and prayers, Whitfield established his reputation as a pioneering African American poet, an impassioned voice for his people who tirelessly sought to change the course of history with his words. “The North Star,” which concludes the collection, was written for Frederick Douglass’ abolitionist newspaper *The North Star*, that “guard of truth and liberty” for all. “The writer of the following pages is a poor colored man of this city, engaged in the humble, yet honorable and useful occupation of a barber.” In the introduction to his debut book of poems, J.M. Whitfield proudly and directly asserts his identity. Although he does not fit in with the traditional figure of the poet, Whitfield proves his mastery of form while condemning slavery in the strongest terms. “America” opens the collection with a direct address to the nation “from whence has issued many a band / To tear the black man from his soil, / And force him here to delve and toil”: “America, it is to thee, / Thou boasted land of liberty,— / It is to thee I raise my song, / Thou land of blood, and crime, and wrong.” Without fear, Whitfield questions the moral and political promise of a nation built by slaves. He demands through song and prayer the advent of a day when to “north and south, and east and west, / The wrongs we bear shall be redressed.” With a beautifully designed cover and professionally typeset manuscript, this edition of J.M Whitfield’s *America and Other Poems* is a classic of African American literature reimagined for

modern readers.

Where Are You From? Yamile Saied Méndez, 2020-07-07 This resonant and award-winning picture book tells the story of one girl who constantly gets asked a simple question that doesn't have a simple answer. He doesn't give her the response she expects. She gets an even better one. Where am I from? You're from hurricanes and dark storms, and a tiny singing frog that calls the island people home when the sun goes to sleep.... Speak: The Graphic Novel Laurie Halse Anderson, 2018-02-06 The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. Speak up for yourself—we want to know what you have to say. From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.
