Recycling Christmas Cards Anneke Lipsanen, 2014-09-10 If you are a crafter, teacher or parent interested in recycling Christmas cards, then you will love these pretty eco crafts, ideas and special templates to repurpose your used Holiday cards into charming new crafted items. The full color book with instructions and photographs for the 50 projects, plus the template collection with easy craft templates, are all you need to give used greeting cards a second life. The templates are designed and adapted for greeting card sizes and can be used again and again. Don't throw away those beautiful cards after the very short holiday period! Create nifty new items for fabulous scrapbooking, pretty packaging, little personal gifts, fun favors, small tokens of appreciation, creative containers, decor, decorations and ornaments! There are bonus projects, printable pattern paper and a second set of blank craft templates too. Make them for yourself, or to sell at craft markets and fundraising events. And use them for school arts and crafts projects too, as many projects are suitable for children. No fancy coordinated craft shop designs or expensive embellishments are needed. Just use what you have on hand. The happy patchwork medley is exactly what makes the projects in Recycling Christmas Cards so charming. Those lavish graphics on

greeting cards were created by professional designers and make fabulous crafting material for pennies on the dollar - and in sturdy cardstock to boot. They are just waiting for the new life you can give them. Folks love to browse craft fairs and the likes for those inexpensive little something gifts. Many projects are geared towards such little gifts and stocking stuffers. Crafters will love the 45 craft templates in the book, as they have the perfect size for the projects. (Suggestions for recycling Christmas cards are easy to find, but finding templates that are ready to use and scaled to size are not). For convenience the templates are also available as printable downloads. If you have some odd cards left in a box somewhere, you can start your crafting straight away. Then ask friends, family and neighbors for theirs, as you will soon need (and want) a lot of cards. You can even arrange collection boxes at super markets, clubs and such. It is not just about recycling Christmas cards, but about recycling Christmas fun - all year long! So keep every one of your cards and get started for the next Holiday season, because 40 million recycled cards save 13 600 trees! Reuse, remake, repurpose, reduce, recycle and rethink!

Continuous Greetings: a Shared Card for Friends Forever Beth Garrod,2024-04-23 This unique memory-keeping card is for two friends to treasure through the years! Designed to be exchanged again and again, this continuous card is like dozens of greeting cards in one. It travels both ways between besties: Just fill in your first message and give to a friend for a birthday, holiday, or just because. Then, it's their turn to write and send it back whenever they choose. Celebrate and repeat! As you fill the card, you'll each be able to read all your messages over time in one place. A handwritten record of the bond you share over the years, this is a keepsake you'll treasure forever. A PRICELESS TIME CAPSULE: As a collection of messages exchanged between you and your friend, this card becomes a time capsule of your relationship. You'll both be able to look back on your handwritten notes commemorating milestone events and the meaningful memories you've shared over the years--all in one place. It's like a shoebox full of letters and greeting cards but collected in one sweet, organized archive. A SPECIAL WAY TO BOND: This card is as simple to fill out as any greeting card but incredibly special to receive as a memory keeper you'll each continue to share for years. PERSONALIZED GIFT FOR FRIEND: Presented in a beautifully designed hardcover portfolio, this keepsake is an extra-special gift for birthdays, holidays, or any special occasion. No additional present required! REDUCE AND REUSE: This product was created with sustainability at its heart. Instead of purchasing disposable cards every year, give the one card that's a keepsake no one will ever want to toss. Perfect for: Stationery lovers and people who collect handwritten notes Anyone looking for one-of-a-kind gifts for birthdays, holidays, friend anniversaries, Friendsgiving, Galentine's Day, or other special occasions Friends and loved ones separated by long distances Fans of Letters to My Friend, Friendship Maintenance: 30 Postcards, or the One Line a Day series

Fair Play Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

From Video Games to Real Life Mary L. Gazdik,2016-09-19 This guide shows youth librarians how to use the appeal of Minecraft—a game that many young learners are intensely passionate about—to create engaging library programs that encourage creativity and build STEAM (Science, Technology, Engineering, Arts, and Mathematics) learning through library programs. Minecraft is more than just a video game; it's a powerful tool that librarians and other educators can use to engage students and spark legitimate learning experiences. This book shows you how to use Minecraft as a vehicle to promote learning and creativity, supplying specific, easy-to-replicate programs, ideas, and instructions for hands-on activities. By connecting the game to the maker movement and building off the game's popularity, you'll be able to use Minecraft to promote STEAM (Science, Technology, Engineering, Arts, and Mathematics) learning. The book ties Minecraft to maker activities, learning in the library, three-dimensional printing, literary activities, crafting, and more. The activities in this book will also enable you to help children ages 8-14 to expand their key 21st-century skills, such as collaboration, trial and error, and discovery.

Organisational Memory as a Function Felix Langenmayr,2016-05-10 This book is about the past as well as the future in organisations in general and about an organisation's temporal contextualisation in particular. The author analyses, how organisations are able to construct a present with respect to their past and future. The study is based on an empirical case

study, in which an R&D department has been followed for a six month-period in order to analyse how an organisation orients itself with respect to its past, present and future from the perspective of communication-centred social systems theory.

Inside Out & Back Again Thanhha Lai, 2013-03-01 Moving to America turns H&à's life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.
